UNFINISHED BUSINESS

The Speaker made the following committee changes: Affairs of Cities—Scott to replace Glennen; Agriculture and Irrigation—Jordan to replace Asbjornson; Fish and Game—Knudsen to replace Melcher.

Members of the Senate were admitted to the House.

Assembly being in joint session, Lt. Governor Judge, occupying the Chair for the joint session, appointed the following committee to notify the Governor that the Senate and House of Representatives had convened in joint assembly and were ready to hear his message: Senators Manning and Mackay and Representatives Wayrynen, Ulmer and Dye.

Invocation was given by Senate Chaplain.

His Excellency, Forrest Anderson, then appeared and was escorted to the rostrum. After being presented to the assembly by the President of the Senate, he delivered his address:

Mr. President, Mr. Speaker and Members of the 41st Legislative Assembly:

It is a pleasure for me to return to these chambers where I once served as member of the House of Representatives. It is rewarding to recognize many of my good friends with whom I have served during my tenure as legislator, jurist, and Attorney General.

We are, I am sure, inspired and pleased by the masterful lighting effect that has been achieved on the Russell painting that dominates this chamber, and by the major effort that has been made to conserve it. It is entirely right and proper that we honor our past—that we preserve our heritage.

But our principal business here today and for the next sixty days is nothing short of taking steps to save the institution of state government as a viable part of the federal system that has served us so well for nearly two centuries.

It is common knowledge that this system is in serious trouble because the states have, in varying degrees, failed to keep pace with a rapidly changing world. We have circled the moon and we have split the atom; but, we have failed in Montana, and elsewhere, to throw off the shackles imposed by nineteenth century state government organization. We have failed to bring to the job of state government the efficiency which modern technology and advanced thinking make possible. And—insofar as we have failed to do so—we have failed to deliver to the people of this state and other states—full value for their dollar in government service and the progress which effective government service can contribute.

We have been witnessing the result for decades. Where the states have failed to fully perform their rightful function and duty—the general government has assumed the burden. If this failure is allowed to continue, state government will ultimately disappear as a vital part of our system. I truly believe there is not a man or a woman in this assembly who would welcome such a conclusion.

Thus our challenge is clear: we must recreate, restore and implement the effectiveness of our state government—which was intended by the writers of our federal and state constitutions as the cornerstone of our federal system.

We must accomplish this in at least three principal areas.

We must strengthen and refurbish the legislative process.

We must create, for the first time, a workable executive department.

And we must institute and strengthen state policies adapted to our changing time and the ever-increasing demands of our age.

To achieve these ends, we need first and foremost, cooperation between the legislative and the executive—between the two houses of this body—and between the parties which constitute them. We must work resolutely and diligently to eliminate the partisan bickering which has plagued past sessions.

Our constituents demand no less. Several public opinion surveys taken during the past two years reveal that the principal source of public dissatisfaction with the last session was the failure of cooperation. These same surveys clearly show that the blame is assessed equally on the two parties. If this feature continues to dominate our deliberations, we will be doomed to further distrust and dissatisfaction on the part of those we represent and attempt to serve. We will also be far less effective in both the legislative and executive departments.

The Montana Legislative Council executive reorganization report number seven said, and I quote:

“The main reason for lack of reform is honest disagreement over how governmental efficiency and political responsibility can best be achieved.”

I need not remind you that the same reason prevailed in 1919. Now, after a lapse of fifty years, it is time we stopped seeking excuses and got on with producing some real results.

In this connection, I would urge the streamlining of your legislative process. I would not presume to lay before this body any specific proposals for achieving this end. But—I would suggest—for a single example, the transmission of all money bills from the House to the Senate prior to the fiftieth day. Failure to do so, it seems to me, will virtually guarantee extension of the session beyond the Constitutional sixty-day limit.

I recommend two major steps for legislative improvement and four steps for increased efficiency in the executive branch, as the first phase of a comprehensive program of state government reorganization:

One I recommend that the Legislative Council be made more effective, and that sufficient funds be appropriated to enable this agency to provide more meaningful information for members of the Legislature.

While a jurist, in the case of Mitchell versus Holmes, I wrote that the purpose of the Montana Legislative Council is to provide for a permanent legislative study and review of the organization and structure of state government in Montana.

In that same case, it was argued that a Legislative Council might abuse powers granted to it. My answer to that argument was, and I quote:

“If, however, such a possibility was a reason for withholding power, none would ever be granted. None of the powers, the possession of which is sanctioned by our Constitution, nor even those expressly and in terms granted, are free from the theoretical possibilities of abuse.”

Thus, in the Mitchell versus Holmes case of 1953, my approach to legislative trust was apparent. Unfortunately, the majority of the court disagreed with me. In 1957, the court overruled the decision and the Legislative Council was born. But four years of valuable work was lost.

While directing remarks to the Legislative function, I urge every member of this body to seriously consider the recommendations of the Montana Citizens Committee on the State Legislature.

Two . . . I recommend strengthening of the Legislative Post-Audit function. I want you to know I do not consider "meddlesome" the activities of the post-audit. This body is to be commended for the creation of the agency.

We must establish a uniform accounting system and provide for a consolidated financial statement for each fiscal year.

I also recommend that after the post-audit function is well established, an operational,—or performance—audit be provided for.

In this way, we shall know not only where the tax dollar is going, but we shall also know what those dollars are doing for the people of Montana.

I consider these steps vital to the general program of strengthening and refurbishing the Legislative function.

We must also institute a truly effective executive department. State government has consistently expanded to the extent that today, we have more than 12-thousand employees. State expenditures alone total more than a half-million dollars every day. If we are ever to generate executive direction of this multi-million dollar business, it must be now.

Before I outline my four major recommendations relating to the executive branch, I would urge the Legislature to examine carefully the possibilities of consolidating some of the more than two dozen agencies which deal with agriculture. I believe economies can be effected through elimination of the duplication of effort in this area.

I also urge the Legislature to carefully study the expenditures of the Board of Institutions. I wish to be clearly understood: I am not speaking of the Institutions themselves; but, of the Board which was created in 1962, as a central administrative agency. A brief history of the appropriations to this agency illustrates some of the topsy-like growth of state government.

The initial appropriation for the Board of Institutions was 140-thousand dollars in 1963. In the present biennium, the Board received an appropriation of more than 530-thousand dollars—an increase of 397-thousand dollars or 278 per cent in merely four years. For the coming biennium, this agency has requested more than 840-thousand dollars—or more than 50 per cent increase. The Board of Institutions now spends more money on administration than do three of the Institutions it was created to administer. It would seem the tail is wagging the dog.

I also recommend the Legislature consider the feasibility of liberalizing our present statutes to permit expanded investment of state funds on a long-term basis.

Many other states have authorized such action and have been rewarded with a higher yield from their investments. There is reason to believe Montana may be able to realize millions of dollars in additional money in each biennium from an improved investment program.

These proposals are offered to you as suggestions for improving state government efficiency and realizing maximum use from every tax dollar. I trust you will investigate each of them, and pledge the full assistance of my office in your efforts.

I believe this Legislature recognizes, as I do, the need for a truly effective executive branch in Montana government. Therefore, I submit the following major recommendations which can start us down the road to better fiscal management and improved leadership:

One I recommend upgrading of the office of Controller and the Department of Administration, and that the office of Budget Director be combined with the Department of Administration.

I believe this to be a vital part of the general program to put our financial house in order.

Neither the Legislature nor the Legislative Post-Audit should attempt to become the administrator of the affairs of government. We must have a qualified Controller and a professional staff to implement a uniform accounting system and orderly administrative procedures.

Previous legislation has outlined rigid qualifications for the individual who shall serve as Controller.

At the same time, previous Legislatures have designated the salary for this position as a line-item in the budget. Obviously, the statute establishing the qualifications of Controller has not been observed.

I believe we must discontinue the practice of making line-items of salaries for professional positions. The members of the Legislature should consider the position, the demands of the job, and the salary an individual with such qualifications can command elsewhere, and provide sufficient funds in the general appropriation to fill the position adequately.

I firmly believe if you do not upgrade the office of Controller and the Department of Administration, the effectiveness of the expanded function of the Legislative Post-Audit will be greatly reduced. One will not work without the other.

I also recommend that the clerical and administrative duties of the Board of Examiners be combined with the Department of Administration.

Two I recommend additional funds be provided for the Department of Planning and Economic Development. We must make a far more comprehensive effort for the economic development of Montana.

The policies of government guide and shape the economy of every state. A maximum effort to anticipate, plan and set in motion a concerted drive to develop Montana is probably the most urgent need of this biennium.

Development cannot be haphazard. It must be farsighted, coherent and based upon sound and carefully evaluated information. Such a program can begin by capitalizing on Montana's many natural advantages—her natural resources, climate, and her friendly intelligent population.

In some economic areas, such as the tourist industry, an expanded and serious promotional program could be initiated almost immediately without new studies or fact-gathering efforts. Others, such as the creation of whole new industries based on the products of our minerals, fields and forests may need the most serious long-term study.

While encouraging new development we should also search for the kinds of job-producing operations which will preserve the things we cherish—pure air and water—the space to move and grow—and the freedom to do it in.

Montana is far behind in economic development. Unless we provide for more qualified personnel and an expanded development effort, our position will worsen.

Three . . . The Federal government is big business in Montana. In fiscal 1967—the last year for which complete figures are available—the

Federal government spent more than 664-million dollars in this state.

Of this total, about 80-million dollars of Federal money was spent through various agencies and divisions of state government.

The expenditure of 80-million dollars a year is truly a big business. Yet there is no way to determine precisely just who is receiving what money and for what purpose. There is no way to determine the relative value of these programs. There is no way to determine the precise amount of attributable costs required from state tax funds to match the various Federal programs.

In short, we haven't the vaguest notion of the effect of these programs. We must have this information in order to make the judgments required of us.

Let me illustrate: A federal aid program is approved for a state agency, upon direct application from that agency. Often, the Federal government requires in-kind services, personnel or direct matching funds. While the federal requirements may be a bargain, we must know how much more the in-kind services, personnel or matching funds will increase our general fund expenditures. And, we must discontinue the practice of permitting independent agencies to make direct applications. All applications should be channeled through one department for the purpose of coordination, perspective, and elimination of duplication of services.

I have promised I will make an aggressive effort to secure more Federal funds for Montana. I intend to follow through on that promise. But, I wish to declare that I will not encourage Federal programs unless I am satisfied the federal money and the necessary state money is being directed to a beneficial use.

To rectify this situation, I urge the Legislature to provide general fund monies to support the office of Federal-State Coordinator, operating out of the Governor's office. This should not be difficult to do. During the past year, more than \$17,000 of general fund money has been borrowed from various agencies to support the office. I request you make the appropriation to this office direct, rather than to rely on indirect financing.

In this way, we can attract qualified individuals to staff the office and begin the process of determining just where we are and where we are going, with regard to Federal Assistance programs.

Four . . . I recommend you provide additional funds to strengthen the operation of the Governor's office.

The Governor's position is described as that of the "chief executive" of the State. The budget for the office of the chief executive, however, amounts to less than three-tenths of one per cent of the general fund. If we are to adopt a business-like approach to the management of state business, we must adopt the business-like attitude of providing the chief executive with the necessary tools.

I have read several of the most recent State of the State messages delivered to this body. I find little evidence of anyone attempting to strengthen the Governor's office. Throughout these same years, I have heard the governors publicly complain about the limitations on their powers and how little they can do because of these limitations.

I don't wish to complain. I wish to move, and I believe the people of Montana expect me to do just that.

The appropriation provided for operation of the Governor's office is barely sufficient to accomplish the general clerical duties required of it.

In the past, borrowing employees from other independent agencies to work for the Governor's office has been an accepted practice. However, it is a poor practice and should be discontinued. Sufficient funds to employ

the necessary technical and professional assistance is a must if we are to put our mangement house in order.

Assuming adequate staff support is provided, I also recommend that all studies directly relating to the operation of state government be made in close cooperation with the Governor's office and not independent of it.

Send me no more studies unless they are aimed at action!

To recapitulate: My program for the operation of this government consists of the basic approach to the solution of any basic problem:

1. We must find out where we are.
2. We must plan where we go from here.
3. We must devise a system for effective implementation of that plan.

I propose that we discover where we are by improving the function of the Legislative Interim Committee, the Legislative Post-Audit, and the Controller's Office.

On the basis of the facts and data discovered by these agencies, I propose that we set our goals and chart our course to implement them. This is a combined function of the Legislative and Executive branches of the government, assisted by the Department of Planning and Economic Development.

With goals and plans firmly and intelligently fixed, it is the duty of the Executive Department to execute them.

I ask that you provide the tools for a fuller and better informed legislative process. I ask that you provide me with the tools for an effective executive function. Without these tools in our hands, we will surely fail our mutual responsibility. If we fail this responsibility, the headless monster we are grappling with will go beyond our control, engulf us with increasingly heavy demands for money, without commensurate increase in service to the state and the nation.

It is the duty of a Governor to bring to the attention of the people and the Legislature the unfinished business of the State—particularly the unfinished business which affects the quality of life in Montana.

In that spirit, I recommend full funding of the School Foundation program be provided and that adjustments in the schedules be made to assure increased equalization. Attention should be given, also, to fully meeting the requirements of a truly outstanding higher educational system.

I will not presume to direct the members of this body in their determination of the future of the vocational-technical education program in Montana. The need for intensive curriculum in the vocational-technical field is obvious. For too long, we have avoided the difficult decisions which must be made.

However, I would caution that we cannot permit the creation of an educational 'monstrosity' which could result in a seriously weakened vocational-technical education program. Our financial resources cannot realistically support a long list of vo-tech offerings at multiple locations within the State.

Furthermore, I would remind you that intensive cooperation between local, state and federal officials could alleviate some of the financial burden implicit in the vocational-technical proposals. This area of cooperation should be more thoroughly investigated. Federal officials have expressed their willingness to engage in discussions on this matter.

One of the most significant developments in public administration during the past decade is the growth of collective bargaining in the public service.

Fourteen states now have passed comprehensive legislation dealing with public employees' labor relations. Many other states have dealt with narrow aspects of the matter.

I urge the members of this body to become cognizant of the studies which have been made and the legislation which has been enacted in other states, in order that present laws in Montana may be evaluated and any new laws or policies may be intelligently considered.

Montana is fortunate in having capable and qualified public employees dedicated to providing the best possible services to the State and its citizens. We need to attract even better qualified individuals to public service.

As an investment in good government, I recommend you give serious consideration to the proposals to be submitted on behalf of Montana's public employees.

Certainly we must conclude that the Montana Unemployment Compensation Law is inadequate in the area of benefits paid to workers unemployed through no fault of their own. Montana now has the lowest benefit schedule of all fifty states.

Recognizing that both the individual workingman and the business community suffer from the consequences of an inadequate compensation schedule, it should be one of the major responsibilities of this Assembly to provide legislation to remedy the situation.

Many injustices are committed within the State because of the low wages paid for human effort. Often, daily wages amount to little more than an insult to the dignity of the individual trying to make an honest living.

A wide variance in wages paid certainly is not a basis for a sound economy. In fairness to the working individual and members of the business community who endeavor to pay a fair and honest wage, an effective minimum wage measure should be enacted.

Every year, approximately 14,500 workers in our nation are killed on the job. Another 2.2 million workers are injured.

A recent report of the Governor's Conference on Occupational Safety noted that in our State, more than 22-thousand on-the-job accidents are reported every year.

Montana has ranked among the highest states of the Union in the proportion of work injuries.

I urge this Legislature to carefully examine our statutes concerning occupational safety. Furthermore, I recommend the Legislature take the necessary steps to assure vigorous enforcement of existing laws. We cannot continue to permit 10 to 15 per cent of our wage-producing population to suffer on-the-job injuries every year.

The Montana Judiciary has continued to keep abreast of its increased workload—an accomplishment which few other states can boast.

However, during the past year, several groups have recommended judicial salaries be increased.

I believe we must keep the level of compensation for the judiciary commensurate with other states and the private sector. Poor compensation is false economy.

The recognition that the arts are indispensable to the good life finds expression in the surge of activity which has accompanied the establishment of the National Endowment on the Arts and the creation of Arts Councils in all fifty states.

Montana has its Art Council—an agency which has done much to promote and stimulate the arts in Montana. I urge the Legislature to continue support and interest in this most worthy and beneficial program.

I have great faith in the judgment and maturity of our young people.

Therefore, I recommend that the members of the Legislature give favorable consideration to legislation which would permit our young men and women attaining 19 years of age to participate in the voting process.

The Montana Fish and Game Department program represents a large area of interest to all Montanans.

Improving landowner-sportsman relations is an urgent necessity. Your help is needed to find a solution to this problem.

Ours is the last stronghold of grizzly bear populations in the United States. We need legislation to manage the grizzly.

Landowners need protection from the few indiscriminate vandals who would destroy property and litter the countryside.

Our game herds need additional winter range if they are to survive and continue to be a part of our way of life.

One of Montana's most precious natural resources is an abundance of fresh, clean water.

Downstream states—many of them already facing serious shortages of water—have been hungrily eyeing the unused waters which rise in Montana.

Claims to water for future use involve complex interrelationships among states and between states and the federal government. The problem will not be finally solved by legislation, resolutions, or memorials declaring rights to water. The most effective way to establish rights to water is to put it to beneficial use, or to have programs for putting it to beneficial use in the future.

Conservancy districts can be important in this regard by providing our people with the means to participate more actively in the job of putting water to work for the benefit of their community and the State.

In the 40th Legislative Session, water conservancy legislation suffered defeat. I urge you to enact such legislation in this session. Time is running out.

Montana cities and state industries are to be commended for their efforts to curb wastewaters. However, much remains to be done, particularly since adoption of new water quality standards by the State Water Pollution Control Council.

Water is one of our greatest natural resources. We must do everything possible to protect it.

Montanas' Water Pollution Control Council has done much with very little . . . I recommend strong backing and support for this activity.

A serious and growing problem which has occupied much of the attention of this Assembly in past years is air pollution. Implementation of the law passed two years ago is now under way, and I shall do everything in my power to see that it is used effectively.

As our experience in the field grows, it may be necessary to supplement the present law; but, this is for the future. The present need at this time is for adequate funds to let us go forward with all possible speed.

I don't believe any responsible member of this body can deny there

is a need for assistance for local governments. Owing to a combination of legal limitations, restricted financial and technical resources and geographic considerations, local government capabilities are impaired.

Montana ranks 46th among all states in support of local government.

State government can and must do more. However, such assistance must be achieved within the framework of the Constitution.

I wish it were possible for me to offer specific recommendations concerning the budget requirements in the coming biennium. I did not receive a copy of the proposed budget of the outgoing administration until December 27th.

However, I offer the following observations with regard to the budget proposals you will shortly receive:

You will note the proposed budget calls for general fund expenditures totaling more than 169-million dollars. That figure represents an increase in spending of 34 per cent. I don't believe Montana's citizens can afford a one-third increase in taxes—nor do I believe we can justify this kind of spending until such time as our management house is in order.

The average biennial general fund increase for all states in the Union is approximately 22 per cent. In the 1967 Legislature, Montana's general fund was increased approximately 26 and one-half per cent.

I recommend that the 1969 Legislature authorize increased general fund expenditures consistent with the ability of the people to support such expenditures.

I do not suggest austerity or false economy. I recommend as penetrating an examination of proposed expenditures as the present system and the facts at your disposal will permit.

We cannot accomplish everything that must eventually be done in a single biennium. Nor do we dare risk a delay in meeting essential needs which could only forestall and make more costly a future day of reckoning.

Some projects must await the creation of increased financing ability through the economic development of our state. Some needs must be met now to assure that economic development.

In all this many decisions must be made, and I am confident that this body is fully qualified to make those decisions wisely and in the best interest of all our people.

Montana's people were heard in the 1968 general election regarding the means of raising additional revenue. No constructive purpose can be served by extended debate on the sales tax issue.

I recommend that the necessary funds to achieve the program I have outlined today be derived from the existing tax structure.

I recommend that you institute a thorough examination of the present tax structure so that there is a fairer distribution of the tax burden. More effective means of tax collection must be considered.

The people of Montana have made their desire clear that this Session be limited to sixty days. We must transact the difficult business of this Session with concentrated effort and cooperation. You are equal to the task—and I pledge my utmost support to you.

I wish you well.

Benediction was given by the Chaplain.

The Governor having been escorted from the chamber, it was moved

by Senator Mahoney that 1000 copies be printed and distributed to Legislators, state officials and others. Motion carried.

It was moved by Senator Mahoney that the joint assembly be dissolved and that the members of the Senate return to the Senate chambers.

Mr. Speaker: We, your Committee on Bills, to whom was referred House Bills Nos. 4 and 5, beg leave to report that the same have this date been returned from the printer correctly printed.

WOODARD, Chairman

FIRST READING AND COMMITMENT OF BILLS

The following bills were introduced, read first time and referred to committees:

House Bill No. 108, introduced by Dye by request: A bill for an act entitled: "An act wherein the condemnor on presentation in the court of a resolution would be conclusive as to the necessity of the taking." Referred to Committee on Judiciary.

House Bill No. 109, introduced by Dye by request: A bill for an act entitled: "An act relating to the platting, surveying and certification of small and irregularly shaped tracts before sale; amending Section 11-615, R.C.M. 1947, to extend the exceptions to said section to include state high-

ways, and to include therein in addition to plats on file plans on file and to include therein in addition to lots and blocks, parcels." Referred to Committee on Highways.

House Bill No. 110, introduced by Dye by request: A bill for an act entitled: "An act to revise the law of eminent domain as to both substance and procedure; and repealing Sections 93-9901, 93-9902, 93-9903, 93-9903.1, 93-9904 through 93-9926, R.C.M. 1947." Referred to Committee on Judiciary.

House Bill No. 111, introduced by Haines, Payne, Gerke, Steele, Watt: A bill for an act entitled: "An act amending Sections 14-137, 14-138, 14-141, 14-143, 14-145, 14-148, 14-149 and 14-150, Revised Codes of Montana, 1947, all relating to the Montana Credit Union Act, providing for regulating the organization of credit unions, defining its powers, management duties of the board of directors, officers and committees and the operation, regulation and inspection of credit unions." Referred to Committee on Business and Industry.

House Bill No. 112, introduced by Nichols, Gerke, Worden, McGrath: A bill for an act entitled: "An act appropriating moneys for the operation of the Legislative Audit Committee for the biennium ending June 30, 1971." Referred to Committee on Appropriations.

House Bill No. 113, introduced by Nichols, Gerke, Worden, McGrath: A bill for an act entitled: "An act appropriating moneys for the operation of the Legislative Audit Committee for the biennium ending June 30, 1969." Referred to Committee on Appropriations.

House Bill No. 114, introduced by M. Holtz, Nyquist, Gilligan: A bill for an act entitled: "An act amending Section 16-4210, R.C.M. 1947, to provide that all property within a mosquito control district be taxed for purposes of the mosquito control fund." Referred to Committee on Research and Resources.

House Bill No. 115, introduced by Carl M. Smith by request: A bill for an act entitled: "An act providing for a charge by the General Recorder of Marks and Brands for the filing and listing of notices of security agreements and their disposal for use by the Livestock Commission." And to further amend:

Section 1, subsection (b) by deleting all of the code material and striking the new material beginning with line 23, page 1 of the original bill, and ending with line 19, page 2 of the original bill, and inserting in lieu thereof the following:

[(b) Where no special hazard exists that requires lower speed for compliance with paragraph (a) of this section the speed of and vehicle not in excess of the limits specified in this section or established as herein-after authorized, shall be lawful, but any speed in excess of the limits specified in this section or established as herein after authorized shall be unlawful.]

[1. Twenty-five (25) miles per hour in any urban district;]

[2. Thirty-five (35) miles per hour on any highways under construction or repairs;]

[3. Fifty-five (55) miles per hour in such other locations during the night time, except that the nighttime speed limit on those completed sections of Interstate highways shall be sixty-five (65) miles per hour, however, the Montana Highway Commission shall have the authority to establish reduced night speed limits on curves and other dangerous locations as set forth in Section 32-2145, R.C.M. 1947.]

[Daytime means from a half ($\frac{1}{2}$) hour before sunrise to a half ($\frac{1}{2}$) hour after sunset. Nighttime means at any other hour.]

[The speed limits set forth in this section may be altered as authorized in Sections 32-2145 and 32-2146.]

[(c) The driver of every vehicle shall, consistent with the requirements of paragraph (a), drive at an appropriate reduced speed when approaching and crossing an intersection or railway grade crossing, when approaching and going around a curve, when approaching a hill crest, when traveling upon any narrow or winding roadway, and when special hazard exists with respect to pedestrians or other traffic or by reason of weather or highway condition.]

(Material in brackets denotes cancelled type).

It shall be unlawful for any person to operate or drive a vehicle of any character on a public highway or street of this state at any speed in excess of:

HOUSE BILL NO. 43

Introduced by Harrison, Lucas, Giesick, Cranston, Spahr, Pat Williams.

A bill for an act entitled: "An act to submit to the electors of Montana an amendment to Section 2, Article IX of the Montana Constitution changing the voting age to nineteen years."

Be It Enacted By The Legislative Assembly Of The State Of Montana:

Section 1. Section 2, Article IX of the constitution of the state of Montana is amended to read as follows:

"Section 2. Every person of the age of [twenty-one] nineteen (19) years or over, possessing the following qualifications, shall be entitled to vote at all general elections and for all officers that now are, or hereafter may be, elective by the people, and, except as hereinafter provided, upon all questions which may be submitted to the vote of the people or electors: First, he shall be a citizen of the United States; second, he shall have resided in this state one year immediately preceding the election at which he offers to vote, and in the town, county or precinct such time as may be prescribed by law. If the question submitted concerns the creation

of any levy, debt or liability the person, in addition to possessing the qualifications above mentioned, must also be a taxpayer whose name appears upon the last preceding completed assessment roll, in order to entitle him to vote upon such question. Provided, first, that no person convicted of felony shall have the right to vote unless he has been pardoned or restored to citizenship by the governor; provided, second, that nothing herein contained shall be construed to deprive any person of the right to vote who has such right at the time of the adoption of this constitution; provided, that after the expiration of five years from the time of the adoption of this constitution, no person except citizens of the United States shall have the right to vote."

(Material in brackets denotes cancelled type).

Mr. Speaker: We, your Committee on Public Health, Welfare and Safety, having had under consideration House Bill No. 94, respectfully report as follows: That House Bill No. 94 be amended as follows:

Be amended on page 1, line 4, through and including page 4, line 10, of the original bill by striking the material therein in its entirety and inserting in lieu thereof the following material,

“A bill for an act entitled: “An act to provide that any person who operates a motor vehicle in this state shall be deemed to have given consent to a chemical test or tests of blood, breath, saliva or urine for the purpose of determining the alcoholic content of his blood; specifying those persons who are qualified to withdraw blood for the purpose of determining the alcoholic content when requested by a law enforcement officer; providing that the person tested may have a qualified person administer a chemical test in addition to the one administered by the direction of the law enforcement officer; providing that the test results shall be made available to the person so tested upon his request; providing that the consent of a person incapacitated of refusing is not withdrawn; authorizing the Montana Highway Patrol Board to revoke the license of persons refusing to submit to a chemical test; providing that law enforcement officers must furnish board with affidavit of refusal; providing the person whose privilege to drive has been revoked with a hearing before the district court; providing interpretation of chemical tests; providing that proof of refusal shall be admissible in any criminal action; providing that this action shall not limit the introduction of other competent evidence; providing for short title; providing for constitutionality; repealing all acts or parts of acts in conflict herewith and providing for a notice statement to be contained in drivers' licenses and permits hereafter issued.”

Be it enacted by the Legislative Assembly of the State of Montana:

Section 1. Implied consent of driver of motor vehicle to submit to chemical testing to determine alcoholic content of blood. Any person who operates a motor vehicle upon the public highways of this state shall be deemed to have given consent subject to the provisions of this act to a chemical test or tests, of his blood, breath, saliva, or urine for the purpose of determining the alcoholic content of his blood. The test or tests shall be administered at the direction of a law enforcement officer after such officer shall have arrested such person on the charge of, and having reasonable grounds to believe that the person had been driving or in actual physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor. Such test or tests shall be administered by the closest available person who meets the qualifications hereinafter prescribed.

Section 2. Persons qualified to administer tests. Only a physician or a registered nurse acting at the request of a law enforcement officer may withdraw blood for the purpose of determining the alcoholic content therein. This limitation shall not apply to the taking of breath, saliva or urine specimen. The person tested may have a physician or a qualified technician, chemist or a registered nurse of his own choosing administer a chemical test or tests in addition to any administered at the direction of a law enforcement officer. The failure or inability to obtain an additional test by a person shall not preclude the admission, in a subsequent criminal action, of the test or tests taken at the direction of a law enforcement officer. Upon the request of the person who is tested, full information concerning the test or tests taken at the direc-

tion of the law enforcement officer shall be made available to him by the agency employing such officer.

Section 3. Consent of person incapable of refusal not withdrawn. Any person who is dead, unconscious or who is otherwise in a condition rendering him incapable of refusal, shall be deemed not to have withdrawn the consent provided by Section 1 of this act and the test or tests may be given.

Section 4. Revocation of privilege to drive motor vehicle upon refusal of arrested person to submit to chemical testing. If a person under arrest refuses to submit to chemical testing, none shall be given, but the Montana Highway Patrol Board, upon the receipt of a sworn report of the law enforcement officer that he had arrested such person upon suspicion that the arrested person had been driving or was in actual physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor, and that the person had refused to submit to the test or tests, may, if a resident, revoke his license or permit to drive and if a nonresident, his operating privilege for a period of up to one (1) year; or if the person is a resident without a license or permit to operate a motor vehicle in this state, the Montana Highway Patrol Board may deny to the person the issuance of a license or permit for a period of up to one (1) year after the date of the alleged violation, subject to review as hereinafter provided.

Section 5. Administrative hearing on request. Upon the written request of a person whose privilege to drive has been revoked or denied the Montana Highway Patrol Board shall grant such person an opportunity to be heard within twenty (20) days after the receipt of the request, but the request must be made within thirty (30) days after notice of revocation. The hearing shall be before the Montana Highway Patrol Board or its authorized agent, in the county wherein the alleged events occurred for which the person was arrested, unless the Montana Highway Patrol Board or its authorized agent and the person agree that the hearing may be held in some other county. The hearing shall be transcribed and its scope shall cover the issues of whether a law enforcement officer had reasonable grounds to believe the person had been driving or was in actual physical control of a vehicle upon the public highways while under the influence of intoxicating liquor, whether the person was placed under arrest and whether he refused to submit to the test or tests. Whether the person was informed that this privilege to drive would be revoked or denied if he refused to submit to the test or tests shall not be an issue. The Montana Highway Patrol Board or its authorized agent shall order either that the revocation or denial be rescinded or sustained. Such timely request for an administrative hearing is hereby declared to be a condition precedent to the right of judicial review.

Section 6. Judicial review. If the revocation or denial is sustained, the person whose license or permit to drive, or non-resident operating privilege has been revoked or denied, may file a petition within thirty (30) days after notice of the determination by the Montana Highway Patrol Board or its authorized agent for a hearing of the matter in the district court in the county wherein the alleged events occurred for which he was arrested or in the county in which the administrative hearing was held. It shall be the duty of the court to set the matter for hearing, and the petitioner shall give twenty (20) days notice thereof to and serve a copy of said petition upon the Montana Highway Patrol Board. Within fifteen (15) days after receipt of the notice and petition, the Montana Highway Patrol Board shall file in the office of the clerk of court to which the appeal is taken a certified transcript of the proceedings had before the Highway Patrol Board or its duly authorized agent, which transcript shall constitute the record on which appeal shall be determined. No additional evidence shall be heard. The court

shall affirm the decision of the Montana Highway Patrol Board or its authorized agent unless it finds the evidence insufficient to warrant the conclusion reached.

Section 7. Interpretation of chemical tests. Upon the trial of any civil or criminal action or proceeding arising out of acts alleged to have been committed by any person while driving or in actual physical control of a motor vehicle while under the influence of intoxicating liquor, evidence of the amount of alcohol in the person's blood at the time of the act alleged as shown by a chemical analysis of his blood, breath, saliva or urine is admissible. For the purpose of this section:

(a) If there was at that time 0.05 per cent or less by weight of alcohol in the defendant's blood, it shall be presumed that the defendant was not under the influence of intoxicating liquor:

(b) If there was at that time in excess of 0.05 per cent but less than 0.15 per cent by weight of alcohol in the defendant's blood, such fact shall not give rise to any presumption that the defendant was or was not under the influence of intoxicating liquor, but such fact may be considered with other competent evidence in determining the guilt or innocence of the defendant:

(c) If there was at that time 0.15 per cent or more by weight of alcohol in the defendant's blood, it shall be presumed that the defendant was under the influence of intoxicating liquor:

(d) Percent by weight of alcohol in the blood shall be based upon milligrams of alcohol per one hundred (100) milligrams of blood.

Section 8. Proof of refusal admissible in any criminal action or proceeding. If the person under arrest refused to submit to the test or tests, as hereinabove provided, proof of refusal shall be admissible in any criminal action or proceeding arising out of acts alleged to have been committed while the person was driving or in actual physical control of a motor vehicle upon the public highways while under the influence of intoxicating liquor.

Section 9. Effect of evidence of chemical tests. The provisions of this act do not limit the introduction of any other competent evidence bearing on the question of whether the person was under the influence of intoxicating liquor.

Section 10. Notice. Each driver's license or permit to drive hereafter issued by the State of Montana shall contain a statement notifying the licensee or permittee that the license or permit may be revoked for a period of up to one year, if, after arrest and upon proper demand, he refused to submit to chemical testing as provided in this act.

Section 11. Establishment of forms and operating procedures. The Montana Highway Patrol Board shall prepare forms and establish reasonable operating procedures, where necessary, to comply with the purposes of this act.

Section 12. Short title. This act shall be cited as the Chemical Test for Intoxication Act.

Section 13. Constitutionality. If any provision of this act or the application thereof to any person or circumstance is held invalid, the invalidity shall not affect other provisions or applications of the act which can be given effect without the invalid provision or application and to this end the provisions of this act are declared to be severable.

Section 14. That all acts or parts of acts in conflict herewith are hereby repealed."

And as amended, do pass.

Report adopted.

February 1, 1969

Mr. Speaker: We, your Committee on Public Health, Welfare and Safety, having had under consideration House Bill No. 234, respectfully report as follows: That House Bill No. 234 be amended as follows:

Amend on page 1, line 6, in the title of the original bill after the word "THE" insert the following words, "SALE AND"; and further amend page 1, line 6 in the title of the original bill following the word "AIDS" by omitting the punctuation "." and inserting in lieu thereof the following material "; to provide for the regulation of selling and fitting hearing aids to the public; and to provide for penalties for violation of the act.";

And be further amended by omitting all the material following the enacting clause and inserting in lieu thereof the following material:

"Section 1. Declaration of Policy. The selling and fitting of hearing

aids is hereby declared to affect the public health and welfare and is subject to regulation and control in the public interest. This act shall be liberally construed to carry out the objects and purposes hereinafter described in accordance with this declaration of policy.

Section 2. There is hereby created a board to be known as "Montana Board of Hearing Aid Dispensers."

Section 3. As used in this act, unless the context clearly indicates otherwise;

(1) "Board" means the Montana Board of Hearing Aid Dispensers.

(2) "License" means a regular or temporary license.

(3) "Hearing Aid" means any instrument or device designed for or represented as aiding or improving defective human hearing and any parts, attachments or accessories of such an instrument or device.

(4) "Practice of dispensing and fitting hearing aids" means the evaluation or measurement of the powers or range of human hearing by means of an audiometer and a visual examination of the ear and canal or by any other means devised and the consequent selection, or adaption, or sale of hearing aids intended to compensate for hearing loss, including eyeglass hearing aids and their fittings, and the making of an impression of the ear, but will not include batteries, cords, or accessories.

Section 4. (1) The Board shall consist of five (5) members. Three (3) of the members shall be qualified dispensers and fitters of hearing aids for at least five (5) years prior to appointment to the Board, one (1) member of the Board shall hold, or be eligible for, a certificate of qualification for the American Board of Otolaryngology, and one (1) member of the Board shall hold, or be eligible for, a certificate of clinical competence in audiology from the American Speech and Hearing Association.

(2) The governor shall appoint (1) member each from lists of nominees submitted to him by the Montana Academy of Otoophthalmology, and the Montana Speech and Hearing Association who shall serve for four (4) and five (5) years respectively. He shall choose three (3) members from a list of nominees submitted to him by the Montana Hearing Aid Dealers' Society; initially one (1) member from this list shall serve for three (3) years, one (1) member for two (2) years, and one (1) member for one (1) year. Each successive Board member shall be appointed for a term of three (3) years.

(3) If a vacancy occurs on the Board, the Governor shall appoint a person to serve the unexpired term from the same list that the member was chosen whose term was not completed.

(4) Members of the Board shall annually designate one (1) member to serve as chairman and another member to serve as secretary-treasurer.

(5) No member of the Board may be reappointed within one (1) year after the expiration of his second consecutive full term of office.

(6) The Governor shall appoint one (1) alternate Board member from each of the three lists to serve when a regular Board member cannot attend a scheduled meeting.

Section 5. The powers and duties of the Board are to:

(1) Authorize all disbursements necessary to carry out the provisions of this act;

(2) Supervise and administer qualifying examinations to test the proficiency and knowledge of applicants for a license;

(3) License persons who apply to the Board and who are qualified to practice the fitting of hearing aids;

(4) Issue and renew licenses pursuant to this act;

(5) Establish a procedure to act as a grievance board to receive, investigate, and mediate complaints from any source concerning the activities of persons licensed under this act, or their agents whether licensed or not.

(6) Suspend or revoke licenses pursuant to this act;

(7) Appoint representatives to conduct or supervise the examination of applicants for license;

(8) Designate the time and place for examining applicants for license;

(9) Make and publish rules not inconsistent with the laws of this state which are necessary to carry out the provisions of this act;

(10) Require the periodic inspection and calibration of audiometric testing equipment and carry out periodic inspections of facilities of persons who practice the fitting or selling of hearing aids;

(11) Prepare all examinations required by the act;

(12) Employ and fix the compensation of personnel necessary to carry out the provisions of this act.

(13) To initiate legal action to enjoin from operation, any person or corporation engaged in the sale and fitting of hearing aids in Montana, who is not licensed under the provisions of this act.

Section 6. The Board shall meet at least once each year at a place and time determined by the chairman and at such other times and places specified by the chairman to carry out the purposes of this act. Three (3) members, including either the otolaryngologist or the audiologist, shall constitute a quorum.

Section 7. No person shall engage in the sale or practice of dispensing and fitting hearing aids or display a sign or in any other way advertise or hold himself out as a person who practices the dispensing and fitting of hearing aids unless he holds a current regular or temporary license issued by the Board.

Section 8. (1) Any person who practices the fitting or dispensing of hearing aids shall deliver to each person supplied with a hearing aid, by him or at his order or direction, a bill of sale which shall contain the seller's signature, and show the name and address of his regular place of business and the number of his license together with a description of the make and type of the hearing aid furnished and the amount charged, with terms of guarantee, if any. The bill of sale shall also reveal the condition of the hearing device and whether it is new, used, or reconditioned.

(2) Any person practicing the fitting and sale of hearing aids shall, when dealing with a person eighteen (18) years of age and under or when the aid is to be purchased with state funds, ascertain if the person has been examined by an otolaryngologist within ninety (90) days prior to the fitting and shall obtain his recommendations. If such not be the case, a recommendation to do so must be made to the purchaser and this fact be noted on the receipt.

(3) Such receipt must bear, in no smaller type than the largest used in the body portion, the following: Any examination (s) or representation (s) made by a licensed hearing aid dealer and fitter in connection with the fitting and selling of this hearing aid (s) is not an examination, diagnosis, or prescription by a person licensed to practice medicine in this state and therefore, must not be regarded as medical opinion or advice.

Section 9. (1) This act does not apply to a person who is a physician licensed to practice by the Board of Medical Examiners of the State of Montana.

(2) This act does not apply to a person while he is engaged in the practice of fitting hearing aids if his practice is part of the academic curriculum of an accredited institution of higher education, or part of a program conducted by a public agency or by a charitable or nonprofit organization which is primarily supported by voluntary contributions, unless they sell hearing aids.

Section 10. An applicant for a license shall pay a fee of fifty dollars (\$50) and shall show to the satisfaction of the Board that he:

(1) is a person of good moral character;

(2) has an education equivalent to a four (4) year course in an accredited high school, or has continuously engaged in the practice of fitting and dispensing hearing aids during the three (3) years preceding the date of application;

(3) is free of contagious or infectious disease.

Section 11. (1) An applicant for a license who is notified by the Board that he has fulfilled the requirements of section 9 of this act shall appear at a time, place, and before such persons as the Board may designate, to be examined by written and practical tests in order to demonstrate that he is qualified to practice the fitting of hearing aids.

(2) The Board shall give examinations as required to permit applicants to be examined within thirty (30) days following the Board's approval of application for examination. Examination may be delayed upon due notice to the Board, within the provisions of section 11.

Section 12. The examination provided in subsection (1) of section 11 of this act shall consist of a test of knowledge and practical tests of proficiency where they apply in the following areas as they pertain to the fitting of hearing aids.

(1) Acoustics:
General Principles
The Decibel
Hearing and Speech

(2) The Human Ear:
External

 - Earmold
- (10) Delivery and Checkup:
- (11) or any change as deemed necessary by the Board.

Section 13. Every person engaged in the practice of fitting and dispensing of hearing aids upon the effective date of this act shall be registered and given a license by the Board if he shall present satisfactory evidence to the Board that he has been actively engaged in the practice of fitting and dispensing hearing aids in the state of Montana.

Section 14. (1) An applicant who fulfills the requirements of section 10 but does not fulfill the requirements of section 13 of this act and who has not previously applied to take the examination provided under section 11 of this act may apply to the Board for a temporary license.

(2) Upon receiving an application provided under subsection (1) of this section, accompanied by a fee of twenty-five dollars (\$25), the Board shall issue a temporary license which shall entitle the applicant to practice the fitting and dispensing of hearing aids for a period ending thirty (30) days after the conclusion of the next examination given after the date of issue.

(3) No temporary license shall be issued by the Board unless the applicant shows to the satisfaction of the Board that he is, or will be, supervised and trained by a person who holds a valid license issued under this act.

(4) If a person who holds a temporary license does not take the next examination given after the date of issue, the temporary license shall not be renewed, except for a good cause shown to the satisfaction of the Board.

(5) If a person who holds a temporary license takes and fails to pass the next examination given after the date of issue, the Board may renew the temporary license for a period ending thirty (30) days after the results of the next examination given after the dates of renewal are announced. In no event shall more than two (2) renewals be permitted. The fee for renewal shall be thirty dollars (\$30).

Section 15. (1) A person who obtains a license to dispense hearing aids as a business must have a permanent place of business that will be opened to serve the public, having the necessary testing, fitting and hearing aid accessories needed by the hard of hearing public in the wearing of hearing aids.

(2) Subsection (1) of this section does not apply to persons who obtain a license as sales people representing a licensed hearing aid dispenser.

(3) The Board shall keep a record of the places of practice of persons who hold a regular license or temporary licenses. Any notice required to be given by the Board to a person who holds a regular or temporary license may be given by mailing it to him at the address last given by him to the Board.

Section 16. A person who practices the fitting of hearing aids shall

annually pay to the Board a fee of fifty dollars (\$50) for a renewal of his license. A thirty (30) day grace period shall be allowed after expiration of a license, during which it may be renewed on payment of a fee of fifty-five dollars (\$55) to the Board. After the expiration of the grace period, the Board may renew a license upon payment of sixty dollars (\$60) to the Board. No person who applies for renewal, whose license was suspended for failure to renew, shall be required to submit to any examination as a condition of renewal for a three (3) year period after suspension.

Section 17. Any person registered under this act may have his license revoked or suspended for a fixed period to be determined by the Board for any of the following causes:

(1) Being convicted of a felony. The record of the conviction or a certified copy from the clerk of the court where the conviction occurred or by the judge of the court, shall be sufficient evidence to warrant revocation or suspension, provided that the person has not been pardoned by a Governor or the President of the United States.

(2) By securing a license under this act through fraud or deceit or false statements.

(3) For the personal use of a false name or alias in the practice of his profession, with fraudulent intent.

(4) For violating any of the provisions of this act.

(5) For obtaining any fee or making any sale by fraud or misrepresentation.

(6) Knowingly employing directly or indirectly any suspended or unlicensed person to perform any work covered by this act.

(7) Using or causing or promoting the use of any advertising matter, promotional literature, testimonial, guarantee, warranty, label, brand, insignia or any other representation however disseminated or published, which is improbable, misleading, deceptive, or untruthful.

(8) Representing that the services or advice, of a person licensed to practice medicine, or possessing certification as an audiologist, will be used or made available in the selection, fitting, adjustment, maintenance or repair of hearing aids when that is not true, or using the terms "doctor", "clinic", "state registered", or other like words, abbreviations or symbols which tend to connote the medical profession when that use is not accurate. The terms "hearing center" shall be discontinued in accordance with the code of ethics of the National Hearing Aid Society.

(9) Permitting another to use his license or certificate.

(10) To defame competitors by falsely imputing to them dishonorable conduct, inability to perform contracts, questionable credit standing, or by other false representations, or falsely to disparage the products of competitors in any respect, or their business methods, selling prices, values, credit terms, policies or services.

(11) To obtain information concerning the business of a competitor by bribery of an employee or agent of such competitor, by false or misleading statements or representations, by the impersonation of one in authority, or by any other lawful means.

(12) To directly or indirectly give, or offer to give, or permit or cause to be given money or anything of value to any person who advises another in a professional capacity as an inducement to influence others to purchase or contract to purchase products sold or offered for sale by a hearing aid dispenser, or to influence persons to refrain from dealing in the products of competitors.

(13) Unethical conduct or gross incompetence or negligence in the performance of his duties, including repeated failure to make indicated medical referrals of his customers.

(14) Selling a hearing aid to a person who has not been given tests utilizing appropriate established procedures and instrumentation in fitting of hearing aids, except in cases of selling replacement hearing aids.

Section 18. A business dispensing hearing aids may be sold provided the new owners comply with all the provisions of this act.

Section 19. Whenever the Board determines that another state or jurisdiction has requirements equivalent to or higher than those in effect pursuant to this act for the practice to fit and sell hearing aids, and that such state or jurisdiction has a program equivalent to or stricter than the program for determining whether applicants pursuant to this act are qualified to dispense and fit hearing aids, the Board may issue a license to applicants who hold current, unsuspended and unrevoked licenses to fit and sell hearing aids in such other state or jurisdiction. No such applicants for a license pursuant to this subsection shall be required to submit to or undergo a qualifying examination, or the like, other than the payment of fees, provided the person complies with all other requirements of this act.

Section 20. (1) All fees including examination fees, license fees, renewal fees, fines, penalties and other payments, shall be deposited in the state general fund. The legislative assembly shall make appropriations out of the general fund for proper expenditures of the Board, and no expenditure shall be made by the Board until appropriation therefor has been made by the legislative assembly. Funds for operation of the Board shall be disbursed under the general budgetary laws of the state.

(2) Each member of the Board shall receive twenty-five dollars (\$25) per diem expenses when actually engaged in the discharge of his official duty, and in addition shall also be reimbursed for all reasonable and necessary travel expense in attending any meeting of the Board within the state.

Section 21. (1) Any person who practices the fitting or dispensing of hearing aids without a valid license shall be guilty of a misdemeanor and upon conviction be fined not more than five hundred dollars (\$500), or by imprisonment for not more than ninety (90) days, or both.

(2) The Board may enforce any provision of this act by injunction or by any other appropriate proceeding.

Section 22. (1) No license issued pursuant to this act may be suspended, revoked, denied or renewal denied without a hearing, if requested by the applicant, on due notice to the Board within thirty (30) days after notice of the license being suspended, revoked or renewal denied.

(2) Any person aggrieved by a final decision of the Board denying, revoking, or suspending a license may obtain review of the decision in the nature of an appeal in accordance with the provisions of this act on appeals.

Section 23. (1) Thirty-one (31) days or sooner after the mailing of notice of a decision by the Board, any party in interest who appeared before the Board in connection with the matter may petition the assigned district court in the judicial district of the residence of the petitioner for the review of questions of law involved in the decision in the manner provided by law.

(2) The petitioner shall serve a copy of the petition and the accompanying papers upon the Board eight (8) days or more prior to the date for which the application for relief is noticed, unless a shorter time is prescribed by an order to show cause granted by the court to which application is made.

(3) The Board shall certify to the court in which the proceeding is

pending questions of law involved in its decision. In making his decision, the judge of the district court may consider evidence outside the record.

(4) The proceeding to review and the questions certified are entitled to a preference. It is not necessary to file exceptions to the rulings of the Board.

(5) Upon final determination of the proceeding to review, the Board shall enter a decision in accordance with the court determination.

(6) A record of all decisions of the Board, properly indexed, shall be open to public inspection at all times during business hours.

Section 24. It is the intent of the legislative assembly that if part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications.

Section 25. This act is effective on its passage and approval."

And as amended, do pass.

A RESOLUTION OF THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING CONGRESS AND PARTICULARLY MONTANA'S CONGRESSIONAL DELEGATION TO ENACT LEGISLATION TO REINSTATE THE "SILVER" DOLLAR AS A MINTED COIN.

WHEREAS, when the Treasury Department of the United States of America refused to mint additional silver dollars they eliminated a long standing tradition and way of life in Montana, that of dealing with silver dollars, and

WHEREAS, Montana's citizenry through letter, petition and other formal requests for the additional minting of silver dollars to the United States government, have been denied, and

WHEREAS, the citizenry of Montana still wish to have silver dollars available as coins for the purpose of barter and trade in Montana, and

WHEREAS, there has been suggested by outgoing Secretary of Treasury Joseph W. Barr that copper-nickel dollars be minted of the same diameter and thickness and appearance as the real silver dollars, and

WHEREAS, Montanans would prefer real silver dollars minted and cir-

culated but feel that even the copper-nickel dollar is better than none, and

WHEREAS, Montana produces all minerals—copper, nickel and silver, and the minting and producing of copper, nickel or silver dollars would boost Montana's economy, and employment of Montanans, and

WHEREAS, because Montanans feel the loss of the silver dollar and desire this coin be placed in circulation and Montana's economy will be improved through the production of the silver dollar or copper-nickel dollar; and

WHEREAS, either real silver dollars or copper-nickel dollars circulated will outlast paper dollars and thereby cause a savings in the costs of distribution because of lack of replacement costs.

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That Congress be requested to enact the necessary legislation to produce and mint in sufficient quantities, copper-nickel or silver dollars to adequately serve the state of Montana and others desiring such coinage, and that this request be given the highest priority from the Ninety-First Congress.

BE IT FURTHER RESOLVED, that copies of this Resolution be sent to the President of the United States, to Montana's Congressional Delegation, and to the Secretary of the United States Treasury.

HOUSE BILL NO 400

Introduced by Stratton, Healy, Perry, Goan, Schoonover, Cranston, Pierce, Aspevig, Eggebrecht, Kvaalen, Fagg and Watt

A bill for an act entitled: "An act to submit to the qualified electors of Montana an amendment to Article XIX of the Constitution of Montana making lawful the conducting of certain games of chance by certain nonprofit organizations and prescribing restrictions therefor."

Be it enacted by the Legislative Assembly of the State of Montana:

Section 1. Article XIX of the Constitution of Montana is amended to read as follows:

Notwithstanding the provisions of Section 2, Article XIX, games of chance as herein provided shall be lawful from and after January 1, 1971.

No game of chance shall be conducted by any person, firm or organization, unless a license as herein provided shall have been issued to the firm or organization conducting such games of chance. The state board of equalization, shall, upon application therefor on such forms as shall be prescribed by that body, and upon the payment of an annual fee of not less than twenty-five dollars (\$25), issue a license for the conducting of games of chance to any bona fide chartered branch or lodge or chapter of a national or state organization, or to any bona fide religious, charitable, labor, fraternal, educational, voluntary firemen's or veteran's organization, which operates without profit to its members and which has been in existence continuously for a period of five (5) years immediately prior to the making of said application for such license and has had during the entire five (5) year period a membership engaged in carrying out the objects of said corporation or organization, and to county fair commissions, such license to expire at the end of each calendar year in which it was issued.

The license issued by the board of equalization shall authorize and permit the licensee to conduct games of chance, restricted to the distribution of rights to participate for a consideration and the awarding of prizes in the specific kind of game of chance commonly known as bingo, in which prizes are awarded on the basis of designated numbers or symbols on a card conforming to numbers or symbols selected at random, and in the specific game of chance commonly known as raffles conducted by the drawing of prizes or the allotment of prizes by chance for a consideration.

Such games of chance shall be subject to the following restrictions:

1. The entire net proceeds from any game shall be exclusively devoted to the lawful purposes of organizations permitted to conduct such games which shall be limited to educational, charitable, patriotic, religious or public spirited purposes.

2. No person except a bona fide member of said organization may participate in the management or operation of any such game.

3. No person may receive any remuneration, including salary, or

profit from participating in the management or operation of any such game.

This section is self-enacting, but laws shall be enacted supplementary to and in pursuance of, but not contrary to, the provisions hereof.

Section 2. When this amendment is submitted to the electors of the State of Montana there shall be printed on the ballot the full title, section one of this act and the following words:

☐ For the Amendment

HOUSE RESOLUTION NO. 2

INTRODUCED BY

STRATTON, NUGENT, HARRISON, McGRATH, FAGG

A RESOLUTION OF THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA REQUESTING THE LEGISLATIVE COUNCIL TO CONDUCT A STUDY OF STATE LAWS AFFECTING LOCAL GOVERNMENT IN MONTANA

WHEREAS, local government in Montana, as elsewhere in the nation, is facing problems directly related to shifts in population and rising costs of providing essential services; and

WHEREAS, the power and resources of local governments are frequently inadequate to provide services assigned to them; and

WHEREAS, the great number of bills relating to local governments which are introduced each session of the legislature create a need for the members of the legislature to have access to comprehensive background information with which to measure the specific proposals of each bill; and

WHEREAS, local units of government are created by the state, and derive their powers, responsibilities, and means to meet these responsibilities from the state.

NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the Legislative Council is requested to conduct a comprehensive study of Montana state law affecting local government, including but not limited to:

(1) The availability, quality, cost and revenue base of local government services and controls in Montana provided by counties, municipalities, and special districts.

(2) Local governmental problems arising from decreasing population in some areas, increasing population in others, and movement of people into suburban areas.

BE IT FURTHER RESOLVED, that the Legislative Council make full use of all available appropriate research facilities and resources; and

BE IT FURTHER RESOLVED, that the Legislative Council report its findings to the Forty-second Legislative Assembly together with any recommendations for improvements in state laws affecting structure, powers, and finance of local governments, along with any necessary legislation; and

BE IT FURTHER RESOLVED, that the chief clerk of the House of Representatives send a copy of this resolution to the Executive Director of the Legislative Council.

Mr. Speaker: We, your Committee on Business and Industry, having had under consideration House Bill No. 160, respectfully report as follows: That House Bill No. 160 be amended as follows:

Section 2.404, page 48, line 6, of the original bill, strike the whole section thereof in its entirety following the words and figures "Section 2.404." and inserting in lieu thereof the following:

"When Assignee Not Subject to Defenses. (1) With respect to a consumer credit sale or consumer lease, other than a sale or lease primarily for an agricultural purpose, an agreement by the buyer or lessee not to assert against an assignee a claim or defense arising out of the sale or lease is enforceable only by an assignee not related to the seller or lessor who acquires the buyer's or lessee's contract in good faith and for value, who gives the buyer or lessee notice of the assignment as provided in this section and who, within 3 months after the mailing of the notice or assignment, receives no written notice of the facts giving rise to the buyer's or lessee's claim or defense. This agreement is enforceable only with respect to claims or defenses which have arisen before the end of the 3-month period after notice was mailed. The notice of assignment shall be in writing and addressed to the buyer or lessee, the name and address of the assignee, the amount payable by the buyer or lessee and the number, amounts and due dates of the installments, and contain a conspicuous notice to the buyer or lessee that he has 3 months within which to notify the assignee in writing of any complaints, claims or defenses he may have against the seller or lessor and that if written notification of the complaints, claims or defenses is not received by the assignee within the 3-month period, the assignee will have the right to enforce the contract free of any claims or defenses the buyer or lessee may have against the seller or lessor which have arisen before the end of the 3-month period after notice was mailed.

(2) An assignee does not acquire a buyer's or lessee's contract in good faith within the meaning of subsection (1) if the assignee has

knowledge or, from his course of dealing with the seller or lessor or his records, notice of substantial complaints by other buyers or lessees of the seller's or lessor's failure or refusal to perform his contracts with them and of the seller's or lessor's failure to remedy his defaults within a reasonable time after the assignee notifies him of the complaints.

(3) To the extent that under this section an assignee is subject to claims or defense of the buyer or lessee against the seller or lessor, the assignee's liability under this section may not exceed the amount owing to the assignee at the time the claim or defense is asserted against the assignee and rights of the buyer or lessee under this section can only be asserted as a matter of defense to or set-off against a claim by the assignee.

Be further amended in Section 3.508, page 95, line 13, of the original bill, adding at the end of subsection (6) an additional subsection to be designated as subsection (7) to read as follows:

"(7) Notwithstanding subsection (2), a supervised lender may contract for and receive a loan finance charge of not more than \$5 when the amount of the loan does not exceed \$75 or not more than \$7.50 when the amount financed exceeds \$75."

Be further amended: "Section 4.106, page 100, subsection (2) line 26, after the word "is" and before the word "unconscionable." strike the words "[in itself]"

Be further amended: Section 6.111, page 127, subsection (4) line 20, after the word "not" strike the words "[in itself]"

(Material in brackets denotes cancelled type.)

And as so amended, do pass.

Report adopted.

HOUSE BILL NO. 257

Introduced by McGrath

A bill for an act entitled: "An act to submit to the qualified electors of the State of Montana an amendment to Section 2 of Article VII of the Constitution of the State of Montana, relating to the election of the officers of the executive department of the government of the State of Montana and providing that the candidates for Governor, Lieutenant-Governor of each each political party shall be arranged on the ballot so that the electors must vote for the Governor and Lieutenant-Governor as a unit and may not vote for the Governor or Lieutenant-Governor separately."

Be in Enacted by the Legislative Assembly of the State of Montana:

Section 1. That the Constitution of the State of Montana be amended as hereinafter provided and that the question of such amendment be submitted to the qualified electors of the State of Montana for their approval or rejection at the general election to be held in November, 1970.

Section 2. That Section 2 of Article VII of the Constitution of the State of Montana be and the same is hereby amended to read as follows:

"Section 2. The officers provided for in Section 1 of this Article, shall be elected by the qualified electors of the state at the time and place of voting for members of the legislative assembly, and the persons respectively, having the highest number of votes for the office voted for shall be elected; provided, however, that names of the candidates for Governor and Lieutenant-Governor of each political party shall be so arranged on the ballot that the electors must vote for the Governor and Lieutenant-Governor as a unit and may not vote for the Governor or Lieutenant-Governor separately. [but if]

(Material in brackets denotes cancelled type.)

If two or more shall have an equal and the highest number of votes for any one of said offices, the two houses of the Legislative Assembly, at its next regular session, shall forthwith by joint ballot, elect one of such persons for said office, provided that the Governor and Lieutenant-Governor thus elected by the two houses of the Legislative Assembly shall be of the same political party. The returns of election for the officers named in Section 1 shall be made in such manner as may be prescribed by law, and all contested elections of the same, other than provided for in this section, shall be determined as may be prescribed by law."

Section 3. Separate official ballots shall be provided at the general election to be held in November, 1970, which shall have printed thereon, "Constitutional Amendment to provide that the Governor and Lieutenant-Governor shall be of the same political party," followed by all of Section 2 of Article VII of the Constitution of the State of Montana as proposed by this act. There shall also be printed on said official ballot, below the said section, squares and words as follows:

- ☐ For the foregoing Amendment to the Constitution.
- ☐ Against the foregoing Amendment to the Constitution.

Each elector who approves this amendment shall mark an "X" in the first square above printed and each elector who rejects it shall mark an "X" in the second square.

Section 4. The votes cast for and against this amendment above proposed, shall be counted, canvassed, and determined by such officials, and in such manner as provided by law, and if a majority of all votes cast at such election for and against such amendment shall be in favor of such amendment, the Governor of the state shall so declare by public proclamation and the amendment shall be in full force and effect as a part of the Constitution from and after the date of such proclamation.

“Section 1. 84-301, R.C.M. 1947 is amended to read as follows:

‘84-301. Classification of property for taxation. For the purpose of taxation the taxable property in the state shall be classified as follows:

Class One. The annual net proceeds of all mines and mining claims, after deducting only the expenses specified and allowed by Section 84-5403; also where the right to enter upon land, to explore or prospect, or dig for oil, gas, coal or mineral is reserved in land by any person or corporation, the surface title to which has passed to another, the assessor and the state and county boards of equalization shall determine the value of the right to enter upon said tract of land for the purpose of digging, exploring, or prospecting for gas, oil, coal or minerals, and the same shall be placed in this classification for the purpose of taxation.

Class Two. All household goods and furniture, including clocks, musical instruments, sewing machines, wearing apparel of members of the family, and all personal property actually used by the owner for personal and domestic purposes, or for the furnishing or equipment of the family residence, all agricultural and other tools, implements and machinery, gas and other engines and boilers, threshing machines and outfits used therewith, automobiles, motor trucks and other power-driven cars, vehicles of all kinds except mobile homes, boats and all watercraft, harness, saddlery and robes.

Class Three. Livestock, poultry and the unprocessed products of both; stocks of merchandise of all sorts, together with furniture and fixtures used therewith, except mobile homes; and all office or hotel furniture and fixtures.

Class Four. (a) All land, town and city lots, with improvements, and all trailers affixed to land owned, leased, or under contract or purchase, by the trailer owner, manufacturing and mining machinery, fixtures and supplies, except as otherwise provided by the Constitution of Montana, and except as such property may be included in Class Five or Class Seven.

(b) Mobile homes without regard to the ownership of the land upon which they are situated, except those held by a distributor or dealer of mobile homes as part of his stock in trade.

Class Five. (a) All moneys and credits, secured or unsecured, including all state, county, school district and other municipal bonds, warrants and securities, without any deduction or offset; provided, however, that the terms ‘moneys and credits’ as herein used shall not embrace the moneyed capital employed in the banking business by any banking corporation or individual in this state.

(b) All poles, lines, transformers, transformer stations, meters, tools, improvements, machinery and other property used and owned by co-operative rural electrical and co-operative rural telephone associations organized under the laws of Montana.

(c) All unprocessed agricultural products either on the farm or in storage, irrespective of whether said products are owned by the elevator,

warehouse or flour mill owner or company storing the same, or any other person whomsoever, and excepting livestock and poultry and the unprocessed products of both.

Class Six. Property formerly included in this class is now classified by Section 84-308 of the Revised Codes of Montana, 1947.

Class Seven. (a) All new industrial property. New industrial property shall mean any new industrial plant, including land, buildings, machinery and fixtures which, in the determination of the State Board of Equalization, is used by a new industry during the first three (3) years of operation not having been assessed prior to July 1, 1961 within the state of Montana. New industry shall mean any person, corporation, firm, partnership, association, or other group which establishes a new plant or plants in this state for the operation of a new industrial endeavor, as distinguished from a mere expansion, reorganization, or merger of an existing industry or industries. Provided, however, that new industrial property shall be limited to industries that manufacture, mill, mine, produce, process or fabricate materials, or do similar work in which capital and labor are employed and in which materials unserviceable in their natural state are extracted, processed or made fit for use or are substantially altered or treated so as to create commercial products or materials; and in no event shall the term new industrial property be included to mean property used by retail or wholesale merchants, commercial services of any type, agriculture, trades or professions. And provided further, that new industrial property shall not be included to mean property which is used or employed in any industrial plant which has been in operation in this state for three (3) years or longer. Any person, corporation, firm, partnership, association or other group seeking to qualify its property for inclusion in this class shall make application to the State Board of Equalization in such manner and form as may be required by said board.

(b) Freeport merchandise. Freeport merchandise means those stocks of merchandise manufactured or produced outside this state which are in transit through this state and consigned to a warehouse or other storage facility, public or private, within this state, for storage in transit prior to shipment to a final destination outside the state, and which have acquired a taxable situs within the state.

Stocks of merchandise do not lose their status as freeport merchandise because while in the storage facility they are assembled, bound, joined, processed, disassembled, divided, cut, broken in bulk, relabeled or repackaged.

Any person, corporation, firm, partnership, association, or other group seeking to qualify its property for inclusion in this class shall make application to the State Board of Equalization in such manner or form as may be required by said board.

The State Board of Equalization shall establish standards, rules and regulations for the guidance of county assessors and assessing freeport merchandise.

Class Eight. Any improvement on real property valued at not more than [fifteen thousand dollars (\$15,000)] seventeen thousand five hundred dollars (\$17,500), which is owned and actually occupied by a widow, with or without minor or dependent children, or by:

(Material in brackets denotes cancelled type.)

(1) a widow sixty-two (62) years of age or older, whether with or without minor dependent children, or

(2) a widower sixty-five (65) years of age or older, whether with or without minor dependent children, or

(3) a widow with minor or dependent children regardless of age, or

(4) a recipient of retirement benefits [not exceeding one hundred fifty dollars (\$150) per month, if single, or two hundred fifty dollars (\$250) per month if married. Provided such owner and occupier is not gainfully employed to such an extent as would render him or her ineligible for social security benefits, should he or she be otherwise eligible for such benefits, and does not have income from all sources, excluding retirement benefits as mentioned in (4) hereinabove, in excess of one thousand five hundred dollars (\$1,500) per year.] whose income from all sources is not more than three thousand three hundred dollars (\$3,300) for a single person and four thousand five hundred dollars (\$4,500) for a married couple per annum. Provided, further, that one who applies for classification of property under this class must make an affidavit before the county assessor of the county in which said property is located, on a form as may be provided by the State Board of Equalization supplied without cost to the applicant, as to his income, if applicable, as to his retirement benefits, if applicable, or, as to his marital status, if applicable, and to the fact that he or she actually occupies such improvements with right of the county welfare board to investigate the applicant, on the completion of the form, as to answers given on the form. Provided, further, that the value of said property shall not increase during the life of the recipient of retirement benefits or widow or widower covered under this class.

(Material in brackets denotes cancelled type.)

Class Nine. All property not included in the eight (8) preceding classes."

Amend House Bill No. 351, page 2, line 28 of the original bill, being page 3, line 48 of the printed bill by striking subsection "C" in its entirety.

And as amended be moved to the bottom of the list.

That House Bill No. 336 do pass.

That House Bill No. 288 be amended in section 6, page 8, line 29 of the original bill, being section 6, page 9, line 89 of the printed bill, after the word "for" by adding the words "livestock or"

And as so amended, do not pass.

That House Bill No. 312 be amended in the line above the Title after the figure "9" to strike the letter "e", and in line one of the Title of the original bill, being line two in the printed bill after the figure "9", strike the letter "e"

And to further amend section 1 on line 16 of the original bill, being line 1 of the printed bill after the number "9" strike the letter "e" and as so amended, do pass.

That House Bill No. 495 do pass.

That House Bill No. 499 do pass.

That House Bill No. 383 be passed for the day.

That Senate Bill No. 224 be concurred in.

That House Bill No. 509 be amended on line 56, page 3 of the printed bill, being line 18, page 3, of section 3 of the original bill, by striking the word "twenty" and inserting in lieu thereof the word "thirty" and by striking the parenthesis, the letters 20, the character % and the closing parenthesis,

And as so amended do pass.

That consideration of House Bill No. 351 be passed for the day.

That the Committee rise and report.

Mr. Speaker: We, your Committee on Agriculture and Irrigation, having had under consideration House Bill No. 355, respectfully report as follows: That House Bill No. 355 be amended as follows:

Be amended in the title at page 1, lines 10 and 11 of the original bill by deleting the word "repealing" in line 10 and inserting in lieu thereof the word "amending", and by deleting the words "excepting commercial irrigation ditches" in line 11 and inserting in lieu thereof the words "authorizing a city or town to create a special improvement district for the purpose of protecting the public from open ditches";

Be further amended in Section 4, page 2, line 19 by deleting the word "repealed" and inserting in lieu thereof the following words:

"amended to read as follows:

This Act does not apply to ditches carrying water used for commercial irrigation purposes. However, whenever the public interest or convenience may require, a city or town is hereby authorized and empowered to create a special improvement district for the purpose of building, constructing, acquiring by purchase, and maintaining, devices intended to protect the safety of the public from open ditches carrying water. After the devices have been built or purchased and installed the City Council shall continue to be responsible for the safety and maintenance of said devices or improvements. Such devices or improvements shall provide access to, and shall not be constructed so as to hinder the operation and maintenance of the ditch. The owner or owners of open ditches carrying irrigation or other water, shall not be included in any special improvement district under this act for the purpose of assessment to support the special improvement districts for the installation, repair, or maintenance of any protective devices."

And as amended, do pass.

HEMSTAD, Chairman

Report adopted.

February 8, 1969

Mr. Speaker: We, your Committee on State Administration, having had under consideration House Bill No. 118, respectfully report as follows: That House Bill No. 118 be amended as follows:

Amend by inserting a key at the top of page 1 to read as follows: "53-501, 53-503, 53-504, 53-505."

Amend the title by omitting the following on page 1, lines 5 and 6 of the original bill, being lines 2 and 3 of the title in the printed bill: "and for the storage and maintenance of state owned vehicles" and inserting in lieu thereof the following: ", amending Sections 53-501, 53-503 and 53-504, R.C.M. 1947, and repealing Section 53-505, R.C.M. 1947".

Amend the bill by omitting all of the material following the enacting clause and inserting in lieu thereof the following:

"Section 1. There is a new section in title 53, chapter 5, R.C.M. 1947, numbered 53-501.1 which reads as follows:

'53-501.1. There is established a state motor vehicle pool to be located in Helena, Montana, which may have branches at other locations designated by the governor and which is to be operated and maintained by the Montana state highway commission.'

Section 2. Section 53-503, R.C.M. 1947, is amended to read as follows:

'53-503. Governor to be custodian of state-owned motor vehicles. The

governor is hereby constituted the custodian of all state-owned motor vehicles. [From and after the effective date of this act,] The control of all motor vehicles, now owned or hereafter to be owned by the state of Montana, is vested in the governor, and the governor shall have the authority to assign the use of all state-owned motor vehicles, except those vehicles used by the highway patrol, to the motor pool and may withdraw any vehicle from state officers, departments, bureaus, institutions and commissions, or employees thereof and reassign such vehicle to the motor pool. The governor is authorized to grant exemptions from the motor pool if such exemption is necessary and shown to be so by a request in writing.

(Material in brackets denotes cancelled type).

Section 3. There is a new section in title 53, chapter 5, R.C.M. 1947, numbered 53-503.1 which reads as follows:

“ ‘53-503.1. The highway commission is authorized to use the existing employees and facilities of the highway department and to employ additional employees or procure additional facilities as may be necessary to carry out the provisions of this act.’

Section 4. There is a new section in title 53, chapter 5, R.C.M. 1947, numbered 53-503.2 which reads as follows:

‘53-503.2. The highway commission shall appoint an administrative officer who will be directly responsible for operating the motor pool.’

Section 5. There is a new section in title 53, chapter 5, R.C.M. 1947, numbered 53-503.3 which reads as follows:

‘53-503.3. The administrative officer shall:

(1) Be responsible for proper maintenance, storage, and regulation governing the operation of all vehicles assigned to the motor pool.

(2) Maintain records to show the location and operating and maintenance costs of vehicles assigned to the motor pool.

(3) Adopt regulations, subject to the approval of the governor, necessary for the administration of this act. The regulations shall include, but are not limited to, the following:

(a) The location and hours of operation of the motor pool.

(b) The charges to be made against each agency utilizing the motor pool for mileage and depreciation.

(c) Provision for payment of the gas, oil, service, equipment, and insurance charges.

(d) Provision for requests for additional or replacement of vehicles in the motor pool and requirements concerning agencies having, on the effective date of this act, budgeted funds for additional or replacement vehicles.

(e) Provisions that title to vehicles, if any, purchased entirely from federal funds remain with the agency acquiring the vehicle and that the vehicle be assigned to the motor pool with use restricted to the agency.

(f) Provision for a driver's instruction manual to be placed in each pool vehicle and for a decal to be affixed to the instrument panel of each pool vehicle with the following information contained thereon:

Any officer or employee of the state of Montana who uses or authorizes the use of any state-owned or leased motor vehicle for other than official purposes shall be summarily removed from office by the head of the department concerned.

(g) Operational and accounting procedures.

(h) Detailed instructions for each agency concerned.'

Section 6. Section 53-504, R.C.M. 1947, is amended to read as follows:

'53-504. [Rules and regulations by governor] Authority of governor to approve purchase of new motor vehicles. [The governor is hereby delegated the power and authority to formulate and enforce reasonable rules and regulations governing the use and operation of all motor vehicles used in the service of the state of Montana.]

The governor is specifically authorized:

[(a) To assign for either part, or full time, use to state officers, departments, bureaus, institutions and commissions one or more motor vehicles which may be required by the said state officer, departments, bureaus, institutions and commissions, after the necessity for such use has been shown by written application, setting forth the substantiating facts.]

[(b)] (a) to approve the purchase of all new motor vehicles for such branches of the state government as required, provided, however, that all vehicles, except cars purchased for the governor, including ambulances, suburbans, buses, station wagons, pickups and trucks, shall be purchased on the basis of standard specifications sufficiently limited in detail so as to fairly invite competitive bidding, and on the basis of the low bid, and providing that all such vehicles shall be of United States make.

[(c) To revoke any assignment for use in any one department at any time, when the necessity for further use ceases to exist.]

[(d) To provide every department head or administrative officer, where automotive vehicles are used on state business, with uniform rules and regulations. These rules shall require that in each such vehicle, there shall be kept an operating history record book, showing the mileage and expenditures for each trip.]

[(e) To make reasonable rules and regulations relative to the use, storing and serving of all state-owned motor vehicles.]

[(f) To require of all departments a monthly report on forms to be approved by the governor.]

[(g)] (b) To authorize and permit state officers and employees to use their own motor vehicles on state business when deemed necessary, and to prescribe the regulations for such use.'

Section 7. Section 53-501, R.C.M. 1947, is amended to read as follows:

'53-501. Color of state-owned vehicles—vehicles in service of governor, the state highway commission, and highway patrol excepted—kind and size of letters. All automobiles hereafter purchased by the state of Montana, including suburbans, station wagons, and jeeps, shall, except in the instance of the governor of Montana, the highway commission and the highway patrol, be painted chrome yellow in color, with black lettering, such lettering to be in the form herein prescribed, unless such coloring of cars is exempted by the governor in writing.

All highway patrol passenger cars, shall be distinctive, consistent coloring, such coloring to be determined by the highway patrol board, and such vehicles shall be lettered as prescribed by law.

All highway department passenger cars, station wagons, suburbans, jeeps and trucks shall be of distinctive, consistent coloring, such coloring to be determined by the highway commission, and such vehicles to bear the lettering provided by law.

Every motor vehicle owned by the state of Montana shall be indelibly and conspicuously lettered in black on each side thereof in plain letters

not less than two and one-half inches (2 ½") in height with the words "State of Montana[,]". [with the name of the proper department or institution inserted under the words "State of Montana."] Such lettered words shall be kept clear, distinct, and visible at all times and shall not be blurred or defaced in any manner, provided, however, that the provisions of this act shall not be applicable to any such motor vehicle used in the service of the highway patrol of this state, except that upon the front doors of any motor vehicle in their service there shall be placed the "Great Seal" of the state of Montana.'

(Material in brackets denotes cancelled type).

Section 8. Section 53-505, R.C.M. 1947, is repealed."

And as amended, do pass.

Referred to Committee on Fish and Game.

Senate Bill No. 96 introduced by James, McKeon, Bennett: A bill for an act entitled: "An act providing that it is in the interest of public health that in-hospital medical staff committees have access to information relating to treatment of patients to evaluate the care and treatment for research purposes and to reduce morbidity or mortality and to obtain statistics; providing that employees of hospitals may furnish such information to the in-hospital medical staff committees; and that such information shall be confidential and privileged, and that all proceedings of such committees shall be confidential and privileged; that in-hospital staff committees shall publish information only for purposes of evaluating medical care and treatment or for statistical purposes; that committees nor any of members of committees shall not disclose the identity of any patients whose records have been studied in any report or publication of findings or conclusions of committees, and that the committees and their employees shall protect the identity of patients whose conditions are studied by the committees; that all data shall be confidential and not admissible into evidence in any judicial proceeding, but that the act shall not affect the admissibility in evidence of records dealing with a patient's hospital care and treatment; defining data for the purposes of this act; and providing an effective date." Referred to Committee on Public Health, Welfare and Safety.

SECOND READING OF BILLS (COMMITTEE OF THE WHOLE)

A motion was made by Casey that the House resolve itself into a Committee of the Whole, for the consideration of business under Second Reading. Motion carried.

Murphy in the Chair. Committee arose.

House resumed. Mr. Speaker in the Chair.

Mr. Speaker: We, your Committee of the Whole, having had under consideration business on Second Reading, recommend as follows:

That Senate Bill No. 70 be concurred in.

That Senate Bill No. 135 be concurred in.

That House Bill No. 118 do pass.

That House Bill No. 277 do pass.

That House Bill No. 351 be amended as follows:

1. Amend Section 1 in line 9, page 1 through line 18, page 5 of the

original bill, being Section 1 in line 1, page 1 through line 121 page 5 of the printed bill by omitting all of the material in those lines and inserting in lieu thereof the following:

"Section 1. Section 84-301, R.C.M. 1947 is amended to read as follows:

'84-301. Classification of property for taxation. For the purpose of taxation the taxable property in the state shall be classified as follows:

Class One. The annual net proceeds of all mines and mining claims, after deducting only the expenses specified and allowed by section 84-5403; also where the right to enter upon land, to explore or prospect, or dig for oil, gas, coal or mineral is reserved in land by any person or corporation, the surface title to which has passed to another, the assessor and the state and county boards of equalization shall determine the value of the right to enter upon said tract of land for the purpose of digging, exploring, or prospecting for gas, oil, coal or minerals, and the same shall be placed in this classification for the purpose of taxation.

Class Two. All household goods and furniture, including clocks, musical instruments, sewing machines, wearing apparel of members of the family, and all personal property actually used by the owner for personal and domestic purposes, or for the furnishing or equipment of the family residence; all agricultural and other tools, implements and machinery, gas and other engines and boilers, threshing machines and outfits used therewith, automobiles, motor trucks and other power-driven cars, vehicles of all kinds except mobile homes, boats and all watercraft, harness, saddlery and robes.

Class Three. Livestock, poultry and the unprocessed products of both; stocks of merchandise of all sorts, together with furniture and fixtures used therewith, except mobile homes; and all office or hotel furniture and fixtures.

Class Four. (a) All land, town and city lots, with improvements, and all trailers affixed to land owned, leased, or under contract or purchase by the trailer owner, manufacturing and mining machinery, fixtures and supplies, except as otherwise provided by the constitution of Montana, and except as such property may be included in Class Five or Class Seven.

(b) Mobile homes without regard to the ownership of the land upon which they are situated, except those held by a distributor or dealer of mobile homes as part of his stock in trade.

Class Five. (a) All moneys and credits, secured or unsecured, including all state, county, school district and other municipal bonds, warrants and securities, without any deduction or offset; provided, however, that the terms 'moneys and credits' as herein used shall not embrace the moneyed capital employed in the banking business by any banking corporation or individual in this state.

(b) All poles, lines, transformers, transformer stations, meters, tools, improvements, machinery and other property used and owned by co-operative rural electrical and co-operative rural telephone associations organized under the laws of Montana.

(c) All unprocessed agricultural products either on the farm or in storage, irrespective of whether said products are owned by the elevator, warehouse or flour mill owner or company storing the same, or any other person whomsoever, and excepting livestock and poultry and the unprocessed products of both.

Class Six. Property formerly included in this class is now classified by section 84-308 of the Revised Codes of Montana, 1947.

Class Seven. (a) All new industrial property. New industrial property shall mean any new industrial plan, including land, buildings, machin-

ery and fixtures which, in the determination of the state board of equalization, is used by a new industry during the first three (3) years of operation not having been assessed prior to July 1, 1961 within the state of Montana. New industry shall mean any person, corporation, firm, partnership, association, or other group which establishes a new plant or plants in this state for the operation of a new industrial endeavor, as distinguished from a mere expansion, reorganization, or merger of an existing industry or industries. Provided, however, that new industrial property shall be limited to industries that manufacture, mill, mine, produce, process or fabricate materials, or do similar work in which capital and labor are employed and in which materials unserviceable in their natural state are extracted, processed or made fit for use or are substantially altered or treated so as to create commercial products or materials; and in no event shall the term new industrial property be included to mean property used by retail or wholesale merchants, commercial services of any type, agriculture, trades or professions. And provided further, that new industrial property shall not be included to mean property which is used or employed in any industrial plant which has been in operation in this state for three (3) years or longer. Any person, corporation, firm, partnership, association or other group seeking to qualify its property for inclusion in this class shall make application to the state board of equalization in such manner and form as may be required by said board.

(b) Freeport merchandise. Freeport merchandise means those stocks of merchandise manufactured or produced outside this state which are in transit through this state and consigned to a warehouse or other storage facility, public or private, within this state, for storage in transit prior to shipment to a final destination outside the state, and which have acquired a taxable situs within the state.

Stocks of merchandise do not lose their status as freeport merchandise because while in the storage facility they are assembled, bound, joined, processed, disassembled, divided, cut, broken in bulk, relabeled or repackaged.

Any person, corporation, firm, partnership, association, or other group seeking to qualify its property for inclusion in this class shall make application to the state board of equalization in such manner or form as may be required by said board.

The state board of equalization shall establish standards, rules and regulations for the guidance of county assessors and assessing freeport merchandise.

Class Eight. Any improvement on real property valued at not more than [fifteen thousand dollars (\$15,000)] seventeen thousand five hundred dollars (\$17,500), which is owned and actually occupied by a widow, with or without minor or dependent children, or by:

(Material in brackets denotes cancelled type.)

(1) a widow sixty-two (62) years of age or older, whether with or without minor dependent children, or

(2) a widower sixty-five (65) years of age or older, whether with or without minor dependent children, or

(3) a widow with minor or dependent children regardless of age, or

(4) a recipient of retirement benefits [not exceeding one hundred fifty dollars (\$150) per month, if single, or two hundred fifty dollars (\$250) per month if married. Provided such owner and occupier is not gainfully employed to such an extent as would render him or her ineligible for social security benefits, should he or she be otherwise eligible for such benefits, and does not have income from all sources, excluding retirement benefits as mentioned in (4) hereinabove, in excess of one thousand five hundred dollars (\$1,500) per year.] whose income from all sources is not

more than three thousand three hundred dollars (\$3,300) for a single person and four thousand five hundred dollars (\$4,500) for a married couple per annum. Provided, further, that one who applies for classification of property under this class must make an affidavit before the county assessor of the county in which said property is located, on a form as may be provided by the state board of equalization supplied without cost to the applicant, as to his income, if applicable, as to his retirement benefits, if applicable, or, as to his marital status, if applicable, and to the fact that he or she actually occupies such improvements with right of the county welfare board to investigate the applicant, on the completion of the form, as to answers given on the form. Provided, further, that the value of said property shall not increase during the life of the recipient of retirement benefits or widow or widower covered under this class.

(Material in brackets denotes cancelled type.)

Class Nine. All property not included in the eight (8) preceding classes.’”

And as so amended, do pass.

That House Bill No. 501 be amended in Section 1, page 2, line 6 of the original bill, being section 1, page 2, line 22 of the printed bill, by striking the word “having” and inserting in lieu thereof the word “owning”, and as so amended do pass.

That House Joint Resolution No. 26 do pass.

That House Joint Resolution No. 29 do pass.

Section 1. Section 16-4416, R.C.M., 1947 is hereby amended to read as follows:

“16-4416. Rates, charges and rentals for services. The board of county commissioners shall have full power and authority by ordinance or resolution to fix and establish just and equitable rates, charges and rentals for the services and benefits directly or indirectly afforded by any sanitary or storm sewer system [construction in and for] operated, controlled, and under the jurisdiction of a metropolitan sanitary and/or storm sewer district formed under this chapter. Such rates, charges and rentals shall be as nearly as possible equitable in proportion to the services and benefits ren-

dered, and may take into consideration the quantity of sewage produced and its concentration and water pollution qualities in general and the cost of disposal of sewage and storm waters. The board of county commissioners shall have authority, by resolution and after public hearing, to fix and establish the sewer rates, charges and rentals at amounts sufficient in each year, not to exceed [five dollars (\$5)] seven dollars (\$7) per unit user per year, to provide income and revenue adequate for the payment of the reasonable expense of operation and maintenance of the system to fix and establish an additional charge not to exceed [three dollars (\$3)] seven dollars (\$7) per unit user per year [for reasonable expense of operation and maintenance of a sewage treatment plant,] for the operation and maintenance of a sanitary and storm sewer system and of a sewage treatment plant; and to levy; and to assess a tax upon the taxable valuation of each and every lot or parcel of land and improvements thereon in the district not in excess of two (2) mills on each dollar of taxable valuation to provide sufficient revenues for the reserve fund of the amounts necessary to meet the financial requirements of such fund as described in section 16-4417.

Mr. Speaker: We, your Committee on Affairs of Cities, having had under consideration House Bill No. 460, respectfully report as follows: That House Bill No. 460 be amended as follows:

Amend Section 4, page 5, lines 13 and 14 of the original bill following the word "mayor" by striking the words "and commission" and inserting in lieu thereof the words "the commission and the other officers elected hereunder.";

Amend Section 5, page 5, line 22 of the original bill following the comma after the word "act" and preceding the word "shall" by inserting the words "or" the abandonment of a unified city and county government.";

Further amend Section 5, page 5, line 25 of the original bill by striking the words and figures "ten percentum (10%)" and inserting in lieu thereof the words and figures "twenty percentum (20%)"

Amend Section 18 (b), page 17, line 7 of the original bill by striking the words and figures "twenty dollars (\$20.00)" and inserting in lieu thereof the words and figures "seventy-five dollars (\$75.00)";

Further amend Section 18 (b), page 17, line 11 of the original bill by striking the words and figures "one hundred dollars (\$100.00)" and inserting in lieu thereof the words and figures "three hundred dollars (\$300.00)";

Amend Section 22, page 20, line 22 of the original bill by striking the word "elected" after the word "all" and before the word "and" on line 22;

Further amend Section 22, page 21, line 29 of the original bill by striking the last sentence beginning with the words "All such" and ending with the word "mayor" and inserting in lieu thereof: "All such appointments shall be made without definite term and all such appointees, except for those recommended by elective officers, shall serve at the pleasure of the mayor. Appointees of elective officers shall serve at the pleasure of such officer, unless their tenure of office is otherwise provided for in law.";

Amend Section 36, page 29, lines 13 and 14 of the original bill by striking the words "be more than twenty (20) mills" and inserting in lieu thereof after the word "levy" on line 13:

"be more than the maximum number of mills allowable for cities having the same population as the area included within the district and the commissioners may also elect to levy the all-purpose and extraordinary levies provided for by R.C.M. 1947, Section 84-4701.1, 84-4701.2, 84-4701.3, 84-4701.4, 84-4701.5 and 84-4701.6";

Amend Section 43, sub-section (b), page 35, line 7 of the original bill by adding after the semicolon:

"; and have such powers and command the aid of as many male inhabitants as are necessary in the execution of these duties.";

Further amend Section 43, sub-section (g), page 36, lines 1, 2 and 3 of the original bill by striking the existing sub-section and inserting in lieu thereof:

"perform all duties and exercise all powers conferred upon county sheriffs by the laws of this state, including the appointment of deputies, bailiffs and jailors, except those powers which conflict with the powers granted to the police department as provided in this act.";

Amend Section 44, page 38, line 31 of the original bill by adding after the word "created." the following sentence:

"Those sheriffs officers of the previously existing county, who elect to transfer, will be allowed to become members of the police department

provided they meet the required qualifications for that status, but this act shall not be construed as abrogating any of the employment rights of deputies or members of the former county sheriff's department.”;

Amend Section 60, page 50, lines 12 through 23 of the original bill by striking Section 60 of the bill in its entirety and substituting in lieu thereof the following section:

“Section 60. Levy of taxes. The city-county municipality created under the provisions of this act shall have the power and authority to levy taxes for any and all purposes for which counties may levy taxes under the law of Montana; and in those special districts created pursuant to this act, which may be coextensive with pre-existing cities or towns, such tax levies as are permitted for cities under the law of Montana; provided however that the amount to be raised by any tax levy for county purposes must not exceed by more than five per cent (5%) the amount actually raised by the imposition of such tax levies in the immediately preceding fiscal year and the amount to be raised by tax levies within the special districts must not exceed by more than five per cent (5%) the amount actually raised by the imposition of tax levies within such district in the immediately preceding fiscal year.”;

Amend Section 64 of the original bill, page 51, lines 14 and 15 by striking the “,” after the word “repealed” and adding the words and punctuation “, and all other acts or parts of acts in conflict herewith are hereby repealed.”

And as so amended, do pass.

1. Amend the title in lines 4 through 6, page 1 of the original bill by omitting all of the material in those lines and inserting in lieu thereof the following: "A bill for an act entitled: 'An act to establish the Montana Commission on Alcohol and Drug dependence within the Department of Health.' "

2. Amend Sections 1 through 9, line 10, page 1 of the original bill through line 7, page 5 of the original bill by omitting all of the material in those lines and inserting in lieu thereof the following:

"Section 1. It is the purpose of this act and the policy of this state to recognize alcohol and drug dependence as problems affecting the health, safety, morals, economy, and general welfare of this state; to recognize alcohol and drug dependence as problems subject to treatment; and to recognize the sufferer of alcohol, drug dependence, or both, as worthy of treatment and rehabilitation. It is the intent of this act to establish means whereby the appropriate resources of this state may be focused fully and effectively upon the problems of alcohol and drug dependence and utilized in implementing programs for the control and treatment of these problems.

Section 2. (1) There is a Montana commission on alcohol and drug dependence hereafter called 'the commission' in the state Department of Health hereinafter referred to as 'the department.' The commission shall consist of fourteen (14) members as follows:

(a) Seven (7) members appointed by the governor, with the advice and consent of the senate, from citizens of the state who are known to have knowledge and interest in the subject of alcohol and drug dependence. Three (3) members shall be appointed from each congressional district in the state, and one (1) member shall be appointed from the state at large;

(b) Seven (7) ex officio members, or persons named by them, as follows:

- (i) the executive officer of the department of health,
- (ii) the supervisor of the division of mental hygiene,
- (iii) the state administrator of public welfare,
- (iv) the director of the department of institutions,
- (v) the highway patrol chief,

(vi) the superintendent of public instruction,

(vii) the director of the division of vocational rehabilitation.

(2) Initial appointments shall be made within thirty (30) days after this act becomes effective, and the governor shall designate two (2) members who serve for a term of two (2) years, two (2) members who serve for a term of four (4) years, and three (3) members who serve for a term of six years. After initial appointments, appointed members shall serve for a term of six (6) years. Appointments to fill vacancies shall be made by the governor for the unexpired term in the same manner as other appointments.

(3) Appointed members of the commission may be removed by the governor for inefficiency, neglect of duty, or malfeasance in office.

(4) Appointed members of the commission shall receive per diem at twenty-five dollars (\$25) for each day they are actually engaged in the transaction of business for the commission and shall be reimbursed for actual and necessary expenses.

(5) Appointed members shall annually elect from their number, a chairman, vice chairman, and secretary.

(6) The commission shall meet at least once every three (3) months and at other times at the call of the chairman or the request of a majority of the appointed members.

Section 3. (1) The commission shall:

(a) plan, promote, and assist in the support of alcohol and drug dependance prevention, treatment, and control programs;

(b) conduct, sponsor, and support research, investigations and studies, including evaluation, of all phases of alcohol and drug dependance;

(c) assist in the development of educational and training programs relative to alcohol and drug dependence, and carry on programs to assist the public, and technical and professional groups in becoming fully informed about alcohol and drug dependence;

(d) promote, develop, and assist, financially and otherwise, alcohol and drug dependence programs administered by other state agencies, local government agencies, and private nonprofit organizations and agencies;

(e) encourage and promote effective use of facilities, resources, and funds in the planning and conduct of programs and activities for prevention, treatment and control of alcohol and drug dependence and, in this respect, cooperate with and utilize to the maximum possible extent the resources and services of federal, state, and local agencies.

(2) To carry out the purposes of this act, the department may:

(a) accept gifts, grants, and donations of money and property from public and private sources;

(b) enter into contracts;

(c) acquire and dispose of property necessary.

Section 4. The department may apply for and receive grants, allotments, or allocations of funds or other assistance for purposes pertaining to the problems of alcohol and drug dependence, or related social problems, under laws and rules of the United States, any other state, or any private organization. The department may cooperate with any other government agency or private organization in programs on alcohol and drug dependence related social problems. In carrying out cooperative programs, the de-

partment may make grants of financial assistance to government agencies and private organizations under terms and conditions agreed upon.

Section 5. The department shall administer the provisions of this act.

Section 6. All agencies of state government, local government, and all state and local government employees shall, upon request, cooperate with the department in its activities under this act, but nothing in the act shall be construed to give the department control over any state or local agency or employee, unless otherwise provided by law.

Section 7. Funds available to the department from federal or private sources for use in alcohol and drug dependence prevention, treatment, and control programs, shall be deposited with the state treasurer to the account of the department in the federal and private revenue fund.

Section 8. It is the intent of the legislative assembly that if part of this act is invalid, all valid parts that are severable from the invalid part remain in effect. If a part of this act is invalid in one or more of its applications, the part remains in effect in all valid applications that are severable from the invalid applications."

And as so amended, do pass.

That House Bill No. 334 do pass.

That House Bill No. 265 be moved to the end of the board.

That House Bill No. 355 be passed for the day.

That House Bill No. 494 do pass.

That consideration of House Bill No. 328 be passed for the day.

That House Bill No. 450 do pass.

That House Bill No. 265 be amended in Section 2 on page 2, line 17 of the printed bill, being page 1, line 13 of the amendment on the original bill, by inserting the words after the period "If a five (5) member Board" reduce the capital "T" in three to small letter,

And further amend in Line 18, of the printed bill, being Line 14, page 1, of the original bill, by striking all the words after the word "and",

And further amend on Line 19 after the period by inserting the words, "If a three (3) member Board, two members (2) shall be rural agricultural landowners within the county and one (1) member shall be from a municipality within the county."

And as so amended, do pass.

That the Committee rise and report.

MOTIONS AND RESOLUTIONS

A motion was made by Pierce, that since the House had killed House Bill No. 543, thereby saving the state of Montana the cost of printing such bill, that each member of the House should contribute 25c toward the \$17.00

asked for in said bill and that Gerke and Combs collect from the members. Motion carried.

Goan, having voted on the prevailing side in adopting the adverse committee report on House Bill No. 138, moved that the House reconsider its action.

As a substitute motion, C. Smith moved that the motion to reconsider, be laid on the table. Motion carried.

Mather moved that Senate Bill No. 214 be referred to Committee on Townships and Counties.

Referred to Committee on Education.

Senate Bill No. 115 introduced by Vainio, Bollinger, Folsom, Deschamps, Reber, Hazelbaker: A bill for an act entitled: "An act amending Sections 66-1924, 66-1925, 66-1929, 66-1933, 66-1937, 66-1940, and 66-1941, R.C.M., 1947, which sections are a part of the real estate license act of 1963, by re-defining the words 'broker' and 'salesman' by establishing additional standards for licensing brokers and salesmen, by amending bonding requirements for brokers and salesmen, and by providing a penalty for acting as a broker or salesman when license is suspended or revoked; establishing revised hearing procedures; and repealing Sections 66-1938 and 66-1942, R.C.M. 1947." Referred to Committee on State Administration.

Senate Bill No. 116 introduced by Lehrkind, Boylan, McKeon, Stein: A bill for an act entitled: "An act to provide that agricultural land shall be classified, appraised, and assessed according to its value for agricultural purposes without regard to the value it may have for other purposes; amending Sections 84-401 and 84-429.12, R.C.M. 1947." Referred to Committee on Ways and Means.

Senate Bill No. 165 introduced by Sheehy, Rehberg, Bertsche, Flynn: A bill for an act entitled: "A bill providing for an election to be held to determine whether free public library will be established in a city, town, or county; providing for the calling of such election; providing for an effective date hereof." Referred to Committee on Research and Resources.

Senate Bill No. 189 introduced by Reardon, Lynch, Keenan, Sheehy: A bill for an act entitled: "An act to amend Section 41-701, R.C.M. 1947, by defining standard prevailing rate of wages, by providing for approval of public works contracts, and by providing for the notification of the commissioner of labor." Referred to Committee on Labor and Compensation.

SECOND READING OF BILLS (COMMITTEE OF THE WHOLE)

Casey moved that the House resolve itself into a Committee of the Whole for the consideration of business under Second Reading. Motion carried.

Rygg in the Chair. Committee arose.

House resumed. Mr. Speaker in the Chair.

Mr. Speaker: We, your Committee of the Whole, having had under consideration business on Second Reading, recommend as follows:

That House Bill No. 464 be moved up to 6th place on the board.

That House Bill No. 481 be amended as follows: Amend Section 4, page 4 in line 30 of the printed bill being page 3, line 20, of the original bill after the word "the" by striking the balance of that section and inserting in lieu thereof the following: "board of trustees of school district number 1 of Lewis and Clark county as a post-secondary vocational-technical education center."

Further amend Section 9 on page 6 & 7 of the printed bill being page 5 of the original bill by striking subsections (1) (2) (3) (4) in their entirety and inserting in lieu thereof the following: "The county commissioners of each county in which a designated post-secondary vocational-technical education center is located shall levy a tax of one (1) mill on the dollar of all taxable property, real and personal, within the county for support and maintenance of the post-secondary vocational-technical educational center located within the said county. The remaining deficiency shall be financed from any state or federal funds appropriated by the legislature for post-secondary vocational-technical education."

Further amend Section 10, page 7, of the printed bill, being page 5 of the original bill, striking section 10 in its entirety and inserting in lieu thereof a new section 10 to read as follows: "The state board for vocational-technical education shall approve budgets for the support of the then existing post-secondary vocational-technical education centers and shall present such budgets to the legislative assembly."

And further amend Section 14, page 8 of the printed bill, being page 6 of the original bill, by deleting section 14 in its entirety.

And as amended, do not pass.

That House Bills Nos. 482 through 485 be passed for the day.

That House Bill No. 464 do not pass.

That House Bill No. 454 be placed at the bottom of the list.

That House Bill No. 531 be amended in Section 1, page 2, line 1 of the original bill, being section 1, page 2, line 21 of the printed bill, by inserting after the word "royalties" the following words and punctuation: ", reserve rights of entry and patented mining claims".

And further amend section 1, page 2, line 5 of the original bill, being section 1, page 2, line 29 of the printed bill, by inserting after the words and punctuation "are made." the following words and punctuation: "When any tax is reduced by reason of the limitation herein provided, the tax paid shall be first applied to any state levy which may be imposed by law so that such state levy is paid in full, and shall then be applied to all the various funds, county, school, school district, city or town, in the ratio of their respective shares of the original tax computed on the total of such county and local levies."

And as amended, do pass.

That House Bill No. 511 be passed for the day.

That House Bill No. 300 be amended in the title on page 1, line 14 of the original bill, being page 1, line 10 of the title of the printed bill, by inserting after the semicolon the following language "providing that the superintendent of banks shall have authority to make reasonable rules and regulations governing the operations of branches;"

And be further amended in Section 1, line 31 of page 1 on the original bill, being line 13 page 2 of the printed bill, by inserting after the period the following language, "He shall have the authority to make and promulgate reasonable rules and regulations governing the operations of such branch banks."

And further amend section 1, lines 13 through 21 inclusive, page 2 of the original bill, being lines 25 through 33 inclusive, page 2 of the printed bill, by striking therefrom the following language: "[Upon receipt of such application the superintendent of banks shall make an investigation of conditions and facts pertinent to the application and if in his judgment he is satisfied that the establishment of the proposed branch or change of location is justified, would serve the public convenience and not impair the solvency of any other bank, he shall issue a certificate under his hand and the seal of his office authorizing the establishment and operation of such branch or change of location.]" and inserting in lieu thereof the following language, "Upon receipt of such application the superintendent of banks shall, within 15 days thereafter, give notice to the public of the filing of such application by causing said notice to be published in a newspaper of general circulation in the county in which the branch or change of location is to be established which said publication must appear on at least two (2) different days of publication, it being so published that there be at least seven (7) days from the first to the last day of publication, both the first and the last date being inclusive. The notice shall contain a summary statement of the application and shall state that the superintendent of banks will hold a public hearing on said application only upon receipt, no later than ten (10) days after the last date of publication, of a written request therefor from an interested party or parties. The superintendent of banks shall proceed to make an investigation of conditions and facts pertinent to the application. If such request for public hearing is received by him within the prescribed time period he shall hold such public hearing at a time and place to be designated by him, and upon reasonable notice to the parties, said hearing to be held no later than 45 days after the filing of such application for the establishment of such branch bank of change of location. If, after his investigation of the facts and conditions pertinent to the application and his consideration of such testimony and evidence as is presented at such public hearing, if one is held, the superintendent of banks is, in his judgment, satisfied that the establishment of the proposed branch or change of location is justified, would serve the public convenience, not impair the solvency of any other bank, or increase competition to the extent that the public interest is adversely affected, he shall issue an order containing his findings and conclusions, and shall issue a certificate under his hand and the seal of his office authorizing the establishment and operation of such branch or change of location."

(Material in brackets denotes cancelled type.)

And be further amended in section 1, line 29, page 2 of the original bill, being line 39, page 3 of the printed bill, by striking the words and figures "sixty (60)" and the word "within" and inserting in lieu thereof the words and figures "one hundred and twenty (120)".

And as amended, do not pass.

And further amend in section 2, line 26 of the original bill, being section 2, line 9 of the printed bill, by inserting after the period a new sentence as follows "However, when the passenger is in possession of a round trip ticket, the service charge shall be collected only at the point of origin."

And as amended, do not pass.

That House Joint Resolution No. 23 do pass.

That House Bill No. 402 do pass.

That House Bill No. 360 do pass.

That House Bill No. 508 be amended in section 2 by adding after line 5, page 2 of the original bill, being line 18, page 2 of the printed bill, a new subsection as follows:

"(5) 'Strike' shall mean any work stoppage caused by the employees

of a health care facility as defined in section 2 of this act, that interferes with the operation of the health care facility or affects the care of patients in the health care facility.”

Amend section 6, subsection (3), page 4 of the original bill, line 11, being page 4 of the printed bill, line 22, by deleting the period (.) at the end of such line and adding after the word “year” in said line the following “and until either the health care facility or an employee organization shall apply for a redetermination.”

Amend the said bill by adding a new section following present section 6 of the original bill, reading as follows:

“Section 7. The board of health may:

“(1) Set the time and place for hearings for determination of the composition of appropriate units when requested to make such determination under subsection 2, section 4, or subsection 1, section 6 of this act.

“(2) Determine, on its own motion, by holding hearings or conducting such investigations as it thinks necessary, general classifications for health care facilities and appropriate units. When such determination has been made hereunder and when an application has been made by a health care facility or an employee organization for a specific determination as to it, the board may make such determination on the basis of such general classification. The health care facility or employee organization may, within thirty (30) days after notice to it of such determination, file a request for a hearing upon written petition which shall set forth the facts which it believes remove it from such general classification and hearing shall be held on such petition.

“(3) Adopt and promulgate rules and regulations as to times and places for hearing and notice thereof so as to provide adequate notice and opportunity to be heard to all interested parties; as to elections; and so as to carry into effect the provisions of this act.”

And to renumber the following sections accordingly.

Further amend said bill by adding to presently numbered section 7 of the original bill, at line 16, page 4 of the original bill, being page 5, line 1 of the printed bill, after the word “act” and before the period (.) the following: “or appeal from any determination by the board.”

Amend the said section, page 4, line 19 of the original bill, being page 5, line 8 of the printed bill by inserting after the word “relief” and before the period (.) the following: “, or, on appeal, adjudicate whether the board has acted in abuse of discretion or upon arbitrary or discriminatory rules or regulations, in which event the court may reverse or modify such determination.”

And further amend the said bill by adding a new section following present section 7 of the original bill, to be numbered consecutively, and reading as follows:

“Section (insert the proper number). It shall be unlawful for any employee of a health care facility as defined in section 2 of this act to participate in a strike if there is another strike in effect at another health care facility within a radius of 150 miles. Employees of a health care facility as defined in section 2 of this act or their duly elected representative must give the health care facility thirty (30) days written notice of any strike by them and must specify in the notice the day the strike is to begin.”

And to renumber the following section consecutively.

And as amended, do pass.

That House Bill No. 541 be amended as follows:

1. Amend section 1, subsection 5, page 2, line 4, following the word and punctuation "products." of the original bill, being section 1, page 2, line 26 of the printed bill by inserting the following: "The word 'retailer' shall mean any person other than a wholesaler who is engaged in the business of selling tobacco products to the ultimate consumer."

2. Amend section 2, subsection 2, page 2, line 24 of the original bill, being section 2, line 16, page 2 of the printed bill following the word and punctuation "cigarettes," by inserting the following "or tobacco products sold to purchasers outside of Montana,".

3. Amend section 3, page 2, line 30 of the original bill, being section 3, page 3, line 4 of the printed bill, following the word and punctuation "wholesaler." by inserting the following: "The Board shall permit a wholesaler to pay the tax at any time within thirty (30) days after purchase of the product taxed. A retailer shall not sell tobacco products within this state unless the tax imposed by section 2 of this act is first paid by said retailer. The retailer shall further, at the time of delivery of all products taxed by this act, pay to the wholesaler the tax after examining the invoice to see that the tax has been separately set forth."

4. Amend section 4, page 3, line 1, of the original bill, being section 4, page 3, line 1, of the printed bill following the word "wholesaler" by inserting the words "or retailer";

And to further amend section 4, page 3, lines 5 and 6 of the original bill, being section 4, page 3, lines 5 and 6 of the printed bill by omitting the words "Lewis and Clark, Montana" and inserting in lieu thereof the following words: "the defendants's residence".

5. Amend section 5, page 3, line 9, of the original bill, being section 5, page 3, line 1, of the printed bill by omitting the word "collected" and inserting in lieu thereof the words "paid by the wholesaler, shall be paid to the board in full less a five percent (5%) defrayment for his collection and administrative expense and".

6. Amend section 6, page 3, line 14 of the original bill, being section 6, page 3, line 3 of the printed bill following the word and punctuation "cigarettes." by inserting the following: "Said rules and regulations shall be a public record and the board shall furnish a copy of said rules and regulations to each wholesaler and retailer.

Any person aggrieved by any action of the board or its duly authorized agents, under the provisions of this act, may apply to the board, in writing, for a hearing thereon within thirty (30) days after such action by the board or its authorized agents. The board shall promptly consider such application, set same for hearing and notify the applicant of the time and place fitted for such hearing, which may be at its office or in the county of the applicant. After such hearing the board may make any order it may deem proper and shall furnish a copy to the applicant.

Any person aggrieved by an action or decision of the board may appeal therefrom to the district court of the county where the appellant resides, which appeal shall be taken by notice of appeal in writing, setting forth the actions or decisions of the board, of which the appellant is aggrieved."

7. Amend page 3, following line 14 of the original bill, being page 3, following line 3 of section 6 of the printed bill by adding new sections which read as follows:

"Section 7. Any wholesaler or retailer who either sells or distributes tobacco products shall first obtain a license to do so from the board. The license shall be granted by the board upon the receipt of a fee of two dollars (\$2), and shall expire after a period of one (1) year.

Section 8. (1) Every wholesaler shall keep at each place of business complete and accurate records for that place of business, including itemized invoices, of tobacco products held, purchased, manufactured, brought in or caused to be brought in from without the state, or shipped or transported to retailers in this state, and of all sales of tobacco products made, except sales to the ultimate consumer.

(2) These records shall show the names and addresses of purchasers, the inventory of all tobacco products on hand on July 1, 1969, and, other pertinent papers and documents relating to the purchase, sale, or disposition of tobacco products.

(3) When a licensed wholesaler sells tobacco products exclusively to the ultimate consumer at the address given in the certificate, no invoice of those sales shall be required, but an itemized invoice shall be made of all tobacco products transferred to other retail outlets owned or controlled by that licensed wholesaler. All books, records, and other papers and documents required by this section to be kept shall be preserved for a period of at least five (5) years after the date of the documents, as aforesaid, or the date of entries thereof appearing in the records, unless the board, in writing, authorizes their destruction or disposal at an earlier date. At any time during usual business hours the board or its duly authorized agents, may enter any place of business of a wholesaler and inspect the premises, the records required to be kept under this act, and the tobacco products contained therein, to determine whether or not all the provisions of this act are being fully complied with. If the board, or any of its agents are denied access or are hindered or interfered with in making such examinations, the registration certificate of the distributor at such premises shall be subject to revocation by the board.

Section 9. (1) Every person who sells tobacco products to persons other than the ultimate consumer shall render with each sale itemized invoices showing the seller's name, and address, the purchaser's name and address, the date of sale, and all prices and discounts. He shall preserve legible copies of all such invoices for five (5) years from the date of sale.

(2) Every retailer shall procure itemized invoices of all tobacco products purchased. The invoices shall show the name and address of the seller and the date of purchase. The retailer shall preserve a legible copy of each such invoice for five (5) years from the date of purchase. Invoices shall be available for inspection by the board or its authorized agents at the retailer's place of business.

Section 10. The board shall adopt rules and regulations which establish the method of payments of the tax. All returns shall be made by retailers and wholesalers according to rules and regulations established by the board.

(2) Where tobacco products upon which the tax imposed by this act has been reported and paid, are shipped or transported by the wholesaler to the retailers without the state, not to be sold by those retailers, or are returned to the manufacturer by the wholesaler or destroyed by the wholesaler, credit of such tax may be made to the wholesalers in accordance with regulations prescribed by the board.

Section 11. Records of all deliveries or shipments of tobacco products from any warehouse of first destination in this state shall be kept by the warehouse and be available to the board for inspection. They shall show the name and address of the consignee, the date, the quantity of tobacco products delivered, and such other information as the board may require. The records shall be preserved for five (5) years from the date of delivery of the tobacco products."

Further amend Section 3, page 2, line 30 of the original bill by inserting after the word "wholesaler." the following words: "The retailer shall,

at the time of delivery of all products taxed by this act, pay to the wholesaler the sales tax after examining the invoice to see that the sales tax has been separately set forth."

And further amend Section 5, page 3, line 10 of the original bill by inserting after the word "fund," the following words "Refunds of the tax paid shall be made as provided in Section 84-726, R.C.M. 1947 in cases where the tobacco products purchased become unsaleable."

And as amended, do pass.

That House Bill No. 574 do pass.

SECOND READING OF BILLS (COMMITTEE OF THE WHOLE)

Mather moved that the House resolve itself into a Committee of the Whole for the consideration of business under Second Reading. Motion carried.

Wayrynen in the Chair. Committee arose.

House resumed. Mr. Speaker in the Chair.

Mr. Speaker: We, your Committee of the Whole, having had under consideration business on Second Reading, recommend as follows:

That House Bill No. 138 be amended in the title in lines 7 through 10 of the original bill, being lines 3 through 6 of the title of the printed bill by omitting the following: "\$6 and to add a new section immediately following Section 4-347, R.C.M. 1947 in the Revised Codes of Montana 1947 to distribute seventy-five percent of the revenue from the beer tax" and inserting in lieu thereof the following: "\$3 for the biennium ending June 30, 1971, and distributing the amount of tax collected over and above \$1.50 per 31-gallon barrel"

Amend Section 1, page 2, line 3 of the original bill, being section 1, page 2, line 18 of the printed bill by omitting the following: "[one dollar and fifty cents (\$1.50)] six dollars (\$6)" and inserting in lieu thereof the following "one dollar and fifty cents (\$1.50)"

Further amend section 1, page 2, line 9 of the original bill, being section 1, page 2, line 24 of the printed bill by omitting the period and inserting in lieu thereof the following: "; provided, however, that for the biennium ending June 30, 1971 the tax per barrel of thirty-one (31) gallons levied by this section shall be three dollars (\$3)."

Amend section 2, page 2, lines 13 and 14 of the original bill, being section 2, page 2, lines 4 and 5 of the printed bill by omitting the following: "[one dollar and fifty cents (\$1.50)] six dollars (\$6)" and inserting in lieu thereof the following "one dollar and fifty cents (\$1.50)"

Further amend section 2, page 2, line 23, of the original bill, being section 2, line 14, at the top of page 3 of the printed bill, by omitting the period and inserting in lieu thereof the following: "; provided, however, that for the biennium ending June 30, 1971 the tax per barrel of thirty-one (31) gallons levied by this section shall be three dollars (\$3)."

Amend section 4, page 3, lines 3 through 7 of the original bill, being section 4, page 3, lines 1 through 4 of the printed bill by omitting the following: "A new section is added to the Revised Codes of Montana 1947 immediately following Section 4-347, R.C.M. 1947, reading as follows:

"Seventy-five percent (75%) of the revenue received from taxes on beer under sections 4-317 and 4-324, R.C.M. 1947," and inserting in lieu thereof the following: "For the biennium ending June 30, 1971, all revenue received from taxes on beer under sections 4-317 and 4-324, R.C.M. 1947 over and above one dollar and fifty cents (\$1.50) per barrel of thirty-one gallons"

And as amended, do pass.

That House Bill No. 460 be amended as follows: Amend Section 60, page 50, lines 12 through 23 of the original bill by striking Section 60 of bill in its entirety and substituting in lieu thereof the following section:

"Section 60. Levy of taxes. The city-county municipality created under the provisions of this act shall have the power and authority to levy taxes for any and all purposes for which counties may levy taxes under the law of Montana; and in those special districts created pursuant to this act, which may be coextensive with pre-existing cities or towns, such tax levies as are

permitted for cities under the law of Montana; provided however that the amount to be raised by any tax levy for county purposes must not exceed by more than five per cent (5%) the amount actually raised by the imposition of such tax levies in the immediately preceding fiscal year and the amount to be raised by tax levies within the special districts must not exceed by more than five per cent (5%) the amount actually raised by the imposition of tax levies within such district in the immediately preceding fiscal year.”;

And further amend Section 64 of the original bill, page 51, lines 14 and 15 by striking the “.” after the word “repealed” and adding the words and punctuation “, and all other acts or parts of acts in conflict herewith are hereby repealed.”

And as amended, do pass.

That House Bill No. 349 do pass.

That the Committee rise and report progress and beg leave to sit again.

WAYRYNEN, Chairman

Report adopted.

HOUSE RESOLUTION NO. 8

INTRODUCED BY C. SMITH, SWAN, EGGBRECHT

A RESOLUTION OF THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA URGING THAT THE "MEAT IMPORT ACT OF 1964" BE AMENDED SO THAT IT WILL MODIFY THE HARMFUL EFFECTS OF EXCESSIVE MEAT IMPORTS ON DOMESTIC CATTLE PRICES.

WHEREAS, the domestic cattle industry has been caught in the cross fire of rising production costs and decreased product prices, and

WHEREAS, imported meat has played an important part in creating the distressed market conditions in the cattle industry, and

WHEREAS, the pressures on domestic prices of low-priced foreign imported beef discourages sale of domestic livestock thus adversely affecting the use of domestic grains and other feeds and diminishing the need for domestic labor, and

WHEREAS, the distress in the livestock industry adversely affects all segments of Montana's economy as well as the economy of the United States, and

WHEREAS, the "Meat Import Act of 1964" (Public Law 88-482) was intended as a remedy for some of the problems of our livestock industry but has failed to alleviate the distressed situation. NOW, THEREFORE, BE IT RESOLVED BY THE HOUSE OF REPRESENTATIVES OF THE STATE OF MONTANA:

That the House of Representatives urges that the "Meat Import Act of 1964" be amended in the following particulars:

1. The base period be changed from 1958-1963 to 1958-1962;
2. The quotas be set on a quarterly basis, rather than on a yearly basis;
3. The "trigger level" be reduced from 110 percent to 100 percent of the applicable period;
4. Instead of applying only to fresh, chilled, or frozen meat the import quotas be also applied to canned, cooked, and cured meat so that

alteration in the form of packaging can no longer be used to avoid quota controls;

5. Include "off-shore" meat purchased by the armed forces within the import quotas.

BE IT FURTHER RESOLVED, that the clerk of the House of Representatives send a copy of this resolution to each member of Montana's congressional delegation, to the President of the United States Senate, and to the Speaker of the United States House of Representatives.

Mr. Speaker: We, your Committee on Education, having had under consideration Senate Bill No. 322, respectfully report as follows: That Senate Bill No. 322 be not concurred in.

KVAALEN, Chairman

Report adopted.

February 18, 1969

Mr. Speaker: We, your Committee on Education, having had under consideration Senate Bill No. 321, respectfully report as follows: That Senate Bill No. 321 be not concurred in.

KVAALEN, Chairman

Report adopted.

February 18, 1969

Mr. Speaker: We, your Committee on Education, having had under consideration Senate Bill No. 88, respectfully report as follows: That Senate Bill No. 88 be amended as follows:

Amend Section 1, pages 2, 3, and 4, lines 28 through line 77 of the printed bill by deleting all of the material therein in its entirety and inserting in lieu thereof the following:

“Elementary Schools

(1) For each elementary school having an ANB of nine (9) or fewer pupils, the maximum shall be [sixty four hundred seventy two dollars (\$6,472)] seventy-four hundred forty-two dollars (\$7,442), if said school is approved [an as] as an isolated school.

(2) For schools with an ANB of ten (10) pupils, but less than eighteen (18) pupils, the maximum shall be [sixty four hundred seventy two dollars (\$6,472)] seventy-four hundred forty-two dollars (\$7,442) plus [one hundred ninety one dollars (\$191)] two hundred twenty dollars (\$220) per pupil on the basis of the average number belonging over nine (9).

(3) For schools with an ANB of eighteen (18) pupils and employing one (1) teacher, the maximum shall be [eighty one hundred eighty seven dollars (\$8,187)] ninety-four hundred fifteen dollars (\$9,415) plus [seventy six dollars (\$76)] eighty-eight dollars (\$88) per pupil on the basis of the average number belonging over eighteen (18), not to exceed an ANB over twenty-five (25).

(4) For schools with an ANB of eighteen (18) pupils and employing two (2) full-time teachers, the maximum shall be [fourteen thousand seven hundred four dollars (\$14,704)] sixteen thousand nine hundred ten dollars (\$16,910) plus [seventy six dollars (\$76)] eighty eight dollars (\$88) per pupil on the basis of the average number belonging over eighteen (18), not to exceed an ANB over fifty (50).

(5) For schools having an ANB in excess of forty (40) the maximum on the basis of the total pupils (ANB) in the district for elementary pupils will be as follows:

For a school having an ANB of more than forty (40) and employing a minimum of three (3) teachers, the maximum of [five hundred eighteen dollars (\$518)] five hundred ninety-six dollars and fifteen cents (\$596.15) shall be decreased at the rate of [thirty nine cents (\$.39)] forty-five cents (\$.45) for each additional pupil until the total number (ANB) shall have reached a total of one hundred (100) pupils. For a school having an ANB of more than one hundred (100) pupils, the maximum of [four hundred ninety five dollars (\$495)] five hundred sixty-nine dollars and twenty-five cents (\$569.25) shall be decreased at the rate of [forty six cents (\$.46)] fifty three cents (\$.53) for each additional pupil until the ANB shall have reached three hundred (300) pupils. For a school having an ANB of more than three hundred (300) pupils, the maximum shall not exceed [four hundred two dollars and twenty five cents (\$402.25)] four hundred sixty-two dollars and sixty cents (\$462.60) for each pupil; provided that the maximum per pupil, for all pupils, ANB, shall figure on the basis of the amount allowed herein on account of the last eligible pupil, ANB, and provided further that all schools operated within the incorporated limits of a city or town shall be treated as a school unit for the purpose of this schedule.

The maximum per pupil for all pupils (ANB) and for all schools shall be computed on the basis of the amount allowed herein on account of the last eligible pupil, ANB.”

And be further amended in Section 2, pages 5 and 6, lines 31 through 70

of the printed bill by deleting all of the material therein in its entirety and inserting in lieu thereof the following:

“High Schools

(1) For each high school having an ANB of twenty-four (24) or fewer pupils, the maximum shall be [thirty one thousand eighty five dollars (\$31,085)] thirty-six thousand six hundred eighty dollars (\$36,680).

(2) For a secondary school having an ANB of more than twenty-four (24) pupils, the maximum [twelve hundred ninety five dollars (\$1,295)] fifteen hundred twenty-eight dollars and ten cents (\$1,528.10) shall be decreased at the rate of [eight dollars and fifty five cents (\$8.55)] ten dollars and nine cents (\$10.09) for each additional pupil until the ANB shall have reached a total of forty (40) such pupils. For a school having an ANB of more than forty (40) pupils, the maximum of [eleven hundred fifty eight dollars (\$1,158)] thirteen hundred sixty-six dollars and forty-five cents (\$1,366.45) shall be decreased at a rate of [five dollars and seventy nine cents (\$5.79)] six dollars and eighty-three (\$6.83) for each additional pupil until the ANB shall have reached one hundred (100) pupils. For a school having an ANB of more than one hundred (100) pupils, a maximum of [eight hundred ten dollars and sixty five cents (\$810.65)] nine hundred fifty-six dollars and fifty-seven cents (\$956.57) shall be decreased at the rate of [one dollar and eighty nine cents (\$1.89)] two dollars and twenty-three cents (\$2.23) for each additional pupil until the ANB shall have reached two hundred (200) pupils. For a school having an ANB of more than two hundred (200) pupils, the maximum of [six hundred twenty one dollars and seventy cents (\$621.70)] seven hundred thirty-three dollars and sixty-one cents (\$733.61) shall be decreased by [forty three cents (\$.43)] fifty-one (\$.51) for each additional pupil until the ANB shall have reached three hundred (300) pupils. For a school having an ANB of more than three hundred (300) pupils, the maximum of [five hundred seventy nine dollars (\$579)] six hundred eighty-three dollars and twenty-two cents (\$683.22) shall be decreased at the rate of [eleven cents (\$.11)] thirteen cents (\$.13) until the ANB shall have reached six hundred (600) pupils. For a school having an ANB over six hundred (600) pupils, the maximum shall not exceed [five hundred forty six dollars (\$546)] six hundred forty-four dollars and twenty-eight cents (\$644.28) per pupil.

The maximum per pupil for all pupils (ANB) and for all schools shall be computed on the basis of the amount allowed herein on account of the last eligible pupil, ANB.”

And as so amended, be concurred in.

Mr. Speaker: We, your Committee on Public Health, Welfare and Safety, having had under consideration House Resolution No. 5, respectfully report as follows: That House Resolution No. 5 be amended as follows:

Be amended on page 1, lines 5 and 6, of the title of the original Resolution by striking the following material "[aid to families with dependent children freeze in the social security act.]" and inserting in lieu thereof the following material "freeze of funds relating to aid to families with dependent children under the social security act."

(Material in brackets denotes cancelled type.)

And as amended, be adopted.

ASBJORNSON, Chairman

Report adopted.

HOUSE RESOLUTION NO. 5

Introduced by Barданouve, Christiansen, Patrick, Lund.

A Resolution of the House of Representatives of the State of Montana urging elimination of the aid to families with dependent children freeze in the social security act.

Whereas, the Social Security Amendments of 1967 inserted a provision in the Social Security Act known as the aid to families with dependent children freeze which limits the federal matching funds for AFDC children, and

Whereas, this provision of the Social Security Act will work a hardship on Montana and on other states, and

Whereas, for the fiscal biennium 1969-1971, the State of Montana has found it necessary to budget \$600,000 of state funds and \$300,000 of county funds to offset the estimated loss of federal funds.

Now, therefore, be it resolved by the House of Representatives of the State of Montana:

That the 91st Congress of the United States is urged to carefully consider the hardship to the states caused by the "AFDC freeze" and eliminate this provision from the law.

Be it further resolved that the Chief Clerk of the House is directed to send a copy of this resolution to the President of the United States Senate, to the Speaker of the United States House of Representatives, to the Director of the Social Security Administration, to the Secretary of Health, Education and Welfare, to the chairman of the Ways and Means Committee of the United States House of Representatives, and to each member of the Montana Congressional Delegation.

February 20, 1969

Mr. Speaker: We, your Committee on Public Health, Welfare and Safety, having had under consideration House Resolution No. 7, respectfully report as follows: That House Resolution No. 7 be adopted.

ASBJORNSON, Chairman

Report adopted.

HOUSE RESOLUTION NO. 7

Introduced by Cashmore

A Resolution of the House of Representatives of the State of Montana requesting the 42nd Legislative Assembly of the State of Montana to create a medical dispensary facility in the state capitol for the benefit of legislators, legislative attaches and registered lobbyists.

Whereas, the weather was extraordinarily inclement during the 41st Legislative Assembly and will probably be extraordinarily inclement during the 42nd Legislative Assembly, and

Whereas, the terrain in Helena, Montana, the seat of government and the capital of the State of Montana, is mountainous and subjects legislators to unusual and extraordinary physical and emotional strain, and

Whereas, the duly elected members of the Legislative Assemblies of the State of Montana have no pre-employment physicals, and, therefore, their physical condition is unknown, and

Whereas, the physical plant and facilities made available to the

members of the Legislative Assembly at the capitol provide no opportunity for rest or relaxation, and

Whereas, the duties of a legislator require dawn to dusk performance beginning with committee hearings at dawn and ending late in the evening when the legislator has conferred with the last of his constituents who have come to the capital to express their views on pending legislation, and

Whereas, a legislator spends many hours in crowded committee rooms and assembly chambers often times overcrowded with visiting student delegations, interested constituents and voters who converge each day upon the capitol during a Legislative Assembly, and

Whereas, legislators are exposed to each and every and all the germs and diseases that exist within the environment, and

Whereas, the legislators have no opportunity during the long, tense, tiring and rigorous duty hours of each legislative day to secure medical attention from competent medical facilities for the infirmities, illnesses and injuries that they incur or receive during their legislative duties, and

Whereas, the citizens of the State of Montana being the electorate of the legislators expect their duly elected legislators to resolve all problems for all people of the State of Montana, and

Whereas, a legislator cannot perform his duties on behalf of the citizens of the State of Montana unless his physical well being is well cared for, and

Whereas, all Montanans recognize the importance and prime concern of having a legislative body in good health, and

Whereas, it is important and necessary for the well being of all Montanans that qualified and experienced legislators be physically able to return to succeeding legislative assemblies in order that the succeeding bodies may have continuity of existence and a reservoir of talent, and

Whereas, it is believed that the Montana Medical Association would volunteer one of its medical doctor members to administer to needy legislators during a Legislative Assembly without charge to the legislator or the State of Montana.

Now, therefore, be it resolved by the House of Representatives of the State of Montana:

1. That this legislative body recommend to the 42nd Legislative Assembly that a first order of business be the providing of suitable space within the capitol building for the establishment of a medical dispensary.

2. That the 42nd Legislative Assembly provide sufficient funds for the employment of one "blue-eyed nurse" registered under the appropriate laws of the State of Montana to practice the profession of nursing and that such person be employed for the 42nd Legislative Assembly and any extraordinary session called thereafter to administer to the needs of the Legislature and to maintain the dispensary facility.

3. That the Legislative Assembly select a spokesman to appear before the Montana Medical Association for the purpose of securing a medical doctor or as many medical doctors as the association shall deem necessary to staff the dispensary during each day of the 42nd Legislative Assembly.

The medical doctor or doctors selected for this duty shall be duly licensed in the State of Montana and provide himself with adequate

pharmaceutical samples to treat the illnesses and injuries of any legislator within the confines of the state capitol building.

4. That the Legislative Assembly further provide that the legislative attaches and registered lobbyists who have such intimate contact with legislators and who cause such emotional strain and harassment be afforded the use of the aforesaid dispensary facility, blue-eyed nurse and medical doctor provided that the necessary care of legislators is not jeopardized.

5. That the 42nd Legislative Assembly be mandated to appropriately recognize each and every medical doctor who gives freely of his professional talent by serving the aforesaid dispensary facility; and, likewise, recognize each pharmaceutical house that gives freely of its medical samples.

6. That the 42nd Legislative Assembly and such other Legislative Assemblies that may put in use the provisos of this resolution grant to each medical doctor the right to lobby in accordance with the Lobby License Law of the State of Montana then in effect without the obligation to pay the lobby license fee.

"Section 1. Rules and regulations— specifications for devices and equipment. (a) The secretary of state, state auditor and president of the Montana county clerk and recorders association shall constitute a board of election devices, which shall promulgate rules for the administration of this section, and shall approve the marking devices and automatic tabulating equipment used in electronic voting systems.

(b) No marking device or automatic tabulating equipment shall be approved unless it fulfills the following requirements:

(1) It shall permit and require voting in absolute secrecy.

(2) It shall permit each elector to vote at any election for all persons and offices for whom and for which he is lawfully entitled to vote, and no others; to vote for as many persons for an office as he is entitled to vote for; to vote for or against any question upon which he is entitled to vote; and to vote, where applicable, for all candidates of one (1) party or to vote a split ticket as he desires.

(3) It shall permit each elector, at presidential elections, by one (1) punch or mark to vote for the candidates of that party for presidential elector as a group.

(4) It shall comply with all other requirements of the election laws so far as they are applicable.

(5) No electronic voting system presently in use by any county, city or town in Montana shall be disapproved for use in such county, city or town by the board, except upon application by the governing body of said county, city or town."

And further amend section 186, page 99, line 12 of the original bill, being section 186, page 98, line 1 of the printed bill, after the word "Within", by striking the word and figures "[thirty (30)]" and inserting in lieu thereof the word and figures "twenty (20)".

(Material in brackets denotes cancelled type.)

And as amended, be concurred in.

NEWBY, Vice Chairman

Report adopted.

MESSAGES FROM THE GOVERNOR

February 24, 1969

Honorable James Lucas
Speaker of the House
House of Representatives
State Capitol
Helena, Montana

Sir:

I have the honor to inform you that I have this day approved the following measure:

House Bill No. 49.

Sincerely,

FORREST H. ANDERSON,
Governor

February 24, 1969

Honorable Thomas Judge
President of the Senate
State Capitol
Helena Montana

Honorable James Lucas
Speaker of the House
House of Representatives
State Capitol
Helena, Montana

Sirs:

I am returning House Bill 86 without my signature. This measure was originally submitted to the legislative assembly with the recommendation of the Unemployment Compensation Commission of Montana. It was the belief of the Commission at the time of submission that this bill providing for reciprocity in collection of wrongfully obtained unemployment compensation benefits would be of material assistance to the State of Montana.

The Commission has made a new review and study and has now determined that passage of this measure would not result in materially greater collections by the State of Montana, would cause a sizeable increase in administrative costs, and would be detrimental rather than beneficial.

Sincerely,

FORREST H. ANDERSON,
Governor

A motion was made by Mather that the House reconsider House Bill No. 86. The motion failed by the following vote:

House Bill No. 488, introduced by Dye (by request).

House Bill No. 437, introduced by Pat Williams, et al.

Respectfully,

WALTER H. MARSHALL,
Secretary of the Senate

February 25, 1969

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that the Senate this day refused to concur in the House amendments to Senate Bills No. 10, 9 and 104 and requests the House to appoint a Conference Committee to confer with a like committee from the Senate in said amendments.

The President appointed the following:

Thiessen, Chairman

Brownfield

Bollinger.

Respectfully,

WALTER H. MARSHALL,
Secretary of the Senate

February 25, 1969

Mr. Speaker:

I am directed by the Senate to request the return of House Bills No. 437 and 499 for further consideration by the Senate.

Mr. Speaker: We, your Committee on Highways, having had under consideration House Resolution No. 10, respectfully report as follows: That House Resolution No. 10 be adopted.

DYE, Chairman

Report adopted.

HOUSE RESOLUTION NO. 10

Introduced by Teeple, Dye, Payne, Fleming, Schoonover, Harlow, Kendall, Baeth, Melcher, Johnston, Aubert, Gilligan, Romney, Staigmiller,

Watt, Steele, Robbins, Zimmer, Fasbender, Marks, Jordan, Combs, Hemstad, East.

A resolution of the House of Representatives of the State of Montana requesting the attorney general to study the need for regulation of the use of roads and highways which traverse national forests located in Montana; and to recommend any necessary legislation to provide for the adequate regulation of the use of the roads and highways to the Forty-Second Legislative Assembly.

Whereas, there are numerous roads and highways which traverse the national forests located in Montana; and

Whereas, because of increases in the leisure time of the American people, there is now a great demand for the use of the the roads and highways which are in our national forests for hunting, fishing, winter sports, scenic beauty, and other outdoor recreation; and

Whereas, because of increases in the population of the American people there will be an even greater demand for travel through our national forests in the future; and

Whereas, there is presently no traffic regulation on these roads and highways which traverse our national forests; and

Whereas, because of this lack of traffic regulation, there is evidence of misuse of these roads and highways creating a clear and present danger to the general public in their use of the aforementioned roads and highways,

Now, therefore, be it resolved by the House of Representatives of the State of Montana:

To study the need for traffic regulation on roads and highways which traverse the national forests located in Montana.

Be it further resolved, that the Attorney General prepare and have ready for submission to the Forty-Second Legislative Assembly such plans and programs as he may formulate under this directive, together with suitable recommendations, and a draft of any proposed legislation to carry out those objectives.

Be it further resolved, that the Secretary of State is instructed to send a copy of this resolution to the Attorney General.

SECOND READING OF BILLS (COMMITTEE OF THE WHOLE)

A motion was made by Mather that the House resolve itself into a Committee of the Whole for the consideration of business under Second Reading. Motion carried.

Fasbender in the Chair. Committee arose.

House resumed. Mr. Speaker in the Chair.

Mr. Speaker: We, your Committee of the Whole, having had under consideration business on Second Reading, recommend as follows:

That House Bill No. 602 do pass.

That House Bill No. 607 do pass.

That House Bill No. 608 do pass.

That House Bill No. 609 do pass.

That House Bill No. 610 be amended in the title at line 8, page 1, of the original bill, being line 7 in the title of the printed bill, by deleting the word "twelve" and inserting in lieu thereof the word "nine".

Further amend Section 3 by adding after the word study on line 25, page 1 of the original bill, being line 4, page 2 of the printed bill, the following: "On behalf and for the commission the governor shall make application for any federal funds available for the study authorized by this act and shall enter into any contracts required for receipt of federal funds with the appropriate agency or agencies of the federal government,"

Further amend Section 4, being lines 26, page 1, through line 7, page 2, of the original bill and lines 1 through 12, page 2, of the printed bill, by striking said section in its entirety and inserting in lieu thereof the following:

"Section 4. There is hereby created a commission on the reorganization of the executive branch of state government consisting of nine (9) members including the governor and eight (8) additional members as follows:

(1) Four (4) members of the house of representatives appointed by the speaker, two (2) from each political party;

(2) Four (4) members of the senate appointed by the committee on committees, two (2) from each political party.

Any vacancy occurring in the members appointed in the commission shall be filled by the remaining members appointed from the same house and political party as the former member."

Further to amend Section 8, being lines 24, page 2 through line 2, page 3 of the original bill, being lines 1 through 9 of page 3 of the printed bill by striking said Section 8 and the whole thereof and inserting in lieu thereof the following:

"Section 8. The governor shall schedule meetings of the commission as deemed necessary, but meetings shall be held at least bi-monthly. The governor shall give due notice of the time and place of the meetings to members of the commission. The director shall report progress on the study to date at each meeting."

Further to amend Section 9, being lines 3 through 12, page 3 of the original bill and lines 1 through 10, page 3 of the printed bill by striking the same in its entirety and inserting in lieu thereof the following:

"Section 9. The director shall make a detailed and thorough study of the executive branch of state government and of the possible reorganization thereof. The director shall prepare a written report, including recommendations, and any necessary implementing legislation on the recommended reorganization of the executive branch of state government to the commission. All recommendations of the director must be approved by a vote of at least six (6) members of the commission before being adopted by the commission. The recommendations, if any, adopted by the commission, shall be reported in written form and made available to the members of the legislative assembly no later than December 1, 1970."

Further to amend Section 10, being lines 13 through 14, page 3 of the original bill, and lines 1 and 2, page 3 of the printed bill, by striking the same in its entirety and adding in lieu thereof the following:

"Section 10. The chairman is authorized to secure directly from any executive department, bureau, agency, board, commission, office, independent establishment or instrumentality, information suggestions, estimates and statistics for the purpose of this act and each such department, bureau, agency, board, commission, office, independent establishment or instrumentality is authorized and directed to furnish such information, suggestions, estimates, and statistics directly to the director upon request made by the chairman."

And further to amend said bill by adding thereto the following:

"Section 11. Section 4 of this act is effective upon passage and approval."

And as amended, do pass.

That House Bill No. 611 be amended on page 1, line 2 of the title of the printed bill before the word "from" by striking the figures "[250,000]" and inserting in lieu thereof "2,000,000"

Further amend page 1, line 4 of the title of the printed bill after the word and punctuation "controller," by adding the material "of which \$250,000 is"

Further amend page 1, line 5 of the title of the printed bill before the word "of" by striking the word "[capital]" and inserting in lieu thereof the word "capitol"

Further amend page 1, line 5 of the title of the printed bill after the word and punctuation "state," by adding the following material: "\$1,000,000 is for construction of a Supreme Court and Library, and \$750,000 for House and Senate renovation"

Further amend page 1, section 1, line 1 of the printed bill after the word "appropriated" by adding the figures "\$2,000,000"

Further amend page 1, section 1, following line 3 of the printed bill by adding the following material:

- | | |
|--|-----------|
| "(b) for construction of a supreme court building
and library | 1,000,000 |
| (c) for house and senate renovation | 750,000" |

(Material in brackets denotes cancelled type.)

And as amended, do pass.

That House Bill No. 592 be amended in section 1, page 1, line 3 of the printed bill being Section 1, page 1, line 12 of the original bill, after the word and punctuation "fund," by inserting the words and figures "park account no. 220500,"

And further amend in Section 2, page 1, line 3 of the printed bill, being Section 2, page 1, line 17 of the original bill, after the word "fund" by inserting the punctuation "," and the words and figures "account no. 418600,"

And as amended, do pass.

That House Bill No. 612 be amended in section 1, subsection (2) before line 2, page 3 of the original bill, being before line 60, page 3 of the printed bill by inserting the following:

"Fish hatchery Libby Dam area

750,000

This is money from the Corps of Engineers to allow payment for construction and operation. This payment is in mitigation for fish losses occasioned by the construction of Libby Dam.",

And be further amended in section 1, subsection (1) in line 11, page 2 of the original bill, being line 35, page 2 of the printed bill by deleting the figures "70,000" and inserting in lieu thereof the figures "60,000",

And be further amended in section 1, subsection (2) in line 28, page 2 of the original bill, being line 53, page 3 of the printed bill by deleting the figures "70,000" and inserting in lieu thereof the figures "60,000", and as amended, do pass.

That the Committee rise and report and beg leave to sit again.

SPECIAL ORDERS OF THE DAY

The following report of the Necrology Committee was presented to the House with appropriate ceremonies:

IN MEMORIAM 1969

AFTERWORD

One cannot stand forever at a new
made grave,
The last dry sob must somehow be
kept down —
There's nothing left to do but
turn about
And start the long slow journey
back to town,
"We die a little, too," someone
has said
"When death comes to an old and
well loved friend."
Beneath the cypress we leave
something too,
Out of ourselves — that's missing
to the end.
Somehow the long days pass on into
Time.
The Loom of Life goes steadily on
and on,
Weaving a pattern that holds
beauty still,
E'en tho' one lovely colored
strand is gone.

— Eleanor Dougherty

Whereas, it is with deep and sincere sorrow that the members of the House of Representatives of the State of Montana of the Forty-first Legislative Assembly record the passing of the distinguished former members of this body;

Whereas, it is fitting and proper that the outstanding records and accomplishments of the late Representatives be placed on record in this Assembly, and the following facts relative to their careers are hereby noted:

EDWARD V. AHERN

E. V. Ahern, 68, former Helena resident and investigating attorney for the Securities Exchange Commission division in Denver, died April 27, 1968.

Mr. Ahern was born in Chicago, Illinois, July 1899, and the family moved to Helena where he attended both elementary and high schools.

Mr. Ahern studied law at Georgetown University and was a member of the Legislature from Hill County in 1941. He served in the tank corps in World War I. He practiced law in Havre with Arthur Lamey and was at one time County Attorney of Hill County.

Mr. Ahern was married to the former Lucretia Archibald in Havre in 1933.

He left Havre in 1943 to work for the Security Exchange Commission in Philadelphia and had held his Denver post since 1955.

Survivors besides his widow, are four children, John, Helen, Connie and Michael; two sisters, Mrs. E. L. Bell of Lewistown and Mrs. A. W. Verharen, Tucson, Arizona; and several nieces and nephews, including Ed Bell, of Helena.

VOLNEY ANDERSEN

Volney Andersen, onetime Montana State Legislator, was born October 2, 1896, in Hutchinson, Minnesota, to parents Marius and Helena Olesen Andersen. He graduated from Hutchinson High School and served in the U. S. Army. His profession was farming.

June 26, 1926, he married Aldyth Baardson at Glendive, Montana.

Mr. Andersen, a Democrat, served in the House of Representatives for two terms, 1949-1953. He served as Chairman on Irrigation and Water Rights, Water Conservation, State Lands, Agriculture, Education, Privileges and Elections, Charities and Reforms and Public Morals.

Mr. Andersen served on School Board District 5, REA Board, Church Council, and was Commander of Veterans' of World War I. He was awarded a 30-year plaque for services on Lower Yellowstone irrigation boards. He was a member of Pella Lutheran Church, Sidney, Montana.

Mr. Andersen suffered a fatal heart attack June 22, 1968. He is survived by his wife, Aldyth, of Sidney; two sons, Eugene M. Andersen, in college in Alaska, and Milo Andersen, Williston, North Dakota; a sister Mrs. Henius Hansen, Sidney, Montana; brothers, Viggo Andersen, Sidney, Montana and Vernon Andersen, Redmond, Oregon.

STANLEY T. ANTRIM

Stanley Antrim, former Ravalli County Legislator died January 23, 1968, in a Missoula hospital.

He served as a Representative from Ravalli County in the 1939, 1941, 1943 and 1945 sessions.

Born on September 8, 1898, at Freeport, Illinois, he attended Freeport schools and Dartmouth College. He came to Montana and farmed north of Stevensville since 1925.

Mr. Antrim was a Methodist and a member of the Masonic Lodge. MESSAGES FROM THE GOVERNOR

February 28, 1969

Honorable Thomas Judge
President of the Senate
State Capitol
Helena, Montana

Honorable James Lucas
Speaker of the House
House of Representatives
State Capitol
Helena, Montana

Sirs:

I am returning without my signature Senate Bill No. 155 which would change the existing method of computing retirement allowances for judges. Members of our state judiciary now receive a retirement allowance calculated according to the current salary paid for the office. Senate Bill No. 155 would limit future retirement allowances to the salary received by the judge on the date of his retirement.

The present system permits increases in retirement when the legislature sees fit to increase the salary of the office, thereby automatically allowing for the increased costs created by inflation and the constantly rising costs of living. It would be desirable if the retirement incomes of all retired state employees could be computed on a similar basis. Funds are not now available to treat all retired state employees in this way; but, I am informed that ample funds are available to permit judges retirement allowances to be increased when salaries are increased. I feel that this small benefit should not be denied to the members of our judiciary.

Sincerely,

FORREST H. ANDERSON,
Governor

MESSAGES FROM THE SENATE

March 2, 1969

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that the Senate this day did, on roll call vote, over-ride the Governor's veto on Senate Bill No. 155, introduced by Bertsche, and the bill is herewith transmitted to the House for consideration.

Respectfully,

FRANK R. SENNETT, Acting
Secretary of the Senate

A motion was made by Mather that the House reconsider Senate Bill No. 155. The motion carried by the following vote:

Ayes: Asbjornson, Aspevig, Aubert, Baeth, Bardanouve, Brand, Brown-

lee, Burnett, Campbell, Casey, Cashmore, Christiansen, Combs, Dye, East, Eggebrecht, Fagg, Falkenstern, Feda, Fleming, Forester, Giesick, Glennen, Goan, Gunderson, Hemstad, M. E. Holtz, Johnston, Jurcich, Kendall, Knudsen, Kolstad, Kosena, Laas, Lund, Lundgren, Marks, Mehrens, Melcher, Newby, Nichols, Nugent, Nyquist, Patrick, Payne, Pierce, Polich, Prevost, Romney, Rygg, Shively, C. M. Smith, E. B. Smith, Spilde, Staigmiller, Steele, Swan, Ulmer, Warfield, Watt, Wayrynen, White, Whitney, Pat Williams, W. G. Williams, Yardley. Total 66.

REPORTS OF STANDING COMMITTEES

March 3, 1969

Mr. Speaker: We, your Committee on Livestock and Ranges, having had under consideration House Resolution No. 9, respectfully report as follows: That House Resolution No. 9 be amended as follows:

Amend the title in line 6, page 1 of the original resolution following the word "inspection" by omitting the word "standards";

Amend lines 12 and 13, page 1 of the original resolution by omitting all of the material in those lines and inserting in lieu thereof: "on many butcher shops, locker plants, processing and packing plants in their efforts to conform with the act, forcing many such shops and plants to close, and"

Amend line 14, page 1 of the original resolution by striking the word "[will]" and inserting in lieu thereof the word "could"

(Material in brackets denotes cancelled type.)

And as amended, be adopted.

CARL SMITH, Chairman

Report adopted.

HOUSE RESOLUTION NO. 9

Introduced by Robbins, Harrison, Jordan, Mather.

A resolution of the House of Representatives of the State of Montana requesting Congress to change the wholesome meat act to provide that federal inspection standards be applied only to meat in interstate commerce.

Whereas, the livestock industry is not enjoying the same degree of prosperity as other segments of industry; and

Whereas, the wholesome meat act is placing an undue burden on the small butcher shops and locker plants in their efforts to conform with the act, forcing many such plants to close, and

Whereas, the required new inspection regulations will prevent the farmer and rancher from having his own beef processed as has been the custom in Montana; and

Whereas, the taxpayers will be charged approximately one-half billion dollars to support an additional 30,000 meat inspectors; and

Whereas, 3 billion dollars worth of meat is being imported annually, much of it from nations where even the practice of rudimentary sanitation is unknown.

Now, therefore, be it resolved by the House of Representatives of the State of Montana:

That the United States Congress is urged to amend the Wholesome Meat Act so that the states will have the sole responsibility of inspecting meat for intrastate shipment and federal inspection standards will be applied only to plants selling meat in interstate commerce.

Be it further resolved, that the clerk of the house is requested to send copies of this resolution to each member of the Montana Congressional Delegation, to the Speaker of the United States House of Representatives, to the President of the United States Senate and to the Secretary of Agriculture.

REPORTS OF SELECT COMMITTEES JOINT CONFERENCE COMMITTEE REPORT

Mr. President and Speaker of the House:

We, your joint Senate and House Conference Committee on Senate Bill No. 149, beg leave to report as follows:

That we met this day and considered House amendments to Senate Bill No. 149 and recommend as follows:

That the House recede from the House amendments and that the House and Senate accede to the following amendments:

Amend the title on page 1, lines 5 and 6, of the original bill, being page 1, lines 2 and 3 of the printed bill, by omitting the words "an increase" and inserting in lieu thereof the word "increases";

Further amend the title on page 1, line 6, of the original bill, being page 1, line 4 of the printed bill, by omitting the word "board" and inserting in lieu thereof the word "boards";

Further amend the title on page 1, lines 7 and 8 of the original bill, being page 1, lines 4 and 5 of the printed bill, as amended by the Committee of the Whole on February 11, by omitting the following material "from twenty mills to twenty-four mills";

Further amend section 1, page 1, line 23 of the original bill, being section 1, page 1, line 10 of the printed bill following the word "year" by inserting the words, figures and punctuation "for counties of the fourth, fifth, sixth and seventh classes, and twenty-two (22) mills on each dollar of the taxable valuation for any one (1) year for counties of the first, second and third classes and".

And recommend that the same be adopted.

FOR THE SENATE:

That House Bill No. 551 be amended in the title, line 12, page 1 of the original bill being line 13, page 1 of the printed bill, by striking the period and quotation marks after the word "available" and inserting

in lieu thereof “, providing for reversion of certain funds to the long range building program account, bond proceeds and insurance clearance fund under certain conditions, and providing criteria for disbursement of funds herein appropriated.”

And further amend the body of the bill after line 29, page 1 of the original bill being line 3, page 2 of the printed bill by adding the following material:

“Section 4. Every dollar of the federal matching monies received for construction under the provisions of this act shall be used to reduce by an equal amount monies herein appropriated, and such reversions shall be redeposited to the credit of the long range building program account, bond proceeds and insurance clearance fund.

Section 5. No monies shall be disbursed under the provisions of this act until such time as the following criteria have been met:

a. The Vo-Tech centers herein designated shall have submitted to the state board plans for capital construction to be built using funds appropriated under the provision of this act, and such plans shall have been approved by the board.

b. A financial plan shall have been submitted showing how the cost of such capital construction is to be distributed between Federal, State, and local funding and approved by the board, and providing local funding shall provide at least one-half of construction costs.

c. The proposed curriculum for the centers shall have been submitted to the board and approved.

Section 6. Any other provisions of this bill notwithstanding, no more than \$100,000 of the amount herein appropriated for each center may be released for preliminary work and planning including land acquisition and architectural design and planning work relating thereto.”

And as amended, do not pass.

That the Committee rise and report and beg leave to sit again.

JOINT CONFERENCE COMMITTEE REPORT

Mr. Speaker and President of the Senate:

We, your joint House and Senate Conference Committee, having had under consideration House amendments to Senate Bill No. 323, beg leave to report as follows:

That the House agrees to recede from the following House amendments:

And further amend section 49, page 24, following line 7 of the original bill, being section 49, following line 23, page 24 of the printed bill by adding a new subsection which reads as follows:

“(b) The board of county commissioners may appoint additional counting boards of election judges and clerks whose duties are to tabulate absentee ballots cast for the individual candidates and issues on the ballot.”

And further amend section 77, subsection (2), page 43, line 15 of the original bill, being section 77, subsection (2), page 43, line 10 of the printed bill, after the word “act” by adding the words “or acts”

And further amend section 77, subsection (2), page 43, line 15 of the original bill, being section 77, subsection (2), page 43, line 11 of the printed bill, after the word “unlawful” by striking the punctuation and words “[, or acts]”

(Material in brackets denotes cancelled type.)

And further amend page 68 following line 2 of section 126 of the original bill, being page 68 following line 7 of section 126 of the printed bill, by adding a new section which reads as follows:

“Section 127. (1) The board of county commissioners may appoint additional election board who shall tabulate, in the manner provided by law, absentee ballots by precinct cast for the individual candidates and issues on the ballot. The board shall certify the results to the registrar.

(2) The election judges and clerks of the additional counting board shall take the same instructions and oaths other judges and clerks are required to take.

(3) There shall be no more than a majority of election judges represented by one political party.

(4) The counting of absentee ballots shall commence on the day of election at a time and place designated by the commissioners. The counting shall not be open to the public and this board shall be dismissed no earlier than the time of closing of the polls.

(5) The judges shall reject any ballot on hand if the name of the voter is not listed on the “certificates and record of absentee voters” furnished by the registrar.

(6) The counting board shall also meet at 8 a.m. on the day following election day to transfer the totals of the absentee ballots from their return sheets to the totals on the final return sheets compiled at the polls.

(7) The city clerk and school district clerk shall perform all duties prescribed for the registrar in this section. However, the commissioners shall appoint the members of the auxiliary counting board only.”

And further amend by renumbering all of the sections following the amendment which creates a new section 127 in this act.

And further amend section 129, line 6, page 69 of the original bill, being section 129, line 1, subsection 1, page 69 of the printed bill following the number "(1)" by inserting the following material "except as provided in section 127 of this act,"

And further amend section 143, subsection (2), page 77, line 8 of the original bill, being section 143, subsection (2), page 77, line 12 of the printed bill, after the word "shall" by striking the word "[not]"

(Material in brackets denotes cancelled type.)

That the Senate agrees to accede to the following House amendments to Senate Bill No. 323:

By amending section 12, subsection (1), page 6, line 19 of the original bill, being section 12, subsection (1), page 7, line 4 of the printed bill, after the word "county" by inserting the words and parentheses "(if such therebe)".

And further amend section 14, page 7, line 12 of the original bill being section 14, page 7, line 3 of the printed bill, after the word "county" insert the words and punctuation "if a newspaper is published therein, otherwise in a newspaper of general circulation therein,"

And further amend section 29, subsection (3), page 12, line 21 of the original bill, being section 29, subsection, (3) page 13, line 9 of the printed bill, by striking the word "[registry]" as it appears the last time in that line and inserting in lieu thereof the word "register"

And further amend section 29, subsection (3), page 12, line 22 of the original bill, being section 29, subsection (3), page 13, line 10 of the printed bill, by striking the word "[registry]" and inserting in lieu thereof the word "register"

(Material in brackets denotes cancelled type.)

And further amend section 34, subsection (1), following article (c), page 15, line 24 of the original bill, being section 34, subsection (1), following article (c), page 16, line 8 of the printed bill, by adding the following new material "(d) notify the elector within five (5) days by registered United States Mail that his qualifications as an elector have been challenged."

And further amend section 54, subsection (1), page 25, line 22 of the original bill, being section 54, subsection (1), page 26, line 2 of the printed bill, after the word "of" by striking the word "[instructions]" and inserting in lieu thereof the word "instruction"

And further amend section 96, subsection (1), article (a), page 53, line 28 of the original bill, being section 96, subsection (1), article (a), page 54, line 6 of the printed bill, after the word "be" by striking the word "[in]"

And further amend section 106, subsection (3), page 59, lines 18 and 19 of the original bill, being section 106, subsection (3), page 59, line 8 of the printed bill, after the letter and punctuation "X" by striking the following material "[in the square before the amendment or question.]" and inserting in lieu thereof the following material "in the applicable square indicating his vote either for or against the amendment or question,"

(Material in brackets denotes cancelled type.)

And further amend section 146, subsection (3), page 79, lines 8 through 13 of the original bill, being section 146, subsection (3), page 79, lines 7 through 11 of the printed bill, by striking the subsection in its entirety.

And further amend section 159, page 85, line 1 of the original bill, being section 159, page 84, line 1 of the printed bill, following the number and punctuation "159." by inserting the following "(1)"

And further amend section 159, page 85, following line 5 of the original bill, being section 159, page 84, following line 5 of the printed bill, by adding a new subsection which reads as follows:

"(2) Where voting machines are used, an elector may request to vote by paper ballot instead of using the voting machines. The election judges shall provide the elector with a paper ballot when requested. Paper ballots shall be cast and counted by the election judges in the manner provided by law."

And further amend section 166, page 88, following line 3 of the original bill, being section 166, page 87, following line 24 of the printed bill, by adding a new subsection which reads as follows:

(5) In precincts where an electronic voting system is used, an elector may request a paper ballot to cast his vote and the election judges shall supply the elector with the paper ballot when so requested. These ballots will be cast and counted by the election judges in the manner provided by law."

And further amend section 166, subsection (1), page 87, line 8 of the original bill, being section 166, subsection (1), page 87, line 2 of the printed bill, after the word and punctuation "elections," by adding the following material "after approval as provided by law,"

And further amend section 166, subsection (4), page 87, line 26 of the original bill, being section 166, subsection (4), page 87, line 18 of the printed bill, after the word "may" by adding the punctuation and words ", after approval as provided by law."

And further amend section 169, page 92, line 5 through 30 and page 93, line 1 through 3 of the original bill, being section 169, page 91, line 1 through 4 and page 92, lines 5 through 25 of the printed bill, by striking the material therein in its entirety, after the words and figures "Section 169." and inserting in lieu thereof the following material: "Rules and regulations—specifications for devices and equipment. (a) The secretary of state, state auditor and president of the Montana county clerk and recorders association shall constitute a board of election devices, which shall promulgate rules for the administration of this section, and shall approve the marking devices and automatic tabulating equipment used in electronic voting systems.

(b) No marking device or automatic tabulating equipment shall be approved unless it fulfills the following requirements:

(1) It shall permit and require voting in absolute secrecy.

(2) It shall permit each elector to vote at any election for all persons and offices for whom and for which he is lawfully entitled to vote, and no others; to vote for as many persons for an office as he is entitled to vote for; to vote for or against any question upon which he is entitled to vote; and to vote, where applicable, for all candidates of one (1) party or to vote a split ticket as he desires.

(3) It shall permit each elector, at presidential elections, by one (1) punch or mark to vote for the candidates of that party for presidential elector as a group.

(4) It shall comply with all other requirements of the election laws so far as they are applicable.

(5) No electronic voting system presently in use by any county,

city or town in Montana shall be disapproved for use in such county, city or town by the board, except upon application by the governing body of said county, city or town."

And further amend section 186, page 99, line 12 of the original bill, being section 186, page 98, line 1 of the printed bill, after the word "within", by striking the word and figures "[thirty (30)]" and inserting in lieu thereof the word and figures "twenty (20)" .

(Material in brackets denotes cancelled type.)

And the Senate also accedes to a new amendment as follows:

And further amend section 146, subsection (2), page 79, lines 4 and 5 of the original bill, being section 146, subsection (2), page 78, line 4 of the printed bill, by striking the following words and punctuation "[except as provided in subsection (3) of this section, a]" and inserting in lieu thereof the capital letter "A".

(Material in brackets denotes cancelled type.)

Hon. James P. Lucas
Speaker of the House
41st Legislative Assembly
Helena, Montana

Hon. Thomas L. Judge
President of the Senate
41st Legislative Assembly
Helena, Montana

Dear Sirs:

I am herewith returning without my signature House Bill No. 362.

Through apparent inadvertance, this bill, which was intended to appropriate \$40,000 to the Montana Bureau of Mines and Geology for coal research, did not include the necessary language to make the appropriation in the body of the bill. The necessary appropriation has now been included in House Bill No. 599, and the purpose sought to be achieved by House Bill No. 362 will be accomplished if House Bill No. 599 is passed in its present form.

Very truly yours,

FORREST H. ANDERSON,
Governor

A motion was made by Mather that the House reconsider House Bill No. 362. The veto was sustained by the following vote:

March 4, 1969

Mr. Speaker: We, your Committee on Fish and Game, having had under consideration House Resolution No. 12, respectfully report as follows: That House Resolution No. 12 be adopted.

W. G. WILLIAMS, Chairman

Report adopted.

House Resolution No. 12, introduced by Feda, Asbjornson, Aspevig, Aubert, Baeth, Brownlee, Burnett, Campbell, Casey, Cashmore, Christiansen, Clemow, Combs, Cranston, Dye, East, Egan, Fagg, Falkenstern, Feisthamel, Fleming, Forester, Giesick, Glennen, Goan, Hageman, Haines, Healy, Hemstad, Himsl, M. E. Holtz, Johnston, Jordan, Jurcich, Kendall, Knudsen, Kolstad, Kosena, Kvaalen, Laas, Lee, Loble, Lombardi, Lucas, Lund, Lundgren, Marks, Mather, McCulloch, Mehrens, Murphy, Newby, Nichols, Nugent, Nyquist, Patrick, Payne, Perry, Pierce, Polich, Prevost, Robbins, Rygg, Schoonover, Scott, Shively, C. M. Smith, E. B. Smith, Spilde, Staigmiller, Stratton, Swan, Teeple, Ulmer, Warfield, Wayrynen, White, Whitney, Worden, Zimmer:

A Resolution by the House of Representatives of the State of Montana urging Congress to repeal the gun control act of 1968.

Whereas, most Montana citizens believe that there should be no restriction on interstate firearm traffic especially when the restrictions materially interfere with legitimate recreational and self-protection use of firearms by law-abiding citizens, and

Whereas, the gun control act of 1968 strengthens federal controls over interstate and foreign commerce in firearms and the proponents of the act stated that "its slight inconvenience for a few is minimal when measured against the protection for all," and

Whereas, the inconvenience of this act is much more than "slight" and unduly burdens manufacturers, dealers and purchasers with voluminous record-keeping and other paper work, and

Whereas, under section 922 (b) (5) of the act, before a manufacturer or dealer may sell a single box of ammunition he must record the date of sale, name of manufacturer, caliber or gauge, quantity sold, name, address and age of the purchaser and even the mode of identifying the purchaser's age, and

Whereas, section 922 (d) of the act makes it unlawful to sell firearms or ammunition to anyone the dealer or manufacturer has reason to believe is under indictment, has been formerly convicted of a crime, is a fugitive from justice, uses drugs, or is mentally defective, and

Whereas, these requirements and others are unrealistic, burdensome, time-consuming, expensive, and in some cases impossible to comply with, and

Whereas, the basic problem is crime, not firearms, and yet the right of law abiding citizens to own and use firearms is being threatened because as a nation we are given to emotional situations during which we hope to do away with the unsavory aspects of human nature by passing laws, and

Whereas, the gun control act of 1968 will not stop crime and violence and will not prevent criminals from obtaining weapons illegally, because only the law abiding obey regulatory laws, and

Whereas, this act is just one more step toward licensing, registration, complete control and perhaps even prohibition by the federal government, thus disarming the ordinary law abiding citizen.

Now, therefore, be it resolved by the House of Representatives of the State of Montana:

That the United States Congress is urged to repeal the gun control act of 1968 and to vote against all such future legislation which shows a morale crushing lack of faith in the integrity and good intentions of the American people and would lead to eventual gun control.

Be it further resolved, that the clerk of the House of Representatives is requested to send a copy of this resolution to the President of the United States, the President of the United States Senate, the Speaker of the United States House of Representatives and to each member of the Montana Congressional delegation.

March 3, 1969

Mr. Speaker:

I am directed by the Senate to inform your Honorable Body that House Bill No. 602, was this day recommended that the bill be not concurred in and is herewith returned to the House.

Respectfully,

FRANK R. SENNETT, Acting
Secretary of the Senate

MOTIONS AND RESOLUTIONS

Having voted on the prevailing side in adopting an adverse committee report on Committee of the Whole, W. G. Williams moved that the House reconsider its action on House Bill No. 551.

Ulmer objected on Point of Order.

The Speaker referred the motion by W. G. Williams on House Bill No. 551 to the Rules Committee to be handled on recess of the House.

SECOND READING OF BILLS (COMMITTEE OF THE WHOLE)

A motion was made by Mather that the House resolve itself into a Committee of the Whole for the consideration of business under Second Reading. Motion carried.

Prevost in the Chair. Committee arose.

House resumed. Mr. Speaker in the Chair.

Mr. Speaker: We, your Committee of the Whole, having had under consideration business on Second Reading, recommend as follows:

That Senate amendments to House Bill No. 593 be not concurred in.

That Senate amendments to House Bill No. 603 be not concurred in.

That Senate amendments to House Bill No. 600 be concurred in.

That Senate amendments to House Bill No. 599 be not concurred in.

That Senate amendments to House Bill No. 594 be not concurred in.

That the Committee rise and report and beg leave to sit again.

PREVOST, Chairman

Report adopted.

The Speaker appointed the following Free Conference Committee on House Bill No. 286:

Representative Glennen

Representative Stratton

Representative Jurcich

March 4, 1969

Mr. Speaker: We, your Committee on Bills, beg leave to report the following bills correctly enrolled: House Joint Resolution No. 16, House Bills Nos. 40, 72, 85, 174, 200, 237, 271, 274, 329, 369, 381, 415, 466, 482, 485, 494, 521, 535.

WOODARD, Chairman

REPORTS OF STANDING COMMITTEES

March 4, 1969

Mr. Speaker: We, your Committee on Agriculture and Irrigation, having had under consideration House Resolution No. 16, respectfully report as follows: That House Resolution No. 16 be adopted.

HEMSTAD, Chairman

Report adopted.

House resolution No. 16, introduced by Baeth, Rygg, Teeple, Gilligan, Harlow, Kendall, Fleming, Romney:

A resolution of the House of Representatives of the State of Montana requesting Congress to name the body of water created by the Corps of Engineers dam on the Kootenai river near Libby, Montana, Koocanusa lake.

Whereas, the Corps of Engineers is nearing completion of the Libby dam on the Kootenai river; and

Whereas, Libby dam is the result of extensive negotiations with Canada and the United States of America; and

Whereas, when Libby dam is completed, the lake created will extend into Canada more than forty miles; and

Whereas, the lake created by Libby dam will benefit greatly both the United States and Canada.

Now, therefore, be it resolved by the House of Representatives of the State of Montana:

That the United States Congress is urged to name the lake created by the construction of Libby dam, Koocanusa, which is a combination of the words, Canada, Kootenai, and United States of America which will represent the spirit of cooperation in the development of our natural resources between two great nations of Canada and the United States of America.

Be it further resolved, that the Chief Clerk of the House send a copy of this resolution to each member of Montana's Congressional delegation, to the President of the United States Senate, and the Speaker of the United States House of Representatives.

March 4, 1969

Mr. Speaker: We, your Committee on Research and Resources, having had under consideration House Resolution No. 14, respectfully report as follows: That House Resolution No. 14 be adopted.

LUNDGREN, Chairman

Report adopted.

House Resolution No. 14, introduced by W. G. Williams, Marks, Combs:

A resolution of the House of Representatives that high intensity exterior lighting should be installed to enhance the beauty of Montana's capitol.

Whereas, Montana's capitol, located on a slight rise, visible from throughout the Helena valley, with its lofty copper dome enhanced by a rich patina finish and surmounted by a replica of the statue of liberty, is one of Montana's most beautiful and awe-inspiring structures, and

Whereas, the people of Montana take justifiable pride in this capitol which should be adorned and displayed in accordance with its significance, and

Whereas, the capitol is observed and admired each year by many visitors to our state, and

Whereas, high intensity exterior lighting has added to the nighttime splendor of many buildings in Montana.

Now, therefore be it resolved by the House of Representatives of the State of Montana:

That use of high intensity exterior lighting would greatly enhance

the beauty of Montana's capitol and that such lighting should be installed.

Be it further resolved, that the Chief Clerk of the House of Representatives is requested to send a copy of this resolution to the Governor.

March 4, 1969

Mr. Speaker: We, your Committee on Agriculture and Irrigation, having had under consideration House Resolution No. 17, respectfully report as follows: That House Resolution No. 17 be adopted.

HEMSTAD, Chairman

Report adopted.

House Resolution No. 17, introduced by Gunderson, Ed Smith, Kolstad, Knudsen, Johnston, Lund, Staigmiller, Melcher, Hageman, M. E. Holtz, Prevost, Eggebrecht, Hemstad, Aspevig, Bardanouve, Kvaalen, Wolf, Swan, Fasbender, Fleming, Aubert, Egan, Laas:

A resolution of the House of Representatives of the State of Montana asking the Montana Congressional delegation to request the United States Department of Agriculture to review the marketing of Montana wheat and to reactivate the national loan rate study committee to evaluate changes which would provide equitable loan rates for Montana wheat.

Whereas, the production of wheat is important to the present and future economy of Montana, and

Whereas, the grain farmers in Montana are in a difficult cost price situation which is slowing our entire economy, and

Whereas, the cash market price of wheat in Montana relates significantly to the Commodity Credit Corporation loan rates which are based on the Minneapolis terminal price as established by the United States Department of Agriculture, and

Whereas, the major wheat market for both domestic consumption and exports has shifted from the Minneapolis terminal to terminals on the west coast, and

Whereas, Montana hard premium wheat has a higher cash value than the present Portland, Oregon terminal price which is for soft white wheat, and

Whereas, Portland, Oregon has become an established terminal and export outlet for all types of wheat including much of the Montana production, and

Whereas, the relationship of the Portland terminal price for soft wheat and the Minneapolis terminal price for hard wheat does not give Montana farmers a realistic base for the cash value of our wheat in relation to present Commodity Credit Corporation loan rates, and

Whereas, exports of Montana wheat contribute to a favorable trade balance for the United States which helps our entire economy, and

Whereas, higher prices were negotiated for the International Grain Agreement which should reflect in higher county loan rates, and

Whereas, these should be raised without additional cost to the federal treasury because we now have an inverse export subsidy situation because of the low prices for our wheat.

Now, therefore, be it resolved by the House of Representatives of the State of Montana:

That the House of Representatives of the State of Montana requests the Montana Congressional delegation to ask the United States Department of Agriculture to review these changed wheat marketing conditions and reactivate the National Loan Rate Study Committee which should include members from Montana, and

Be it further resolved, that this group is requested to consider establishing a Portland, Oregon, terminal price for hard wheat, or loan rates which consider an average cash marketing value based on historical cash prices over a period of years, and

Be it further resolved, that the Chief Clerk of the House of Representatives is directed to send copies of this resolution to the Secretary of Agriculture and to each member of the Montana Congressional delegation.

March 4, 1969

Mr. Speaker: We, your Committee on Appropriations, having had under consideration Senate Bill No. 285, respectfully report as follows: That Senate Bill No. 285 be not concurred in.

NICHOLS, Chairman

Report adopted.

MOTIONS AND RESOLUTIONS

A motion was made by Casey that the Speaker appoint a Free Conference Committee to meet with a like committee from the Senate on House Bill No. 594. Motion carried.

A motion was made by Nichols that the Speaker appoint a Free Conference Committee to meet with a like Committee from the Senate on House Bill No. 593. Motion carried.

Egan moved that the Speaker appoint a Free Conference Committee to meet with a like committee from the Senate on House Bill No. 599. Motion carried.

A motion was made by Dye that the Speaker appoint a Conference Committee to meet with a like committee from the Senate on Senate amendments to House Bill No. 603. Motion carried.

Mather moved that the House recess until 1:30 p.m. this day. Motion carried.

House recessed.

AFTERNOON SESSION

House resumed. Mr. Speaker in the chair.

REPORTS OF STANDING COMMITTEES

March 4, 1969

Mr. Speaker: We, your Committee on Education, having had under consideration House Resolution No. 11, respectfully report as follows: That House Resolution No. 11 be adopted.

SHIVELY, Vice-Chairman

Report adopted.

House Resolution No. 11, introduced by Spahr:

A resolution of the House of Representatives of the State of Montana requesting the Department of Public Instruction to conduct a study

of the practicability and feasibility of establishing an educational television network in Montana.

Whereas, because of its sparse population and difficult terrain, Montana will for the foreseeable future require many small rural schools where the demands of modern education placed on the teacher often exceed his training and ability and the teacher needs all the assistance possible through modern methods and media, and

Whereas, other Montana schools face growing enrollments and a continuing shortage of skilled teachers in some areas, and

Whereas, the advent of educational television has been called the most significant advancement in the field of education since the invention of the printing press, and

Whereas, the problems of providing quality education with the resources available in our sparsely populated state can be lessened materially by the widespread application of televised instruction, and

Whereas, television has great potential for the solution of educational problems of small schools by broadening the curricula and giving the teacher assistance of specialists in many fields, and

Whereas, television also has great potential for the solution of educational problems resulting from increased enrollments by improving instruction through magnification of the most minute and intricate scientific demonstrations and avoiding duplication of courses by enabling large numbers of students to see and hear televised lectures at one time, and

Whereas, an educational television system for Montana would not only aid our school systems but would also bring education to the home viewers, including adults who want to finish their education, shut-ins, professional people wishing to continue their education, and farmers seeking agricultural information, and

Whereas, in 1952 the Federal Communications Commission reserved television channels for educational television, six of those channel reservations being in Montana, the loss of which through disuse would be unfortunate.

Now, therefore, be it resolved by the House of Representatives of the State of Montana:

That the Department of Public Instruction is requested to conduct a study of the practicability and feasibility of an educational television system for Montana and present its findings and recommendations to the Forty-second Legislative Assembly. The study should include the potential advantage and areas in which educational television can be used in Montana both to strengthen and improve our educational program by supplementing and enriching school courses and also by providing adult education and training for youth out of school. The study should also include the feasibility of establishing an educational television network for Montana including the educational, technical, legal and financial aspects of such a network.

Be it further resolved, that the Chief Clerk of the House of Representatives is instructed to send a copy of this resolution to the Superintendent of Public Instruction.

March 4, 1969

Mr. Speaker: We, your Committee on Education, having had under consideration House Resolution No. 15, respectfully report as follows: That House Resolution No. 15 be not adopted.

SHIVELY, Vice-Chairman

Forester moved for adoption of the committee report.

As a substitute motion, Speare moved that House Resolution No. 15 be adopted. Motion failed.

Thereupon the committee report was adopted.

March 4, 1969

Mr. Speaker: We, your Committee on Rules and Journal, having had under consideration the objection to motion to reconsider on House Bill No. 551, respectfully report as follows:

That said objection no motion to reconsider House Bill No. 551 is valid and well taken and that said objection should be sustained.

MATHER, Chairman

Casey moved for adoption of the committee report.

As a substitute motion, Hall moved that the Committee report be rejected and that motion to reconsider is properly made.

Swan moved for the previous question. Motion carried.

Hall asked for roll call vote, with the Ayes and Nays spread on the Journal. Sufficient seconds arose. The Speaker called for the roll call vote and the substitute motion carried by the following vote:

Ayes: Aubert, Baeth, Brand, Christiansen, Cranston, Eggebrecht, Fagg, Fasbender, Fleming, Forester, Gerke, Giesick, Gilligan, Glennen, Goan, Gunderson, Hageman, Hall, Harlow, Healy, M. E. Holtz, Johnston, Jurcich, Kendall, Knudsen, Lee, Loble, Lombardi, Mather, McGrath, Mehrens, Melcher, Nugent, Nyquist, Pierce, Polich, Prevost, Robbins, Schoonover, Scott, Spahr, Speare, Staigmiller, Steele, Stratton, Teeple, Watt, Wayrynen, Pat Williams, Woodard, Yardley. Total 51.

Absent or not voting: Feda, Warfield, Mr. Speaker. Total 3.

Excused: Haines, R. W. Holtz, Stimatz, W. G. Williams. Total 4.

The motion to reconsider House action in adopting an adverse Committee of the Whole report on House Bill No. 551 was put before the House.

Hall again asked for roll call vote with the Ayes and Nays spread on the Journal. Sufficient seconds arose.

Marks asked for Call of the House. Sufficient seconds arose and the Speaker ordered Call of the House.

Progress having been shown, Marks moved that the Call of the House be suspended. Motion carried.

The Speaker called for the roll call vote and the motion to reconsider action in adopting an adverse Committee of the Whole report failed by the following vote:

Ayes: Aubert, Baeth, Brand, Christiansen, Cranston, Eggebrecht, Fagg, Fasbender, Fleming, Forester, Gerke, Giesick, Gilligan, Glennen, Goan, Gunderson, Hageman, Hall, Harlow, Healy, M. E. Holtz, Johnston,

Paired: Burnett, aye; Haines, no; Swan, no; Woodard, aye. Total 4.

Absent or not voting: None.

Excused: R. W. Holtz, Stimatz, W. G. Williams. Total 3.

REPORTS OF SELECT COMMITTEES

House Bill No. 528

FREE JOINT CONFERENCE COMMITTEE REPORT

Mr. President and Speaker of the House:

We, your Free Joint Senate and House Conference Committee on House Bill No. 528, beg leave to report as follows:

That we met this day and considered Senate amendments to House Bill No. 528 and recommend as follows:

That the House accede to paragraph 1 of the Senate amendments to the title as follows:

"Amend the title, page 1, line 7 of the original bill, being page 1, line 2 of the title of the printed bill after the word "to" by omitting the word "increase" and inserting in lieu thereof the word "establish".

That the Senate recede from paragraphs 2 and 3 of the Senate amendments to the title and section 1 as follows:

"Further amend the title, page 1, lines 8, 9 and 10 of the original bill, being lines 4 and 5 of the printed bill after the word "cities" by omitting the following material: "from four hundred fifty dollars (\$450) per month to six hundred fifty dollars (\$650) per month".

"Amend section 1, page 1, lines 18 through 25 of the original bill, being section 1, page 1, lines 5 through 11 of the printed bill after the word "shall" by deleting all of the material in the sentence ending with the word "service" and inserting in lieu thereof the words "be set by ordinance".

And as so amended be adopted.

MESSAGES FROM THE GOVERNOR

March 3, 1969

Honorable James P. Lucas
Speaker of the House
41st Legislative Assembly
Helena, Montana

Honorable Thomas L. Judge
President of the Senate
41st Legislative Assembly
Helena, Montana

Dear Sirs:

I herewith return House Bill No. 400 without my signature. During most of my adult life I have been actively involved in law enforcement. I have seen the condition of the State of Montana when wide-open gambling was illegal but tolerated, when it was purportedly legalized, and when it was declared illegal. In the days when illegal gambling was tolerated, the game called Keno or Bingo was, in my observations, the most vicious of all types of chance.

I am struck by the similarity between House Bill No. 400 and Chapter 142 of the Laws of 1945, which attempted to legalize and control slot machines. As I, and many of you, remember, that law was found to be impossible of enforcement, and the professional gambler was soon flourishing in the area supposedly reserved for charitable, fraternal and nonprofit associations. As a lawyer and long-time law enforcement official, I can see wide openings for similar abuses under House Bill No. 400.

In Montana, as elsewhere, our law enforcement people are already overburdened. This fact, it itself, would make this kind of legislation impossible to keep under control.

Our time, as legislators and executives should, in my judgment, be spent in strengthening our most fundamental document, the Constitution. I believe that a measure such as House Bill No. 400 would weaken our Constitution and our laws. I will not, therefore, concur in this measure.

Very truly yours,

FORREST H. ANDERSON,
Governor

A motion was made by Casey that the House reconsider House Bill No. 400.

Jordan moved the previous question. Motion carried.

The motion to reconsider House Bill No. 400 failed by the following vote, thereby sustaining the Governor's veto:

Ayes: Aubert, Campbell, Casey, East, Eggebrecht, Feda, Fleming, Forester, Giesick, Glennen, Goan, M. E. Holtz, Johnston, Kolstad, Kvaalen, Lundgren, Nyquist, Payne, Perry, Pierce, Prevost, E. B. Smith, Spilde, Stratton, Swan, Woodard, Worden. Total 28.

Noes: Asbjornson, Aspevig, Baeth, Bardanouve, Brand, Brownlee, Burnett, Cashmore, Christiansen, Clemow, Combs, Cranston, Dye, Egan, Fagg, Falkenstern, Fasbender, Feisthamel, Gerke, Gilligan, Gunderson, Hageman, Hall, Harlow, Harrison, Healy, Hemstad, Himsl, Jordan, Kendall, Knudsen, Kosena, Laas, Lee, Loble, Lombardi, Lund, Marks, Mather, McCulloch, Mehrens, Melcher, Nichols, Nugent, Patrick, Robbins, Romney, Rygg, Schoonover, Scott, C. M. Smith, Spahr, Staigmiller,

Steele, Teeple, Ulmer, Warfield, Watt, Wayrynen, White, Whitney, Pat Williams, W. G. Williams, Wolf, Yardley, Zimmer, Mr. Speaker. Total 67.

Absent or not voting: Jurcich, McGrath, Murphy, Newby, Shively, Speare. Total 6.

Excused: Haines, R. W. Holtz, Stimatz. Total 3.

1. That the Senate recede from its Committee on Judiciary amendment to House Bill No. 109 dated February 23, 1969.

2. That House Bill No. 109 be amended in the original and printed bills by omitting all of the material following the enacting clause and inserting in lieu thereof the following:

"Section 1. Section 11-614, R.C.M. 1947, as amended in 1947, is amended to read as follows:

'11-614. Small and irregularly shaped tracts must be platted, surveyed and certified before sale. Any person who desires to subdivide and sell or transfer any tract of land in small tracts, such as orchard tracts, vineyard tracts, acreage tracts, suburban tracts, or community tracts, containing less than the United States legal subdivision of ten (10) acres, or who shall subdivide and/or sell or transfer any irregularly shaped tract of land, the acreage of which cannot be determined without a survey, must cause the same to be surveyed, platted, certified, and filed in the office of the county clerk and recorder of the county in which said land lies, according to the provisions of this chapter before any part or portion of the same is sold or transferred; except that it will not be necessary to comply with the provisions of this chapter relating to parks, [and] playgrounds, and state highways, and such state highway sales or transfers [must] may be made by reference to the plat or plan contemplated by section 32-2413, R.C.M., 1947, on file and the numbers of the lots and blocks or parcels. Said plat or plan contemplated by section 32-2413, R.C.M., 1947, shall be of a scale not less than one inch equals four hundred feet and have attached a certified copy of the State Highway Commission resolution establishing the location or reconstruction of such highway and shall be recorded in the office of the proper county clerk and recorder in a separate book kept for that purpose. The commission shall, at its expense, furnish each county clerk and recorder with an appropriate book which shall be indexed by project number, parcel number, cross-indexed by name of the owner affected. It is unlawful for any further sales to be made without a full compliance with the provisions of this chapter, and the surveying and platting of the whole tract, showing the lots sold before the filing of the plat; provided further that until the filing of such plat, or survey, the county clerk of any county shall not record any deed which conveyed, or purports to convey, any irregular shaped tract or part of land or parcel of any such platted tract or tracts of less than the United States legal subdivision of ten (10) acres, unless the person presenting such deed for record also delivers to such county clerk for filing a plat or map which has been prepared by a surveyor or civil engineer, which plat or map shall show with particularity the legal description, and area of the land to be conveyed, except that no map or plat shall be required in those cases where the parcel of land being conveyed has been previously conveyed by deed or other instrument recorded ten (10) years or more prior to the passage of this act.'

(Material in brackets denotes cancelled type.)

Section 2. Instruments of transfer of tracts defined in this section which are acquired for state highways may refer by parcel and project number to state highway plans which have been recorded in compliance with section 32-2413, R.C.M. 1947, and are excepted from other platting requirements of this act, provided, however, that if such tracts are not shown on highway plans of record, instruments of transfer of such tracts shall be accompanied by appropriate certificates of survey and plats when presented for recording.

HARRISON, Chairman

March 5, 1969

Mr. Speaker: We, your Committee on Agriculture and Irrigation, having had under consideration House Resolution No. 18, respectfully report as follows: That House Resolution No. 18 be adopted.

HEMSTAD, Chairman

Report adopted.

HOUSE RESOLUTION NO. 18

Introduced by Agriculture Committee.

A resolution of the House of Representatives of the State of Montana requesting the Legislative Council study the need for regulations in the sale and use of pesticides and study the feasibility of establishing and staffing a single state supported laboratory for the detection of pesticides and other adulterants to recommend such plans and programs as are necessary to provide the consumer with adequate protection without undue hardship to the agricultural industry.

Whereas, improper use of pesticides can constitute a hazard to the health of man and animals; and

Whereas, the use of pesticides according to the specifications on a legally applied label can aid the producer to economically grow and market a high quality product; and

Whereas, there is considerable confusion and misunderstanding relating to federal regulations of manufacturing, labeling and selling pesticides; and

Whereas, there is as great a need to prevent the pesticidal contamination of produce by private individuals as there is by commercial pest control operators; and

Whereas, there is a need to monitor produce subject to pesticidal contamination from any source; and

Whereas, the qualitative and quantitative determination of pesticides and their breakdown products in parts per million, as now required, is extremely difficult and complex; and

Whereas, very expensive, highly sophisticated laboratory equipment is needed for the determinations; and

Whereas, this equipment may become obsolete in a short time and have to be replaced; and

Whereas, highly trained personnel are necessary to operate said equipment; and

Whereas, these personnel should be located at a place where consultation is readily available and research activities are possible.

Now, Therefore, Be It Resolved by the House of Representatives of the State of Montana:

That the Legislative Council is requested hereby to pursue a study of the need for regulation of the sale and use of pesticides which are needed to adequately protect the consumer and the feasibility of establishing and staffing a single state supported laboratory for the detection of pesticides and other adulterants.

Be it further resolved, that the Legislative Council prepare and have ready for submission to the 42nd Montana Legislative Assembly such plans and programs as it may formulate under this directive, together with suitable recommendations and a draft of proposed legislation to carry out such objectives.

March 5, 1969

Mr. Speaker: We, your Committee on Agriculture and Irrigation, having had under consideration House Resolution No. 19, respectfully report as follows: That House Resolution No. 19 be adopted.

HEMSTAD, Chairman

Report adopted.

HOUSE RESOLUTION NO. 19

Introduced by Murphy.

A resolution of the House of Representatives of the State of Montana requesting the Water Resources Board to conduct a study of the type of water code that would be best suited to Montana and the manner of its implementation.

Whereas, during the last two legislative sessions bills have been introduced to create a new water code for the State of Montana which failed of passage largely because such bills went beyond the scope of establishing administrative procedures and methods of appropriation; and

Whereas, during the debate on these bills it has become apparent that to implement a new administrative procedure statewide would be impractical because of the cost involved and the delays that would be incurred because of lack of funds; and

Whereas, it is the belief of this Legislature that the Water Resources Board should make a study of the type of water code that would be best suited to Montana and the manner in which such code should be implemented within the limitations of time and finances.

Now, Therefore, Be It Resolved by the House of Representatives of the State of Montana:

That the Montana Water Resources Board, prior to the meeting of the Forty-second Legislative Assembly, prepare and submit to said Assembly for consideration a water code which said board shall deem most suited to the needs of the State of Montana in the wise use and con-

servation of Montana waters and that in addition, the Board shall recommend methods for the implementation of such code on an area by area basis, by watershed, county or other geographical basis.

March 5, 1969

Mr. Speaker: We, your Committee on Judiciary, having had under consideration House Resolution No. 20, respectfully report as follows: That House Resolution No. 20 be adopted.

MURPHY, Chairman

Report adopted.

HOUSE RESOLUTION NO. 20

Introduced by Lucas, Harrison, Wayrynen, Pierce, Patrick.

A resolution of the House of Representatives of the State of Montana concurring in the memorial project on behalf of the late Governor Nutter by the Helena Last Chance Kiwanis Club and providing a contribution by the legislators to this project.

Whereas, Donald G. Nutter was elected Governor of the State of Montana in November of 1960, and

Whereas, the late Governor Nutter met with an untimely and tragic death on the 25th day of January, 1962, as a result of an airplane crash in the Wolf Creek canyon north of Helena, and

Whereas, Governor Nutter was an honored veteran of the armed forces, and an illustrative statesman of the State of Montana, and

Whereas, the Helena Last Chance Kiwanis Club has taken note that there is nothing in the area to mark this historic tragic event, and

Whereas, the Helena Last Chance Kiwanis Club is initiating a project to memorialize former Governor Don Nutter and the crew of the ill-fated National Guard airplane, by building a memorial near the crash site in the Wolf Creek canyon; and

Whereas, the Helena Last Chance Kiwanis Club plans to solicit funds on a statewide level for one year for the building of this project to be known as the "The Nutter Wolf Creek Memorial Fund," and

Whereas, it would be a tribute of the highest order for the Forty-first Legislative Assembly to launch this project by a concurrence of it and a contribution to it.

Now, Therefore, Be It Resolved by the House of Representatives of the State of Montana:

That the Forty-first Legislative Assembly of the State of Montana does hereby concur and contribute funds to this noble project.

Be it further resolved, that the Chief Clerk of the House shall provide for the collection of the contribution and shall send the contribution, along with a copy of this resolution, to the Helena Last Chance Kiwanis Club.

FIRST READING AND COMMITMENT OF BILLS

The following bills were introduced, read first time and referred to committee:

House Resolution No. 21, introduced by Marks, B. Williams: A resolution of the House of Representatives of the State of Montana directing the Montana Highway Department of the State of Montana to recognize the position of the great and historic community of Clancy, Montana, of which Helena and Butte, Montana are its principle suburbs, on its 1969 highway map. Referred to Committee on Fish and Game.

House Resolution No. 22, introduced by Swan, Gunderson: A Resolution of the House of Representatives of the State of Montana directing the Montana Horse Racing Commission to comply with the acts of the Legislature governing its activities and operations, including keeping detailed records of all meetings and business, promulgating rules and regulations on required subjects, acting upon applications to hold race meets within the statutory time, and performing all duties imposed upon it by law. Referred to Committee on Business and Industry.

House Resolution No. 23, introduced by Spahr: A resolution of the House of Representatives of the State of Montana requesting that the Legislative Council conduct a study of alternative methods of taxing the income of businesses including consideration of a tax similar to the business and corporation license tax levied by the State of Washington. Referred to Committee on Ways and Means.

A motion was made by Mather that the House stand in recess until 5:00 p.m. this day. Motion carried.

House recessed.

House resumed. Mr. Speaker in the Chair.

REPORTS OF STANDING COMMITTEES

March 6, 1969

Mr. Speaker: We, your Committee on Business and Industry, having had under consideration House Resolution No. 22, respectfully report as follows: That House Resolution No. 22 be adopted.

PIERCE, Chairman

Report adopted.

HOUSE RESOLUTION NO. 22

Introduced by Swan, Gunderson.

A resolution of the House of Representatives of the State of Montana directing the Montana Horse Racing Commission to comply with

the acts of the Legislature governing its activities and operations, including keeping detailed records of all meetings and business, promulgating rules and regulations on required subjects, acting upon applications to hold race meets within the statutory time, and performing all duties imposed upon it by law.

Whereas, the Montana Horse Racing Commission is an agency of the State of Montana, created by an act of this Legislature in 1965, and having only such powers and duties as are conferred upon it by law, and

Whereas, Section 62-504, R.C.M. 1947, imposed a duty upon the commission to keep detailed records of all meetings and of business transacted therein, and all licenses applied for and issued, a duty which has not been performed or fulfilled, as clearly appears by the minutes of certain meetings of the Commission, and

Whereas, Section 62-505, R.C.M. 1947, makes it the duty of the Commission to prepare and promulgate a complete set of rules and regulations to govern race meets, to include certain required subjects, a duty which has not been fulfilled, as clearly appears from the rules and regulations adopted by the Commission, and

Whereas, Section 62-506, R.C.M. 1947 imposes a duty upon the Commission to license and regulate all race meets held in this state under the terms of this act, a duty which has not been fulfilled, as clearly appears from the minutes and records of the Commission, and

Whereas, Section 62-507, R.C.M. 1947, imposes a duty upon the Commission to act upon all applications to hold race meets within thirty days after being submitted, a duty which has not been fulfilled, as clearly appears from the minutes and records of the Commission, and

Whereas, the failure of the commission to comply with the acts of this Legislature and to perform its duties properly and promptly has resulted in confusion, delay, inconvenience, expense, and prejudice to certain citizens of the State of Montana, all of which could have been avoided if the Commission, its members and officials, had complied with the plain requirements of the act of the Legislature creating the Commission and conferring powers and authority upon it, and

Whereas, the failure of the Montana Horse Racing Commission to comply with the laws of the State of Montana and to promptly, diligently, fairly, and lawfully perform their duties has resulted in additional burdens upon members of this Legislative Assembly, and has cast doubts and shadows upon the good name of the government of the State of Montana, and

Whereas, all citizens and other persons subject to this act of the Legislature are required to abide by its provisions under penalty of both administrative and criminal proceedings, and

Whereas, the agency administering such law and exercising such substantial power over all persons coming under its provisions should be above reproach and should set an example by its conduct in complying fully with the spirit and intent of the law, to the end that no more just criticism may be levelled at it.

Now, Therefore, Be It Resolved by the House of Representatives of the State of Montana:

That the Montana Horse Racing Commission, its members, officers, and employees, be instructed to familiarize themselves adequately with the provisions of the act of this Legislative Assembly establishing the commission and conferring upon it certain powers and authorities and

duties, and with any other laws pertaining to it or to its operations and activities.

Be It Further Resolved that the Montana Horse Racing Commission, its members, officers, and employees, be instructed to scrupulously comply with all provisions of law pertaining to their operations and activities and to their powers and duties, and that they promptly resolve any doubts or questions about such law or about their powers and duties through the usual and appropriate channels provided by law, and

Be It Further Resolved, that the Montana Horse Racing Commission, its members, officers, and employees, be instructed to exercise their powers and perform their duties fairly and impartially, according to the highest standards of conduct, and as a public trust of the governmental functions heretofore delegated to them, and

Be It Further Resolved that the Montana Horse Racing Commission, its members, officers, and employees, be instructed to promptly meet and undertake all acts and proceedings necessary to bring the Commission into full compliance with the laws pertaining to it, and particularly by reviewing and amending its rules and regulations, by reviewing and amending its minutes and records, and by properly processing all matters of business pending before it, and

Be It Further Resolved, that the Chief Clerk of the House of Representatives is directed to send copies of this resolution to each member and officer of the Montana Horse Racing Commission.

The Speaker signed in open session the following bills: Senate Bills Nos. 149, 104, 91, 1, 323.

REPORTS OF STANDING COMMITTEES

March 6, 1969

Mr. Speaker: We, your Committee on Fish and Game, having had under consideration House Resolution No. 21, respectfully report as follows: That House Resolution No. 21 be adopted.

W. G. WILLIAMS, Chairman

Report adopted.

HOUSE RESOLUTION NO. 21

Introduced by Marks, W. G. Williams.

A resolution of the House of Representatives of the State of Montana directing the Montana Highway Department of the State of Montana to recognize the position of the great and historic community of Clancy, Montana, of which Helena and Butte, Montana are its principle suburbs, on its 1969 highway map.

Whereas, the Montana Highway Department publishes yearly a highway map of Montana, and

Whereas, in publishing the 1969 highway map, the Highway Department in its infinite wisdom failed to place the great and historical mining town of Clancy, Montana on this map, although its existence is indicated in the index to cities and towns, and

Whereas, Clancy, Montana is a thriving, prosperous, Montana community and contributes much to the wealth and economy of its principle suburbs of Helena and Butte, Montana as well as to the economy of the State of Montana, and

Whereas, the Forty-first Legislature passed H.B. 359 which provides that all drawings for elk permits under a special season shall be held in the city or town nearest to the area to be hunted, and

Whereas, failure to show the existence of Clancy, Montana on the highway map, which is the official map of Montana, may greatly harm and jeopardize its position concerning H.B. 359 in its competition with the surrounding area.

Now, Therefore, Be It Resolved by the House of Representatives of the State of Montana:

That the Forty-first Legislative Assembly agrees that failure to place the fast growing and thriving community of Clancy, Montana on the highway map may hinder, impair and jeopardize the position of one of Montana's most esteemed communities as it is related to H.B. 359, the economy of Montana, the nation, the world and the cosmos.

Be It Further Resolved, that even though the position of Clancy, Montana is recognized by the Legions of Heaven, the Highway Department is directed to recognize the terrestrial position of Clancy, Montana on its official highway map.

Be It Further Resolved, that the Chief Clerk of the House of Representatives of the State of Montana is directed to send a copy of this resolution to the State Advertising Director in the Montana Highway Department.

March 6, 1969

Mr. Speaker: We, your Committee on Bills to whom was referred House Bills Nos. 97, 174, 58, 535, 200, 369, 271, 222, 159, 504, 558, 262, 85, 203, 359, 450, 596, 436, 274, 415, 521, 466, 600, 528, 562, 303, 564, 329, 236, 607, 619, 382, 608, 381, 237, 324, House Joint Resolutions Nos. 10 and 16, do hereby report that said bills, together with a copy thereof, signed by the Speaker of the House and President of the Senate, were this day at the hour of 8:10 o'clock p.m., delivered to the Governor for his approval.

WOODARD, Chairman

March 6, 1969

Mr. Speaker: We, your Committee on Ways and Means, having had under consideration House Resolution No. 23, respectfully report as follows: That House Resolution No. 23 be adopted.

GOAN, Chairman

Report adopted.

HOUSE RESOLUTION NO. 23

Introduced by Spahr.

A resolution of the House of Representatives of the State of Montana requesting that the Legislative Council conduct a study of alternative methods of taxing the income of businesses including consideration of a tax similar to the business and corporation license tax levied by the State of Washington.

Whereas, during the last interim, the Legislative Council conducted a study of Montana corporation license taxes, and

Whereas, although this study considered a tax based upon the gross income of businesses, this subject was not explored in depth, and

Whereas, it is vital that the Legislative Assembly have complete information on alternative methods of taxing businesses before con-

clusions are reached regarding the most feasible method of taxing such businesses.

Now, Therefore, Be It Resolved by the House of Representatives of the State of Montana:

That the Legislative Council be requested to conduct a comprehensive study of alternative methods of taxing businesses, including consideration of a tax like the business and corporation license tax levied by the State of Washington, during the 1969-70 interim

Be It Further Resolved, that the Legislative Council be requested to submit a formal written report, including recommendations and any necessary implementing legislation to the Forty-second Legislative Assembly with a view toward making the taxation of businesses in Montana more equitable.

Be It Further Resolved, that the Chief Clerk of the House of Representatives be requested to send a copy of this resolution to the Legislative Council.

REPORTS OF SELECT COMMITTEES

March 6, 1969

To the President of the Senate and Speaker of the House:

We, your Joint Committee appointed to consider proposals for study by the Legislative Council, respectively recommend that the Legislative Council undertake the following projects during the 1969-1970 interim, as time permits in priority order as follows:

1. Conduct a study of the Railroad and Public Service Commission as requested by S.J.R. No. 2.
2. Study the feasibility of self-insurance for state property as requested by S.J.R. No. 26.
3. Update and expand past taxation studies as requested by S.J.R. No. 5, including in that study alternative methods of taxation of corporations as requested by S.R. No. 31 and reversion of mineral rights if taxes are unpaid as requested by S.R. No. 10.
4. Study the feasibility of an administrative procedures act as requested by S.J.R. No. 12.
5. Conduct a study of local government as requested by H.R. No. 2.
6. Recodify the school laws as requested by S.J.R. No. 4.
7. Study the control of pesticides as requested by H.R. No. 18 and S.R. No. 26.

In addition to these studies, your joint committee recommends that the Legislative Council prepare a bill for a Viet Nam veterans' honorarium as requested by H.J.R. No. 11, and that the Council follow water allocations for development of coal resources of the state as requested by S.J.R. No. 18.

Your joint committee further recommends that the Legislative Council assist the Governor's Council on Natural Resources in determining whether a state park should be established at the Smith River Canyon as requested by H.J.R. No. 12, that the Council cooperate with the Superintendent of Public Instruction in a study of shared services for local school districts as requested by H.J.R. No. 29, and that the Council

cooperate with the Governor in a study of the reorganization of state government as requested by S.J.R. No. 21.

REPORTS OF STANDING COMMITTEES

March 6, 1969

Mr. Speaker: We, your Committee on Business and Industry, having had under consideration House Resolution No. 24, respectfully report as follows: That House Resolution No. 24 be adopted.

PIERCE, Chairman

Report adopted.

HOUSE RESOLUTION NO. 24

Introduced by Lucas, Murphy, Fagg.

A resolution by the House of Representatives of the Forty-first Legislative Assembly of the State of Montana to the Governor of the State of Montana and to the heads of all departments of the state government of the State of Montana relating to a good business climate in the State of Montana.

Whereas, Montana has available a great storehouse of undeveloped natural resources, and

Whereas, Montana is blessed with a readily available competent skilled and vigorous labor pool, and

Whereas, the future growth of Montana is dependent upon the proper and maximum utilization of this reservoir of human and natural resources, and

Whereas, there must, in the proper development of the economic and social growth of this state be no negative attitudes and a minimum of deterrents, which would restrain or impede the sound and vigorous use of these available resources, and

Whereas, in order to attract and promote industry, establish new payrolls, combat unemployment and to broaden the taxpaying base it is necessary to create a positive and favorable business climate within the State of Montana, and

Whereas, an excessive tax burden, discriminatory and punitive legislation and controls are incompatible with the growth of industry and employment, and

Whereas, free enterprise, under democracy, has attained the highest level of individual liberties and standard of living in the world, and

Whereas, the existence of a good business climate is to the best interests of the State of Montana and all its people, and places Montana on a fair competitive basis with other states for the attraction of industry, economic growth, and the creation of new payrolls

Now, Therefore, Be It Resolved by the House of Representatives of the Forty-first Montana Legislative Assembly:

That all future legislation be examined in terms of its effect upon the growth of the state and broadening of its economic base, as outlined, and determine whether such legislation may have any discriminatory effect upon such growth, the attraction of investment capital, and the creation of needed payrolls in Montana, while recognizing the qualities of Montana's environment and the basic rights of all Montana citizens both individual and corporate, and

Be It Further Resolved, that the Governor and heads of all departments of this state government are hereby requested to continue to examine their own discretionary actions and orders in terms of their effect on the business climate of Montana, and

Be It Further Resolved, that copies of this resolution be forwarded to the Governor and all officials and heads of the state government of Montana.

REPORTS OF SELECT COMMITTEES

Mr President and Speaker of the House:

We, your Joint Senate and House Conference Committee having had under consideration House Bill No. 349, beg leave to report as follows:

That the Senate recede from the Senate amendments to House Bill No. 349, and that the bill be amended as follows:

Amend the title in lines 15 and 16 on page 1 of the original bill, being lines 10 through 12 of the printed bill, by striking the following words and punctuation: "increasing the disqualification for leaving work without good cause attributable to the employment;"

And amend section 1 in lines 6 through 30 at page 3 and lines 1 through 9 at page 4 of the original bill, being lines 31 through 64 at pages 3 and 4 of the printed bill, by deleting all of the words, figures and punctuation therein and inserting in lieu thereof the following:

Cashmore moved that the Conference Committee report be not adopted and the committee be discharged. Motion carried.

March 6, 1969

Mr. Speaker: We, your Committee on Bills beg leave to report the following bills correctly enrolled: House Bills Nos. 599, 612, 616, 286, 344.

WOODARD, Chairman

FIRST READING AND COMMITMENT OF BILLS

The following bill was introduced, read first time and referred to committee:

House Resolution No. 25, introduced by Spahr, Kolstad, Aspevig, Asbjornson, White, Burnett: A resolution of the House of Representatives of the State of Montana thanking the Montana Citizens Committee on the state legislature, its chairman, Mr. Charles Cooley, and the citizens conference on state legislatures for their efforts to improve representative democracy and more particularly the legislative branch of state government.

Spahr moved that House Resolution No. 25 be considered read at length and that the House suspend the rules and not place House Resolution No. 25 in a committee. Motion carried.

A motion was made by Spahr that House Resolution No. 25 be adopted. Motion carried.

HOUSE RESOLUTION NO. 25

Introduced by Spahr, Kolstad, Aspevig, Asbjornson, White, Burnett.

A resolution of the House of Representatives of the State of Montana thanking the Montana citizens committee on the state legislature, its chairman, Mr. Charles Cooley, and the citizens conference on state legislatures for their efforts to improve representative democracy and more particularly the legislative branch of state government.

Whereas, the national citizens conference on state legislatures was organized to focus attention on the legislative branch of state government and encourage public spirited persons to examine the legislative branch with a view toward improving its operation, and

Whereas, the Montana citizens committee on the state legislature is a bipartisan group of Montana citizens which is nonpartisan in its approach to the problems of the Montana Legislative Assembly, and

Whereas, this group has spent many long and difficult hours without compensation studying the operation of the state legislature, and

Whereas, the committee has produced and distributed an excellent report to the Forty-first Legislative Assembly, and

Whereas, the efforts of the committee, and particularly its chairman, Mr. Charles Cooley, have brought about a greater understanding of the problems and difficulties which we, as state legislators, face in enacting legislation for the benefit of all the citizens of the State of Montana.

Now, Therefore, Be It Resolved by the House of Representatives of the State of Montana:

That this assembly commends the Montana citizens committee on the state legislature for its work in seeking ways of improving the legislative branch of state government, and

Be It Further Resolved, that this assembly extends its gratitude to all members of the committee, and particularly its chairman, Mr. Charles Cooley, for the personal sacrifice these persons have made on behalf of good government, and

Be It Further Resolved, that this assembly encourage public spirited citizens of Montana to form groups such as the Montana citizens committee and communicate their suggestions on improvements in state government to the Legislative Assembly, and

Be It Further Resolved, that the Secretary of State is instructed to send copies of this resolution to the chairman, Mr. Charles Cooley, of the Montana citizens committee on the state legislature and to Mr. John Anderson, executive director of the citizens conference on state legislatures, and to each member of the Montana citizens committee.

REPORTS OF SELECT COMMITTEES

Mr. Speaker and President of the Senate:

We, your Free Joint House and Senate Conference Committee on Senate amendments to House Bill No. 605, beg leave to report as follows:

That the House accede to all Senate amendments to House Bill No. 605 except the following:

MESSAGES FROM THE GOVERNOR

March 10, 1969

The Honorable Thomas Judge
President of the Senate
Capitol Building
Helena, Montana

The Honorable James P. Lucas
Speaker of the House
Capitol Building
Helena, Montana

Dear Sirs:

The Constitution of the State of Montana directs that I deliver a message at the beginning of each session of the Legislature.

It is necessary to proclaim an extraordinary session of the 41st Legislature. The reason that this session was called immediately on the close of the regular session is the failure of the Legislature in regular session to provide funds to assure operation of state governments between now and June 30th of this year. At this writing, twenty-five agencies of state government are completely without funds, or shortly will have exhausted monies required for salaries and general service operations. They include: The Department of Agriculture, the office of Secretary of State, the Department of Administration, the State Hospital at Galen, the Law Library, the Mountain View School, the office of the Governor, the Department of Public Welfare, the State Hospital at Warm Springs, Montana State Prison, the Department of Lands and Investments, the Highway Safety Director, the State Children's Center, and the Livestock Sanitary Board.

I consider passage of the supplemental appropriation a matter of utmost urgency, and urge you to make this item your first order of business.

I am aware that of all the items making up the more than 2 million dollars requested in the supplemental appropriation measure, my request for operation of the Governor's office and mansion has been the object of considerable attention by some members of the House of Representatives. This requested item was for \$64,229.00, only 2.39% of the total of more than 2 million dollars, but apparently has been the chief point of controversy which has prevented action on the entire bill.

The attention of this Assembly was directed to the fact that the preceding administration exhausted \$66,533.53, or almost 79% of all funds available to the Governor's office for fiscal 1968-69. Furthermore, \$52,404.27, or 86.6% of all funds for the salary account was expended before I assumed the office of Governor, leaving a balance of \$8,067.73. My staff and I are presently at work without hope of being paid at the close of the present pay period March 14.

In my State of the State message to the 41st Legislature, I requested strengthening of the Governor's office to bring management back to the operation of state government. The opposite has occurred.

I am pleased to note the regular session of this Legislature enacted House Bill 610, to immediately provide for a study of executive reorganization of state government. However, I remind you I must have adequate staff and sufficient funds to function effectively with the study. Since the study is expected to begin prior to the close of this fiscal year, I have requested sufficient funds in the supplemental appropriation.

It is also my belief that the members of the extraordinary session of the 41st Legislature should determine the precise needs of state government in the next biennium and enact legislation to provide for those needs at the earliest possible date.

During the course of the regular legislative session, a variety of appropriation measures were enacted. Some of these measures have been signed by me. Others are awaiting signature. In view of these circumstances, I believe the best interests of our citizens can be served if all additional appropriation matters are determined before consideration is given to other legislation. The remaining legislation may be considered at this extraordinary session, or at a later time, depending upon the wishes of the members of this Assembly.

I wish to make a final recommendation: I ask that you fund the Department of Planning and Economic Development for the next biennium in accordance with the request contained in House Bill 595 as amended. Montana's future may depend in large measure upon the role this important agency is permitted to play. It is my belief the request should be honored and the activity fully funded. Failing that, the Department should be abolished.

In my State of the State address, I said:

"We must work resolutely and diligently to eliminate the partisan bickering which has plagued past sessions."

In my judgment, this can be achieved in the fashion I have set forth in this message.

Sincerely,

FORREST H. ANDERSON
Governor

The Committee of three from the Senate was admitted and reported that the Senate was organized and ready for business for this Extraordinary Session.

The Committee to notify the Senate, returned and reported that the message had been delivered and wished to be excused. The Speaker thanked the committee and it was discharged.

The Committee to notify His Excellency, the Governor, returned and reported that the Governor wishes us well and that affairs get taken care of in speed. The Speaker thanked the committee and it was discharged.

The Committee to notify the Supreme Court, returned and reported that the message had been delivered. The Speaker thanked the Committee and it was discharged.

FIRST READING AND COMMITMENT OF BILLS

The following bills were introduced, read first time and referred to committees:

Extraordinary Session House Bill No. 1 introduced by Nichols, Casey, Rygg: A bill for an act entitled: "An act appropriating money for the operation of the Extraordinary Session of the Forty-First Legislative

MESSAGES FROM THE GOVERNOR

March 11, 1969

The Honorable Thomas Judge
President of the Senate
Capitol Building
Helena, Montana

The Honorable James P. Lucas
Speaker of the House
Capitol Building
Helena, Montana

Dear Sirs:

House Bill 610, enacted into law by the regular session of the Forty-First Legislative Assembly, provides for a comprehensive study of the reorganization of the executive branch of state government far beyond any study of the past.

Recognizing that previous similar studies to reorganize and restructure the executive branch through amendment of the statutes alone has met with no success, I recommend consideration of a Constitutional amendment, to be submitted to the electorate at the general election in 1970, requiring that the executive branch be organized into not more than twenty (20) principal departments and that new powers and duties assigned by the Legislature in the future be allocated to one of the principal departments.

I wholeheartedly agree with the concept that lasting and meaningful reorganization of the executive branch cannot be achieved without changes in the Constitution.

The experience of the State of Colorado demonstrates that a proposal such as the one I am herewith recommending can provide an efficient and orderly means of streamlining the executive branch.

To be sure, the State of Colorado encountered much of the same resistance we have experienced in its previous efforts at executive reorganization. Colorado had as many agencies, departments and commissions as Montana presently has. As the result of executive reorganization, it now functions much more efficiently with seventeen (17) principal departments.

It should be understood that the proposal I offer today is not directed at any of the Constitutional officers in Montana. It is directed at consolidation of the myriad of loosely-knit agencies and departments in state government.

Bureaucratic self-interest has been the chief obstacle to executive reorganization. A directive from the people of Montana, such as approval of the Constitutional amendment I have proposed, would remove this obstacle. I am reminded of the remarks of an agency head in the State of Mississippi, when he was asked to comment on reorganization efforts in that state:

"I think this is one of the very best things that has ever been done in the State of Mississippi and I have long been of the opinion that this work should have been accomplished in the past. However, my department is of a type, character and kind that cannot be consolidated with any other agency, as its duties and functions are unique, and a reduction of personnel or a transfer of any duties of this department would work a hardship and prevent certain citizens from receiving benefits to which they are entitled."*

I recommend that the people of the State of Montana tell us what

the final posture of our reorganization efforts should be and thus, hopefully, remove the cause of bureaucratic infighting from the picture.

Sincerely,

FORREST H. ANDERSON
Governor

*Executive Reorganization Report Number 7, November, 1962;
Montana Legislative Council, p. 6.

MESSAGE TO GOVERNOR

The Honorable Forrest Anderson
Governor of the State of Montana

Dear Governor Anderson:

I hereby ask that you expand your call for the extra session of the Legislature, to include public school schedules and revenue measures. It is particularly important that we be allowed to consider school foundation schedules at the same time as we consider appropriations, as one has a direct bearing upon the other. May I point out that school schedules (SB88) at the end of the regular legislative session, were a point of major conflict between not only the House and Senate, but also between House and Senate Democrats.

If we continue to consider appropriations only, to be later followed by school schedules and revenue measures, we are embarking upon an uncoordinated approach to our legislative problems. This very fact was pointed out several times today during the debate in the House of Representatives, on school foundation matters. Our extra session, which is costing almost \$10,000 per day, can progress much faster if we are allowed to consider these problems in conjunction with each other, instead of in a piecemeal and prolonged manner. We, therefore, respectfully request that the call for the extra session be immediately enlarged to include these items.

Respectfully requested,

JAMES P. LUCAS, Speaker

THIRD READING OF HOUSE BILLS

The following having been read three several times, title and history agreed to, was disposed of in the following manner:

MESSAGES FROM THE GOVERNOR

March 12, 1969

The Honorable James P. Lucas
Speaker of the House of Representatives
Capitol Building
Helena, Montana

Dear Mr. Speaker:

I have reviewed your letter of March 11 carefully.

Following considerable deliberation, I have decided it would not be in the best interests of expediting the work of the Extraordinary Session of the 41st Legislature to accede to your request.

In my Proclamation to the 41st Legislature, March 6, 1969, I made it clear the first order of business for the Extraordinary Session was the matter of determining appropriations for the support of government.

In my Message to the Extraordinary Session of the 41st Legislature, I reiterated this belief when I said, "I believe the best interests of our citizens can be served if all additional appropriations are determined before consideration is given to other legislation. The remaining legislation may be considered at this extraordinary session, or at a later time, depending upon the wishes of the members of this Assembly."

Experience has demonstrated time and again that people are willing to spend but are often unwilling to pay the price for spending. That phenomena has been evident in the 41st Legislature. The majority Party of the House of Representatives succeeded in appropriating approximately 193 million dollars in spending, while holding revenue measures to a ten per cent increase. Obviously, a fifty per cent increase in spending cannot be achieved with a ten per cent increase in revenue.

I remind you that the former governor, in his message to the Extraordinary Session of the 40th Legislature in 1967, requested of that body precisely the same thing I have asked of this Assembly: that agreement be reached on appropriations before consideration is given to revenue or other legislation.

At such time as agreement is reached and when a joint request from the leadership of both Parties is received from the House and the Senate, I shall be pleased to authorize the Extraordinary Session to consider the other items you have suggested in your letter.

HOUSE JOURNAL—EXTRAORDINARY SESSION
FORTY-FIRST LEGISLATIVE ASSEMBLY

Meantime, I want you and the other members of this Assembly to know that I am anxious to cooperate in any reasonable manner in order that your business may be concluded as soon as possible.

Sincerely,

FORREST H. ANDERSON
Governor

Mr. Speaker: We, your Committee on State Administration, having had under consideration Extraordinary Session House Resolution No. 1, respectfully report as follows: That Extraordinary Session House Resolution No. 1 be adopted.

ULMER, Chairman

Report adopted.

EXTRAORDINARY SESSION HOUSE RESOLUTION NO. 1

Introduced by Goan by request of the Republican Majority

Whereas, the call of the Extraordinary Session of the Forty-First Legislative Assembly issued by Governor Anderson limits the session to the consideration of appropriation bills only, and

Whereas, the Legislature has not yet adopted the schedules for the Foundation Program and it cannot be known how much money from the General Fund will be necessary for this program or what the state deficiency will be or what raises in property taxes will result, and

Whereas, the Foundation Program entails by far the largest expenditure from the General Fund, and

Whereas, in the Extraordinary Session of the Fortieth Legislative Assembly these school schedules had been passed by both Houses of the Legislature, had been signed by the Governor, and the amount necessary to fund the program was known, and

Whereas, the House of Representatives has now passed and sent to the Senate the basic appropriation bills necessary for the operation of state government not knowing whether there will be sufficient revenue to fund the same, and

Whereas, the constitution of the State of Montana in Section 12 of Article XII provides that the Legislature shall not appropriate any money or make any expenditure which shall exceed the total taxes then provided by law, and

Whereas, adoption of appropriation measures by both the House and Senate, without accompanying revenue measures, is in apparent conflict with the foregoing constitutional requirement, and

Whereas, consideration of legislation on a piece-meal basis is impractical and costly and not in the best interests of the taxpayers of the State of Montana,

Now, Therefore, be it resolved by the House of Representatives of the Forty-First Legislative Assembly of the State of Montana in extraordinary session assembled:

That the Governor of the State of Montana is hereby requested and urged to expand the call of the extraordinary session to include.

- (1) the schedules for determining state aid to the elementary and high schools of the State of Montana, and
- (2) the question of revenue measures necessary to fund the Foundation Program, legislative appropriations, and other needs of the State of Montana.

Such an expanded call is necessary in order that this session may rapidly proceed with its work and will know what funds will be available.

Be It Further Resolved, that this House hereby makes known that it has now passed the basic appropriation bills and now has nothing before it, until it is authorized by the Governor, to consider the said school schedules and the possible sources of revenue.

Be It Further Resolved, that a copy of this resolution be delivered upon passage to the Honorable Governor of the State of Montana.

I have examined Extraordinary Session House Bill No. 3 introduced by me and find the same to be correct.

CASEY

The Speaker signed the following bill in open session, the title having first been read: Extraordinary Session House Bill No. 3.

SECOND READING OF BILLS (COMMITTEE OF THE WHOLE)

MESSAGE FROM THE GOVERNOR

March 13, 1969

Honorable Thomas Judge
President of the Senate
Capitol Building
Helena, Montana

Honorable James P. Lucas
Speaker of the House
Capitol Building
Helena, Montana

Dear Sirs:

It is evident to me that the members of the Legislative and Executive

branches of Montana state government lack sufficient reliable information about how the taxation process relates to the financial needs of the State, the counties, the cities and the school district.

Furthermore, sufficient reliable information is lacking as to the relative burden on our people and whether those best able to pay are assuming their full responsibility while those least able to pay are not being financially penalized.

Therefore, I recommend to the members of this assembly that a study be initiated through the Bureau of Business and Economic Research at the University of Montana, Missoula, to develop useful data and analytical material which would be made available to members of the Legislature, the Governor and the taxpayers of Montana.

I urge that monies be made available in this Extraordinary Session to secure federal matching funds for this purpose. It is my hope the proposed study could begin at the earliest possible time.

It is my sincere belief that until up-to-date factual data concerning taxation and economic growth projections can be secured, we cannot anticipate intelligent, rational and deliberate consideration of fiscal matters and may expect more of the type of impasse which has been experienced in the 40th and 41st Legislatures.

Sincerely,

FORREST H. ANDERSON
Governor

MESSAGES FROM THE GOVERNOR

March 15, 1969

Honorable James P. Lucas
Speaker of the House
Capitol Building
Helena, Montana

Honorable Thomas L. Judge
President of the Senate
Capitol Building
Helena, Montana

Dear Sirs:

House Bill No. 349 which was passed by both houses during the regular session of the 41st Legislative Assembly was transmitted to my office on March 6, 1969, for signature.

An examination of that bill has revealed that, due to an enrolling error, the bill transmitted to me is not the same bill which was passed by the two houses.

The bill as passed was an excellent piece of legislation, acceptable to everyone concerned. Its final form was arrived at after very thorough consideration in both houses and by a conference committee. Unfortunately, the error in enrolling the bill would deprive many of the working people affected by it of a substantial portion of the benefits intended by the legislative assembly.

In order to carry out the intention of the Montana Legislature as expressed in its regular session upon the subject of unemployment compensation benefits, I hereby ask that the 41st Legislative Session, convened in Extraordinary Session, consider and act upon the subject of unemployment compensation benefits in the manner provided in House Bill No. 349 of the regular session of the legislative assembly as that bill was finally amended by the conference committee and accepted by both houses of the legislature.

Very truly yours,

FORREST H. ANDERSON
Governor

Gentlemen:

In view of the accord which has been reached by leaders of both houses and pursuant to Article VII, Section 11 of the Montana Constitution, I hereby ask that the Forty-first Legislative Assembly, convened in Extraordinary Session, consider and act on the subjects hereinafter specified:

First: A personal income tax which shall make the same provisions as to reporting dates, withholding and effective dates as set forth in HB 557 of the regular session of the Forty-first Legislative Assembly, as amended by the Senate, with the tax rates to be determined by the Legislature.

Second: A corporation license tax increasing the present rate to 6¼ percent effective February 28th, 1969.

Third: That the present tax rates be increased 15 percent in the following taxes:

- (a) Metal Mines Tax
- (b) Telephone Tax
- (c) Electrical Energy Tax
- (d) Motor Carrier Tax
- (e) Natural Gas Tax, all with the effective date of July 1, 1969.

HOUSE JOURNAL—EXTRAORDINARY SESSION
FORTY-FIRST LEGISLATIVE ASSEMBLY

Fourth: A tobacco tax, with revenues earmarked for the long-range building program, embodying the same provisions as outlined in HB 541 of the regular Session of the 41st Legislature, as finally agreed to by the Joint Conference Committee of the House of Representatives and the Senate.

Fifth: A Foundation Program Schedule increasing the present rate for elementary schools 12 percent and increasing the present rates for secondary schools to 14 percent and further increasing the basic county levy one (1) mill in both the secondary and elementary categories.

Very truly yours,

FORREST H. ANDERSON,
Governor
